## Forward-Looking Statements

This report contains "forward-looking statements" – meaning, statements related to future events within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. All statements, other than statements of historical facts, included or incorporated by reference in this document that address activities, events or developments we expect or anticipate will or may occur, are forward-looking statements. The words "believes," "intends," "expects," "anticipates," "projects," "estimates," "predicts," and similar expressions are used to identify forward-looking statements. This report modifies and supersedes documents filed by us before this report. In addition, certain information we file with the United States Securities and Exchange Commission (SEC) will automatically update and supersede information in this report.

Forward-looking statements are not guarantees of performance. They involve risks, uncertainties, and assumptions. Future actions, conditions or events, and future results may differ materially from those expressed in our forward-looking statements. Many factors that will determine these results are beyond our ability to control or accurately predict. Specific factors that could cause actual results to differ from those in our forward-looking statements include:

- the amount and nature of our future capital expenditures and how we expect to fund our capital expenditures;
- prices for oil, NGLs, and natural gas;
- demand for oil, NGLs, and natural gas;
- our exploration and drilling prospects;
- the estimates of our proved oil, NGLs, and natural gas reserves;
- oil, NGLs, and natural gas reserve potential;
- development and infill drilling potential;
- expansion and other development trends in the oil and natural gas industry;
- our business strategy;
- our plans to maintain or increase the production of oil, NGLs, and natural gas;
- our ability to utilize the benefits of net operating losses and other deferred tax assets against potential future taxable income;
- expansion and growth of our business and operations;
- demand for our drilling rigs and the rates we charge for the rigs;
- our belief that the outcome of our legal proceedings will not materially affect our financial results;
- our ability to timely secure third-party services used in completing our wells;
- the impact of federal and state legislative and regulatory actions affecting our costs and increasing operating restrictions or delays and other adverse impacts on our business;
- the possibility of security threats, including terrorist attacks and cybersecurity breaches, against or otherwise affecting our facilities and systems;
- any projected production guidelines we may issue;
- our anticipated capital budgets;
- our financial condition and liquidity;
- the number of wells our oil and natural gas segment plans to drill; and
- our estimates of any ceiling test write-downs or other potential asset impairments we may have to record in future periods.

These statements are based on our assumptions and analyses considering our experience and our perception of historical trends, current conditions, expected future developments, and other factors we believe are appropriate in the circumstances. Whether actual results and developments will meet our expectations and predictions is subject to risks and uncertainties, any one or combination of which could cause our actual results to differ materially from our expectations and predictions. Some of these risks and uncertainties are:

- the risk factors discussed in this document and the documents (if any) we incorporate by reference;
- general economic, market, or business conditions;
- the availability and nature of (or lack of) business opportunities we pursue;
- demand for our land drilling services;
- changes in laws and regulations;
- changes in the current geopolitical situation, such as the current conflict occurring between Russia and Ukraine;
- risks relating to financing, including restrictions in our debt agreements and availability and cost of credit;
- risks associated with future weather conditions;
- decreases or increases in commodity prices;
- the amount and terms of our debt;
- future compliance with covenants under our credit agreements;
- our ability to pay dividends and make share repurchases;
- pandemics, epidemics, outbreaks, or other public health events, such as COVID-19; and
- other factors, most of which are beyond our control.

You should not construe this list to be exhaustive. We believe the forward-looking statements in this report are reasonable. However, there is no assurance that the actions, events, or results expressed in forward-looking statements will occur, or if any of them do, of their timing or what impact they will have on our results of operations or financial condition. Because of these uncertainties, you should not put undue reliance on any forward-looking statements. Except as required by law, we disclaim any obligation to update forward-looking information and to release publicly the results of any future revisions we may make to forward-looking statements to reflect events or circumstances after this document to reflect incorrect assumptions or unanticipated events.

Additional discussion of factors that may affect our forward-looking statements appear elsewhere in this report, including in Item 1A "Risk Factors," Item 2 "Management's Discussion and Analysis of Financial Condition and Results of Operations," and Item 3 "Quantitative and Qualitative Disclosures About Market Risk - Commodity Price Risk."

**UNIT CORPORATION AND SUBSIDIARIES**  
**NOTES TO UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**

**NOTE 1 – ORGANIZATION AND BUSINESS**

Unless the context clearly indicates otherwise, references in this report to "Unit", "Company", "we", "our", "us", or like terms refer to Unit Corporation or, as appropriate, one or more of its subsidiaries. References to "Superior" or our "mid-stream segment" refer to our 50% ownership interest in Superior Pipeline Company, L.L.C.

We are primarily engaged in the development, acquisition, and production of oil and natural gas properties, onshore contract drilling of natural gas and oil wells, and the buying, selling, gathering, processing, and treating of natural gas. Our operations are all located in the United States and are organized as the following three reporting segments:

*Oil and Natural Gas.* Carried out by our subsidiary, Unit Petroleum Company (UPC), we develop, acquire, and produce oil and natural gas properties for our own account. Our producing oil and natural gas properties, unproved properties, and related assets are primarily located in Oklahoma and Texas.

*Contract Drilling.* Carried out by our subsidiary, Unit Drilling Company (UDC), we drill onshore oil and natural gas wells for a wide range of other oil and natural gas companies as well as for our own account. Our drilling operations are primarily located in Oklahoma, Texas, New Mexico, Wyoming, and North Dakota.

*Mid-Stream.* Carried out by Superior. Superior buys, sells, gathers, transports, processes, and treats natural gas for UPC and for third parties. Superior's operations are primarily located in Oklahoma, Texas, Kansas, Pennsylvania, and West Virginia. We held a 50% ownership interest in Superior as of March 31, 2023, but subsequently sold our interest as discussed in Note 15 - Superior Investment.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Presentation*

These interim financial statements are unaudited and have been prepared pursuant to the rules and regulations of the Securities and Exchange Commission (SEC) regarding interim financial reporting. Certain disclosures have been condensed or omitted from these financial statements. Accordingly, they do not include all of the information and notes required by accounting principles generally accepted in the United States (GAAP) for complete consolidated financial statements, and should be read in conjunction with the audited consolidated financial statements and notes thereto for the year ended December 31, 2022 included in the Company's Annual Report on Form 10-K as filed with the SEC on March 17, 2023.

In the opinion of management, the unaudited condensed consolidated financial statements are fairly stated and contain all normal recurring adjustments (including the elimination of all intercompany transactions). Our financial statements are prepared in conformity with GAAP, which requires us to make certain estimates and assumptions that may affect the amounts reported in our unaudited condensed consolidated financial statements and notes. Actual results may differ from those estimates. The results for interim periods are not necessarily indicative of annual results. The Company evaluates subsequent events through the date the financial statements are issued.

The unaudited condensed consolidated financial statements include the accounts of Unit Corporation and its subsidiaries. We consolidated the financial position, operating results, and cash flows of Superior prior to March 1, 2022, on which date the Master Services and Operating Agreement (MSA) was amended and restated, with the result that we no longer consolidate Superior's financial position, operating results, and cash flows during periods subsequent to March 1, 2022. Accordingly, the unaudited condensed consolidated financial statements and notes reflect Superior activity on a consolidated basis for the two months prior to March 1, 2022. See Note 15 – Superior Investment for more information on the Superior investment and consolidation conclusions. All intercompany transactions and accounts between consolidated entities have been eliminated, including activity between Unit and Superior during the two months prior to March 1, 2022. Intercompany transactions and accounts between Unit and Superior subsequent to March 1, 2022 are not eliminated.

Certain amounts in this report for prior periods have been reclassified to conform to current year presentation. There was no impact from these reclassifications to consolidated net income/(loss) or shareholders' equity.

### NOTE 3 – REVENUE FROM CONTRACTS WITH CUSTOMERS

Our revenue streams are reported under three segments: oil and natural gas, contract drilling, and mid-stream which is consistent with how we report our segment revenue in Note 19 – Industry Segment Information. Revenue from the oil and natural gas segment is from sales of our oil and natural gas production. Revenue from the contract drilling segment comes from contracting with upstream companies to drill an agreed-on number of wells or provide drilling rigs and services over an agreed-on period. Revenues from the mid-stream segment are generated from the fees earned for gas gathering and processing services provided to a customer or by selling of hydrocarbons to other mid-stream companies.

#### *Oil and Natural Gas Revenue*

Typical types of revenue contracts entered into by our oil and gas segment are oil sales contracts, North American Energy Standards Board (NAESB) Contracts, gas gathering and processing agreements, and revenues earned as the non-operated party with the operator serving as an agent on our behalf under joint operating agreements. Consideration received is variable and settled monthly while contract terms can range from a single month or evergreen to terms of a decade or more. Revenues from oil and natural gas sales are recognized when the customer obtains control of the sold product which typically occurs at the point of delivery to the customer.

Certain costs, as either a deduction from revenue or as an expense, are determined based on when control of the commodity is transferred to our customer, which would affect our total revenue recognized, but will not affect gross profit. For example, gathering, processing and transportation costs are included as part of the contract price with the customer on transfer of control of the commodity are included in the transaction price, while costs incurred while we are in control of the commodity represent operating costs.

#### *Contract Drilling Revenue*

Contract drilling revenues and expenses are primarily recognized as services are performed and collection is reasonably assured. Payments for mobilization and demobilization activities do not relate to a distinct good or service within the contract and are deferred for ratable recognition when material. Costs incurred to relocate rigs and other drilling equipment to areas in which a contract has not been secured are expensed as incurred and any reimbursements received for out-of-pocket expenses are recorded as both revenues and direct costs.

Most of our drilling contracts have a term of one year or less and the remaining performance obligations under the contracts without a fixed term are not material.

#### *Mid-Stream Revenue*

The typical revenue contracts used by this segment are gas gathering and processing agreements as well as product sales. Superior recognizes sales revenue at the point in time when control transfers to the purchaser, typically at a specified delivery point, based on the contractually agreed upon fixed or index-based price received. Contracts for gas gathering and processing services may include terms for demand fees or shortfall fees. Demand fees or shortfall fees exist in arrangements where a customer agrees to pay a fixed fee for a contractually agreed upon pipeline capacity or shortfall fees for any minimum volumes not utilized, which create performance obligations for each individual period of reservation. Revenue for these fees is recognized once the services have been completed, the customer no longer has access to the contracted capacity, or the likelihood of the customer exercising all or a portion of their remaining rights becomes remote.

*Contract Assets and Liabilities*

The table below presents the changes in our contract asset and contract liability balances during periods indicated:

**NOTE 4 – DISPOSITION OF PROPERTY AND EQUIPMENT***Oil and Natural Gas*

On July 1, 2022, the Company closed on the sale of certain wells and related leases near the Texas Gulf Coast for cash proceeds of \$45.4 million, net of customary closing and post-closing adjustments based on an effective date of April 1, 2022. These proceeds reduced the net book value of our full cost pool with no gain or loss recognized as the sale did not result in a significant alteration of the full cost pool.

On March 8, 2022, the Company closed on the sale of certain non-core wells and related leases located near the Oklahoma Panhandle for cash proceeds of \$3.6 million, net of customary closing and post-closing adjustments based on an effective date of December 1, 2021. These proceeds reduced the net book value of our full cost pool with no gain or loss recognized as the sale did not result in a significant alteration of the full cost pool.

Net proceeds for the sale of other non-core oil and natural gas assets totaled \$0.7 million and \$0.5 million during the three months ended March 31, 2023 and 2022, respectively. These proceeds reduced the net book value of our full cost pool with no gain or loss recognized as the sales did not result in a significant alteration of the full cost pool.

*Contract Drilling*

Proceeds for the sale of non-core contract drilling assets totaled \$4.2 million and \$2.2 million during the three months ended March 31, 2023 and 2022, respectively. These proceeds resulted in net gains of \$3.7 million and \$2.1 million during the three months ended March 31, 2023 and 2022, respectively. The net gains are presented within gain on disposition of assets in the unaudited condensed consolidated statements of operations.

**NOTE 5 – SHAREHOLDERS' EQUITY AND DIVIDENDS***Common Stock*

On September 3, 2020 (Emergence Date), the Company emerged from Chapter 11 bankruptcy and issued a total of 12.0 million shares of common stock at a par value of \$0.01 per share (New Common Stock) to be subsequently distributed in accordance with the Chapter 11 plan of reorganization filed with the bankruptcy court on June 9, 2020 (as amended, supplemented and modified from time to time, the "Plan"). On February 21, 2023, a final decree was approved to close the remaining Chapter 11 case and grant related relief. As a result, any shares of common stock not yet claimed were deemed unclaimed property and have been treated as reductions to the number of shares of common stock issued and outstanding as of February 21, 2023.

All shares of New Common Stock are subject to the transfer restrictions in the Company's Amended and Restated Certificate of Incorporation (Charter). Article XIV of the Charter provides that, subject to the exceptions provided in Article XIV, any attempted transfer of the Company's common stock will be prohibited and void ab initio if (i) because of the transfer, any person becomes a Substantial Stockholder (as defined below) other than by reason of Treasury Regulations section 1.382-2T(j)(3) or (ii) the Percentage Stock Ownership (as defined in the Charter) interest of any Substantial Stockholder will be increased. A "Substantial Stockholder" means a person with a Percentage Stock Ownership of 4.75% or more.

### *Common Stock Repurchases*

There were no repurchases of common stock made during the three months ended March 31, 2023. As of March 31, 2023, we had repurchased a total of 2,472,392 shares of common stock at an average share price of \$32.09 for an aggregate purchase cost of \$79.3 million through privately negotiated transactions, the repurchase program authorized by the Board of Directors in June 2021, and open market purchases. The purchase cost and any direct acquisition costs are reflected as treasury stock on the unaudited condensed consolidated balance sheets.

The remaining value of shares that may yet be purchased under the repurchase program authorization was \$31.1 million as of March 31, 2023. The repurchases may be made through open market purchases, privately negotiated transactions, or other available means. The Company has no obligation to repurchase any shares under the repurchase program and may suspend or discontinue it at any time without prior notice.

### *Dividends*

On January 5, 2023, the Company announced the declaration of a special cash dividend of \$10.00 per share and approval of a quarterly cash dividend policy beginning in the Company's second quarter. On January 31, 2023, the Company paid the special cash dividend of \$10.00 per share totaling \$96.1 million to stockholders of record as of the close of business on January 20, 2023. We have accrued liabilities for dividend equivalent payments to be made upon the vesting of restricted stock units outstanding as of the dividend record date, but not yet vested. There were no dividends paid by the Company during the three months ended March 31, 2022.

The initial quarterly dividend will be \$2.50 per share to be paid during the Company's second quarter with record date and payment date yet to be determined. The declaration and payment of any future dividend, whether fixed, special, or variable, will remain at the full discretion of the Company's Board of Directors and will depend upon the Company's financial position, results of operations, cash flows, capital requirements, business conditions, future expectations, the requirements of applicable law, and other factors that the Company's Board of Directors finds relevant at the time of considering any potential dividend declaration.

### *Warrants*

Each holder of Unit common stock outstanding (Old Common Stock) before the Emergence Date that did not opt out of the release under the Plan is entitled to receive 0.03460447 warrants for every share of Old Common Stock owned. Each warrant is exercisable for one share of common stock, subject to adjustment as provided in the Warrant Agreement. The warrants expire on the earliest of (i) September 3, 2027, (ii) consummation of a Cash Sale (as defined in the Warrant Agreement), or (iii) the consummation of a liquidation, dissolution or winding up of the Company.

As of March 31, 2023, the Company had authorized 1,822,231 warrants of which 21,219 had been exercised or canceled.

Among other provisions, the Warrant Agreement outlines potential adjustments to the warrants if certain events occur, including (i) stock dividends payable in shares of common stock or stock splits, (ii) reverse stock splits or similar combination events, (iii) Liquidity Events (as defined in the Warrant Agreement), and (iv) other events not explicitly contemplated which may have an adverse impact to the intent and purpose of the warrants as set forth in the Plan, provided, however, the warrants will not be adjusted for (a) any issuances of securities in connection with a merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination, (b) the issuance of any securities by Unit on or after September 3, 2020 (the "Effective Date") pursuant to the Plan or upon the issuance of shares of common stock upon the exercise of such securities, (c) the issuance of any shares of common stock pursuant to the exercise of the warrants, (d) the issuance of shares of common stock pursuant to any management stock option incentive or similar plan, (e) a dividend or distribution to holders of common stock of cash, property, or securities (other than common stock), and/or (f) any change in the par value of the common stock.

Pursuant to the terms of the Warrant Agreement, the Company determined the initial exercise price of the warrants to be \$63.74. On April 7, 2022, the Company delivered notice of the initial exercise price to the Warrant Agent and the warrants became exercisable for shares of the Company's common stock. On or about April 25, 2022, the warrants began trading over-the-counter under the symbol "UNTCW". On March 31, 2023, the warrants began trading on the OTCQX Best Market.

See Note 12 - Derivatives for more information on how the warrants are treated in our consolidated financial statements.

**NOTE 6 – STOCK-BASED COMPENSATION**

On the Effective Date, the Board adopted the Unit Corporation Long Term Incentive Plan (LTIP) to incentivize employees, officers, directors and other service providers of the Company and its affiliates. The LTIP is administered by the Compensation Committee and provides for the grant, from time to time, at the discretion of the Board or a committee thereof, of stock options, stock appreciation rights, restricted stock, restricted stock units, stock awards, dividend equivalents, other stock-based awards, cash awards, performance awards, substitute awards or any combination of the foregoing. Subject to adjustment in the event of certain transactions or changes of capitalization in accordance with the LTIP, 903,266 shares of New Common Stock were reserved for issuance pursuant to awards under the LTIP. New Common Stock subject to an award that expires or is canceled, forfeited, exchanged, settled in cash, or otherwise terminated without delivery of shares and shares withheld to pay the exercise price of, or to satisfy the withholding obligations with respect to, an award will again be available for delivery pursuant to other awards under the LTIP.

*Long-Term Debt*

The table below presents the individual components of long-term debt as of the dates indicated:

	March 31, 2023	December 31, 2022
	(In thousands)	
Exit credit agreement	\$ —	\$ —

*Exit Credit Agreement.* On the Emergence Date, the Company entered into an amended and restated credit agreement (the Exit credit agreement), providing for a \$140.0 million senior secured revolving credit facility (RBL Facility) and a \$40.0 million senior secured term loan facility, among (i) the Company, UDC, and UPC (together, the Borrowers), (ii) the guarantors party thereto, including the Company and all of its subsidiaries existing as of the Effective Date (other than Superior and its subsidiaries), (iii) the lenders party thereto from time to time (Emergence Lenders), and (iv) BOKF, NA dba Bank of Oklahoma as administrative agent and collateral agent (in such capacity, the Administrative Agent). The maturity date of borrowings under the Exit credit agreement is March 1, 2024. The Exit credit agreement is secured by first-priority liens on substantially all of the personal and real property assets of the Borrowers and the Guarantors, including the Company's ownership interests in Superior.

Prior to the November 1, 2022 amendment described below, Revolving Loans and Term Loans (each as defined in the Exit credit agreement) were able to be Eurodollar Loans or ABR Loans (each as defined in the Exit credit agreement). Revolving Loans that were Eurodollar Loans bore interest at a rate per annum equal to the Adjusted LIBO Rate (as defined in the Exit credit agreement) for the applicable interest period plus 525 basis points while Revolving Loans that were ABR Loans bore interest at a rate per annum equal to the Alternate Base Rate (as defined in the Exit credit agreement) plus 425 basis points. Term Loans that were Eurodollar Loans bore interest at a rate per annum equal to the Adjusted LIBO Rate for the applicable interest period plus 625 basis points while Term Loans that were ABR Loans bore interest at a rate per annum equal to the Alternate Base Rate plus 525 basis points.

On April 6, 2021, the Company finalized the first amendment to the Exit credit agreement. Under the first amendment, the Company reaffirmed its borrowing base of \$140.0 million of the RBL Facility, amended certain financial covenants, and received less restrictive terms, among others, as it relates to the disposition of assets and the use of proceeds from those dispositions.

On July 27, 2021, the Company finalized the second amendment to the Exit credit agreement. Under the second amendment, the Company obtained confirmation that the Term Loan had been paid in full prior to the amendment date and received one-time waivers related to the disposition of assets.

On October 19, 2021, the Company finalized the third amendment to the Exit credit agreement. Under the third amendment, the Company requested, and was granted, a reduction in the RBL Facility borrowing base from \$140.0 million to \$80.0 million in addition to less restrictive terms as it relates to capital expenditures, required hedges, and the use of proceeds from the disposition of certain assets, while also amending certain financial covenants.

On March 30, 2022, the RBL Facility borrowing base of \$80.0 million was reaffirmed.

On July 1, 2022, the RBL Facility borrowing base was automatically reduced to \$31.3 million as a result of closing the Texas Gulf Coast properties sale discussed in Note 4 - Disposition Of Property And Equipment.

On November 1, 2022, the Company finalized the fourth amendment to the Exit credit agreement. Under the fourth amendment, (i) the RBL Facility borrowing base was increased to \$35.0 million, (ii) the lenders party to the agreement were revised to only BOKF, NA dba Bank of Oklahoma, and (iii) the Eurodollar Loan borrowing option was amended to a secured overnight financing rate (SOFR) option. Subsequent to the fourth amendment, Revolving Loans are able to be SOFR Loans or ABR Loans (each as defined in the Exit credit agreement). Revolving Loans that are SOFR Loans bear interest at a rate per annum equal to the Adjusted Term SOFR Rate (as defined in the Exit credit agreement) for the applicable interest period plus 525 basis points while Revolving Loans that are ABR Loans bear interest at a rate per annum equal to the Alternate Base Rate plus 425 basis points.

On March 24, 2023, the Company finalized the fifth amendment to the Exit credit agreement. Under the fifth amendment, the RBL Facility borrowing base of \$35.0 million was reaffirmed and certain references to the Company's equity ownership interests in Superior were removed in anticipation of the sale of our ownership interests in Superior.

The Exit credit agreement requires the Company to comply with certain financial ratios, including: the Net Leverage Ratio (as defined in the Exit credit agreement) as of the last day of any fiscal quarter cannot be greater than 3.25 to 1.00, the Current Ratio (as defined in the Exit credit agreement) as of the last day of any fiscal quarter cannot be less than 1.00 to 1.00, and the Interest Coverage Ratio (as defined in the Exit credit agreement) as of the last day of any fiscal quarter cannot be less than 2.50 to 1.00. The Exit credit agreement also contains provisions, among others, that limit certain capital expenditures, and require certain hedging activities. The Exit credit agreement further requires the Company to provide quarterly financial statements within 45 days after the end of each of the first three quarters of each fiscal year and annual financial statements within 90 days after the end of each fiscal year. As of March 31, 2023, the Company was in compliance with these covenants.

As of March 31, 2023, we had no long-term borrowings and \$2.7 million of letters of credit outstanding under the Exit credit agreement.

**NOTE 10 – ASSET RETIREMENT OBLIGATIONS**

We are required to record the estimated fair value of the liabilities relating to the future retirement of our long-lived assets. Our oil and natural gas wells are plugged and abandoned when the oil and natural gas reserves in those wells are depleted or the wells are no longer able to produce. The plugging and abandonment liability for a well is recorded when the well is drilled or acquired and the obligation is incurred. None of our assets are restricted for purposes of settling these AROs. All our AROs relate to the plugging costs associated with our oil and gas wells.

The following table presents activity for our estimated AROs during the periods indicated:

	<b>Three Months Ended March 31,</b>	
	<b>2023</b>	<b>2022</b>

1. Plugging liability estimates were revised in 2023 and 2022 for updates in the cost of services used to plug wells over the preceding year as well as estimated inflation and discount rates. We had various upward and downward adjustments.

**NOTE 11 – WORKERS' COMPENSATION**

We are liable for workers' compensation benefits for traumatic injuries through our self-insured program to provide income replacement and medical treatment for work-related traumatic injury claims as required by applicable state laws. Workers' compensation laws also compensate survivors of workers who suffer employment related deaths. Our liability for traumatic injury claims is the estimated present value of current workers' compensation benefits, based on our actuarial estimates. Our actuarial calculations are based on a blend of actuarial projection methods and numerous assumptions including claim development patterns, mortality, medical costs and interest rates.

The following table presents activity for our workers' compensation liability during the periods indicated:

	<b>Three Months Ended March 31,</b>	
	<b>2023</b>	<b>2022</b>
	<b>(In thousands)</b>	
Workers' compensation liability, beginning of period	\$ 8,344	\$ 7,925

Less: current portion	1,046	1,169
Long-term workers' compensation liability	<u>\$ 7,066</u>	<u>\$ 6,504</u>

Our workers' compensation liability above is presented on a gross basis and does not include our expected receivables on our insurance policy. Our receivables for traumatic injury claims under these policies as of March 31, 2023 and December 31, 2022 are \$4.8 million and \$4.8 million, respectively, and are included in other assets on our unaudited condensed consolidated balance sheets.

**NOTE 12 – DERIVATIVES**
*Commodity Derivatives*

We have entered into various types of derivative transactions covering some of our projected natural gas, NGLs, and oil production. These transactions are intended to reduce our exposure to market price volatility by setting the price(s) we will receive for that production. Our decisions on the price(s), type, and quantity of our production subject to a derivative contract are based, in part, on our view of current and future market conditions as well as certain requirements stipulated in the Exit credit agreement. Our commodity derivative transactions consisted of the following types of hedges as of March 31, 2023:

- *Swaps.* We receive or pay a fixed price for the commodity and pay or receive a floating market price to the counterparty. The fixed-price payment and the floating-price payment are netted, resulting in a net amount due to or from the counterparty.

We do not engage in derivative transactions for speculative purposes and have not designated any of our hedges for hedge accounting purposes. We are not required to post any cash collateral with our counterparties and no collateral has been posted as of March 31, 2023.

The following non-designated commodity hedges were outstanding as of March 31, 2023:

Remaining Term	Commodity	Contracted Volume	Weighted Average Fixed Price for Swaps	Contracted Market
Apr'23 - Dec'23 <sup>(1)</sup>	Natural gas - swap	22,000 MMBtu/day	\$2.46	IF - NYMEX (HH)
Apr'23 - Dec'23	Crude oil - swap	1,300 Bbl/day	\$43.60	WTI - NYMEX

1. During April 2023, we entered into NYMEX (HH) natural gas - swap agreements averaging 22,000 MMBtu/day for October 2023, November 2023, and December 2023 at a weighted average fixed price of \$3.14 per MMBtu which effectively locked in the settlement price of our outstanding positions for those periods.

*Warrants*

Prior to the determination of the initial exercise price, we recognized the fair value of the warrants as a derivative liability on our unaudited condensed consolidated balance sheets with changes in the liability reported as gain (loss) on change in fair value of warrants in our unaudited condensed consolidated statements of operations. On April 7, 2022, the Company delivered notice of the initial \$63.74 exercise price resulting in the warrants meeting the definition of an equity instrument. Accordingly, we recognized the change in the fair value of the warrant liability in our unaudited condensed consolidated statements of operations and reclassified the \$49.1 million warrant liability to capital in excess of par value on the unaudited condensed consolidated balance sheets as of April 7, 2022. The warrants will continue to be reported as capital in excess of par value and are no longer subject to future fair value adjustments.

The following tables present the recognized derivative assets and liabilities on our unaudited condensed consolidated balance sheets as of the dates indicated:

### NOTE 13 – FAIR VALUE MEASUREMENTS

This disclosure of the estimated fair value of financial instruments is made under accounting guidance for financial instruments. We have determined the estimated fair values by using market information and certain valuation methodologies. Considerable judgment is required in interpreting market data to develop the estimates of fair value. Using different market assumptions or valuation methodologies may have a material effect on our estimated fair value amounts.

The inputs available determine the valuation technique that we use to measure the fair value of the assets and liabilities presented in our unaudited condensed consolidated financial statements. Fair value measurements are categorized into one of three different levels depending on the observability of the inputs used in the measurement. The levels are summarized as follows:

- Level 1—observable inputs such as quoted prices in active markets for identical assets and liabilities.
- Level 2—other observable pricing inputs, such as quoted prices in inactive markets, or other inputs that are either directly or indirectly observable as of the reporting date, including inputs that are derived from or corroborated by observable market data.
- Level 3—generally unobservable inputs which are developed based on the best information available and may include our own internal data or estimates about how market participants would value such assets and liabilities.

*Recurring Fair Value Measurements*

The following tables present our recurring fair value measurements by level as of the dates indicated:

	<b>Balances as of March 31, 2023</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
	<b>(In thousands)</b>			
<b>Financial liabilities:</b>				
Commodity derivative liabilities	\$ —	\$ 12,571	\$ —	\$ 12,571
	<u>\$ —</u>	<u>\$ 12,571</u>	<u>\$ —</u>	<u>\$ 12,571</u>

	<b>Balances as of December 31, 2022</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
	<b>(In thousands)</b>			
<b>Financial liabilities:</b>				
Commodity derivative liabilities	\$ —	\$ 23,566	\$ —	\$ 23,566
	<u>\$ —</u>	<u>\$ 23,566</u>	<u>\$ —</u>	<u>\$ 23,566</u>

The carrying values on the unaudited condensed consolidated balance sheets for cash and cash equivalents, accounts receivable, accounts payable, other current assets, and current liabilities approximate their fair value because of their short-term nature. The following methods and assumptions were used to estimate the fair values of the assets and liabilities in the table above. There were no transfers between Level 2 and Level 3 financial liabilities.

*Commodity Derivatives.* We measure the fair values of our crude oil and natural gas swaps and collars using estimated discounted cash flow calculations based on the NYMEX futures index. We consider these Level 2 measurements within the fair value hierarchy as the inputs in the model are substantially observable over the term of the commodity derivative contract and there is a wide availability of quoted market prices for similar commodity derivative contracts.

We determined that the non-performance risk regarding our commodity derivative counterparties was immaterial based on our valuation at March 31, 2023.

*Warrant Liability.* We used the Black-Scholes option pricing model to measure the fair value of the warrants. Key inputs for the Black-Scholes model include the stock price, exercise price, expected term, risk-free rate, volatility, and dividend yield. We consider this a Level 3 measurement within the fair value hierarchy as estimated volatility is generally unobservable and requires management's estimation.

The following table presents the activity of our recurring Level 3 fair value measurements during the periods presented:

	<b>Three Months Ended March 31,</b>	
	<b>2023</b>	<b>2022</b>

*Nonrecurring Fair Value Measurements*

*ARO.* The initial measurement of ARO at fair value is calculated using discounted cash flow techniques and based on internal estimates of future retirement costs associated with property and equipment. Significant Level 3 inputs used in the calculation of AROs include plugging costs and remaining reserve lives. A summary of the Company's ARO activity is presented in Note 10 – Asset Retirement Obligations.

*Stock-Based Compensation.* We use the Black-Scholes option pricing model to estimate the fair value of stock option grants and modifications while the value of our restricted stock unit grants is based on the grant date closing stock price. Key assumptions for the Black-Scholes models include the stock price, exercise price, expected term, risk-free rate, volatility, and dividend yield. We consider this a Level 3 measurement within the fair value hierarchy as estimated volatility is generally unobservable and requires management's estimation.

See Note 15 - Superior Investment for discussion on the estimated fair value of our retained equity method investment in Superior as of March 1, 2022.

**NOTE 14 – LEASES**

*Operating Leases.* We are a lessee through noncancellable lease agreements for property and equipment consisting primarily of office space, land, vehicles, and equipment used in both our operations and administrative functions.

#### NOTE 15 – SUPERIOR INVESTMENT

On April 3, 2018, we sold 50% of the ownership interest in Superior to SP Investor Holdings, LLC (SP Investor), a holding company jointly owned by OPTrust, and funds managed and/or advised by Partners Group, a global private markets investment manager. Superior is governed and managed under the Amended and Restated Limited Liability Company Agreement (Agreement) and Amended and Restated Master Services and Operating Agreement (MSA). The MSA was between our wholly-owned subsidiary, SPC Midstream Operating, L.L.C. (the Operator), and Superior. As the Operator, we provided services, such as operations and maintenance support, accounting, legal, and human resources to Superior for a monthly service fee of \$0.3 million. Superior's creditors have no recourse to our general credit. Unit is not a party to and does not guarantee Superior's credit agreement. The obligations under Superior's credit agreement are secured by, among other things, mortgage liens on certain of Superior's processing plants and gathering systems.

*Distributions.* The Agreement specified how future distributions were to be allocated among Unit Corporation and SP Investor (the Members). Distributions from Available Cash (as defined in the Agreement) were generally split evenly between the Members prior to December 31, 2021, when the three-year period for Unit's commitment to spend \$150.0 million (Drilling Commitment Amount) to drill wells in the Granite Wash/Buffalo Wallow area ended. The total amount spent by Unit towards the Drilling Commitment Amount was \$24.6 million. Accordingly, SP Investor was entitled to receive 100% of Available Cash distributions related to periods subsequent to December 31, 2021 until the \$72.7 million Drilling Commitment Adjustment Amount (as defined in the Agreement) is satisfied.

The following table presents the distributions paid by Superior to the members during the periods indicated:

Date	Recipient	Amount
<b>Three months ended March 31, 2023</b>		
January 31, 2023	SP Investor	\$11.1 million
<b>Three months ended March 31, 2022</b>		
January 31, 2022	Unit Corporation	\$9.5 million
January 31, 2022	SP Investor	\$9.5 million

The January 2023 distributions paid by Superior reduced the remaining Drilling Commitment Adjustment Amount to \$20.9 million.

After April 1, 2023, either Member had the right to initiate a sale process of Superior to a third-party or a liquidation of Superior's assets (Sale Event). In a Sale Event, the Agreement generally required cumulative distributions to SP Investor in excess of its original \$300.0 million investment sufficient to provide SP Investor a 7% internal rate of return on its capital contributions to Superior before any liquidation distribution is made to Unit. As of March 31, 2023, liquidation distributions paid first to SP Investor of \$329.5 million would have been required for SP Investor to reach its 7% Liquidation IRR Hurdle at which point Unit would then have been entitled to receive up to \$329.5 million of the remaining liquidation distributions to satisfy Unit's 7% Liquidation IRR Hurdle with any remaining liquidation distributions paid as outlined within the Agreement.

*Sale Event.* On April 24, 2023 (the "Superior Sale Date"), we entered into a purchase and sale agreement (the "Superior PSA") with SP Investor under which the Company closed on the sale of its 50% ownership interest in Superior for \$20.0 million. Unit received proceeds of \$12.0 million at closing and is entitled to receive \$8.0 million in deferred proceeds at the earlier of twelve months following the Superior Sale Date or the consummation of a Sale Transaction by SP Investor (as defined in the Superior PSA), subject to Unit's satisfaction of certain ongoing covenant obligations and other customary conditions.

*Consolidation.* From April 3, 2018 to March 1, 2022, we treated Superior as a variable interest entity (VIE) because the equity holders as a group (Unit Corporation and SP Investor) lacked the power to control without the Operator. The Agreement and MSA gave us the power to direct the activities that most significantly affect Superior's operating performance through common control of the Operator. Accordingly, Unit was considered the primary beneficiary and consolidated the financial position, operating results, and cash flows of Superior.

Effective March 1, 2022, the employees of the Operator were transferred to Superior and the MSA was amended and restated to remove the operating services the Operator was providing to Superior. There was no change to the monthly service fee for shared services. The power to direct the activities that most significantly affect Superior's operating performance is now shared by the equity holders (Unit Corporation and SP Investor) rather than held by the Operator. Superior no longer qualifies as a VIE subsequent to these amendments and we no longer consolidate the financial position, operating results, and cash flows of Superior as of, and subsequent to, March 1, 2022.

We subsequently accounted for our investment in Superior as an equity method investment using the hypothetical liquidation book value (HLBV) method, which is a balance sheet approach that calculates the change in the hypothetical amount Unit and SP Investor would be entitled to receive if Superior were liquidated at book value at the end of each period, adjusted for any contributions made and distributions received during the period. We recognized no equity earnings from our investment in Superior during the three months ended March 31, 2023.

*Estimated Fair Value of Equity Method Investment in Superior.* As of the Effective Date, in conjunction with fresh start accounting under ASC Topic 852, *Reorganizations*, the estimated fair value of the net equity attributable to Unit's ownership interest in Superior was \$14.8 million. Since then, Unit has received cumulative distributions from Superior of \$32.6 million, which were recognized as net income attributable to Unit under the HLBV method. As of March 1, 2022, upon deconsolidation of Superior, the fair value of our retained equity method investment in Superior was estimated at \$1.7 million. To estimate this fair value, we simulated paths for Superior's total equity value through the potential sales process initiation date using a Geometric Brownian Motion. The expected value (i.e., average of all simulations) of each security class was then discounted to present value using the relevant risk-free rate. The simulations reflect forecasted future cash distributions as impacted by the Drilling Commitment Adjustment Amount described above, as well as the future liquidation preference of each investor in a potential Sale Event also as described above. We consider this a Level 3 measurement within the fair value hierarchy as the discounted simulation models require the use of significant unobservable inputs.

We recognized a \$13.1 million loss on deconsolidation during the three months ended March 31, 2022 as the difference between the \$1.7 million estimated fair value of our retained equity method investment in Superior as of March 1, 2022 and Superior's net equity attributable to Unit's ownership interest prior to deconsolidation.

*Affiliate Activity.* The table below presents UPC's affiliate activity with Superior during the periods indicated:

	Three Months Ended March 31,	
	2023	2022
	(In thousands)	
Oil and natural gas revenues	\$ 9,757	\$ 16,298
Oil and natural gas operating costs	\$ 528	\$ 767

Portions of the affiliate activity was eliminated for the periods during which Superior was consolidated by Unit.

**NOTE 16 – COMMITMENTS AND CONTINGENCIES**

*Environmental*

We manage our exposure to environmental liabilities on properties to be acquired by identifying existing problems and assessing the potential liability. We also conduct periodic reviews, on a company-wide basis, to identify changes in our environmental risk profile. These reviews evaluate whether there is a probable liability, its amount, and the likelihood that the liability will be incurred. Any potential liability is determined by considering, among other matters, incremental direct costs of any likely remediation and the proportionate cost of employees expected to devote significant time directly to any possible remediation effort. As it relates to evaluations of purchased properties, depending on the extent of an identified environmental problem, we may exclude a property from the acquisition, require the seller to remediate the property to our satisfaction, or agree to assume liability for the remediation of the property.

We have not historically experienced significant environmental liability while being a contract driller since the greatest portion of that risk is borne by the operator. Any liabilities we have incurred have been small and were resolved while the drilling rig was on the location. Those costs were in the direct cost of drilling the well.

*Litigation*

The Company is subject to litigation and claims arising in the ordinary course of business which may include environmental, health and safety matters, commercial disputes with customers, or more routine employment related claims. The Company accrues for such items when a liability is both probable and the amount can be reasonably estimated. As new information becomes available or because of legal or administrative rulings in similar matters or a change in applicable law, the Company's conclusions regarding the probability of outcomes and the amount of estimated loss, if any, may change. Although we are insured against various risks, there is no assurance that the nature and amount of that insurance will be adequate, in every case, to indemnify us against liabilities arising from future legal proceedings.

**NOTE 17 – INCOME TAXES**

The following table presents a reconciliation between the income tax provision computed by applying the federal statutory rate to income before income taxes and our effective income tax expense (benefit) during the periods indicated:

	<b>Three Months Ended March 31,</b>	
	<b>2023</b>	<b>2022</b>
	<b>(In thousands)</b>	
Income tax expense at statutory rate	\$ 12,556	\$ (9,844)

Change in valuation allowance <sup>(1)</sup>	(94,728)	17,974
Revaluation of deferred tax assets and liabilities due to state income tax rate change	5,698	—
Warrant liability revaluation	—	(5,339)
Other permanent items	143	(300)
Income tax expense (benefit)	<u>\$ (74,646)</u>	<u>\$ —</u>

1. The Company reviews available positive and negative evidence to assess the need for a valuation allowance against the Company's deferred tax assets. On the basis of this assessment, a full valuation allowance was recorded against the Company's net deferred tax assets in 2020 and maintained through December 31, 2022. The Company subsequently recorded net income attributable to Unit Corporation of \$148.4 million and \$60.6 million during 2022 and 2021, respectively. After considering these positive results, the resulting significant three-year cumulative income position, and other available positive and negative evidence, the Company determined that it is more likely than not that a portion of the net deferred tax assets would be realized. Accordingly, the Company released a portion of its valuation allowance contributing to a \$94.7 million net change in the valuation allowance during the three months ended March 31, 2023 with a corresponding income tax benefit recorded in our unaudited condensed consolidated statements of operations.

The following table presents the components of our deferred tax assets and liabilities:

	March 31, 2023	December 31, 2022
	(In thousands)	
<b>Deferred tax assets:</b>		
Allowance for losses and nondeductible accruals	\$ 14,048	15,662

Investment in Superior	(389)	(406)
Total deferred tax liabilities	(12,743)	(11,771)
Deferred tax assets, net	\$ 74,836	—

1. As of December 31, 2022, the Company had an expected federal net operating loss carryforward of \$331.4 million of which \$136.4 million is subject to expiration between 2036 and 2037.

2. The Company has retained a partial valuation allowance on its deferred tax assets as of March 31, 2023 primarily due to uncertainty in forecasting the timing of future tax benefit recognition related to certain non-producing oil and gas properties and allowance for losses and nondeductible accruals.

#### NOTE 18 – TRANSACTIONS WITH RELATED PARTIES

One current director, Robert Anderson, also serves as an executive with GBK Corporation, a holding company with numerous energy and industry subsidiaries and affiliates, including Kaiser Francis Oil Company. The Company in the ordinary course of business, made payments for working interests, joint interest billings, and product purchases to, and received payments for working interests, and joint interest billings, from, Kaiser Francis Oil Company.

#### NOTE 19 – INDUSTRY SEGMENT INFORMATION

We have three main business segments offering different products and services within the energy industry:

- *Oil and natural gas* - the oil and natural gas segment is engaged in the acquisition, development, and production of oil, NGLs, and natural gas properties.
- *Contract drilling* - the contract drilling segment is engaged in the land contract drilling of oil and natural gas wells.
- *Mid-Stream* - the mid-stream segment buys, sells, gathers, processes, and treats natural gas and NGLs for third parties and for our own account. We held a 50% ownership interest in Superior as of March 31, 2023, but subsequently sold our interest as discussed in Note 15 - Superior Investment. Subsequent to the deconsolidation of Superior as of March 1, 2022 (as discussed in Note 2 - Summary Of Significant Accounting Policies and Note 15 - Superior Investment), we include our equity method investment in Superior and related earnings in our mid-stream segment.

We evaluate each consolidated segment's performance based on its operating income, which is defined as operating revenues less operating expenses and depreciation, depletion, amortization, and impairment. We have no oil and natural gas production or other operations outside the United States.

The following tables provide certain information about the operations of each of our segments:

## Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

### Introduction

The following discussion should be read together with the condensed consolidated financial statements included in Item 1 of Part I of this report and in Item 8 of our 2022 Form 10-K filed with the SEC on March 17, 2023.

We operate, manage, and analyze the results of our operations through our three principal business segments:

- Oil and Natural Gas – carried out by our subsidiary Unit Petroleum Company. This segment explores, develops, acquires, and produces oil and natural gas properties for our own account.
- Contract Drilling – carried out by our subsidiary Unit Drilling Company. This segment contracts to drill onshore oil and natural gas wells for others and for our own account.
- Mid-Stream – carried out by Superior and its subsidiaries. This segment buys, sells, gathers, processes, and treats natural gas and NGLs for third parties and for our own account. We held a 50% ownership interest in Superior as of March 31, 2023, but subsequently sold our ownership interests on April 24, 2023 as discussed in *Recent Developments* below.

#### *Oil and Natural Gas*

In our oil and natural gas segment, we are optimizing production and converting non-producing reserves to producing with selective drilling activities. We also anticipate continuing to hedge a portion of our future production depending on future market pricing among other factors.

#### *Contract Drilling*

In our contract drilling segment, we are focused on maintaining utilization of our drilling rigs in a safe and efficient manner. All 14 of our BOSS drilling rigs are currently operating. Most of our drilling rigs are contracted for periods of 12 months or less. During the first quarter of 2023, contracts on four BOSS drilling rigs repriced at higher dayrates. Contracts on three BOSS drilling rigs repriced at higher rates during April 2023 and five BOSS drilling rigs are up for renegotiation during the second quarter. Effective December 31, 2022, we reduced the number of total rigs available for use from 21 to 18, reflecting the current market outlook for utilization of SCR rigs.

#### *Mid-Stream*

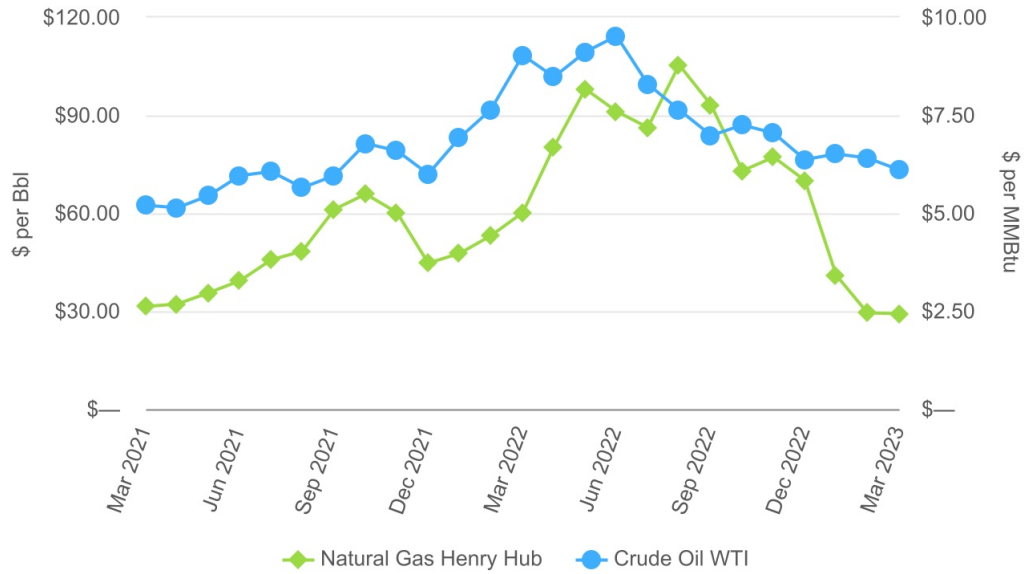

Superior is focused on generating predictable free cash flows with limited exposure to commodity prices in addition to seeking business development opportunities in its core areas utilizing the Superior credit agreement (which Unit is not a party to and does not guarantee) or other financing sources that are available to it. We held a 50% ownership interest in Superior as of March 31, 2023, but subsequently sold our ownership interests on April 24, 2023 as discussed in *Recent Developments* below. We deconsolidated Superior as of March 1, 2022 and subsequently reported our ownership interest as an equity method investment. The part of the following discussion of financial condition and results of operations pertaining to our mid-stream segment during the quarter ended March 31, 2022 includes the two months of consolidated results prior to deconsolidation as of March 1, 2022.

### Recent Developments

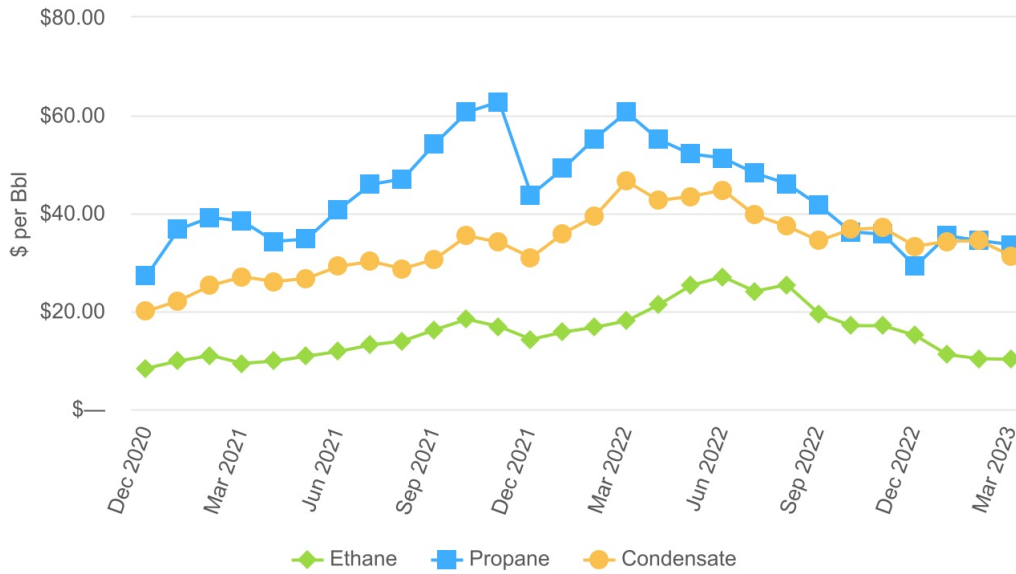

#### *Commodity Price Environment*

The prices we receive for our oil and natural gas production, the demand for oil, natural gas, and NGLs, and the demand for our drilling rigs, which influences the amounts we can charge for those drilling rigs, are all significant drivers of our results. While our operations are all within the United States, events outside the United States affect us and our industry, including political and economic uncertainty and geopolitical activity.

Oil, natural gas, and NGL pricing generally improved during 2021 and much of 2022 as demand recovered from the COVID-19 pandemic while oil supply was negatively impacted by the conflict between Russia and Ukraine as well as restrained production growth from OPEC+, among other factors. Prices generally declined later in 2022 and into 2023 due to growing economic uncertainty and recession concerns, among other factors. Commodity prices have been volatile in recent years and the outlook for future oil and gas prices remains uncertain and subject to many factors. The following chart reflects the significant fluctuations in the historical prices for oil and natural gas:

The following chart reflects the significant fluctuations in the prices for NGLs<sup>(1)</sup>:

1. NGL prices reflect the monthly average Mont Belvieu price.

### *Common Stock Dividends*

On January 5, 2023, the Company announced the declaration of a special cash dividend of \$10.00 per share and has approved a quarterly cash dividend policy beginning in the Company's second quarter. The special dividend was paid on January 31, 2023, to stockholders of record as of the close of business on January 20, 2023. The initial quarterly dividend will be \$2.50 per share to be paid on a date in the Company's second quarter that is yet to be determined. Subsequent quarterly dividends will be issued on a variable rate per share basis as determined by the Company. The special and quarterly cash dividends will be funded by cash on the Company's balance sheet.

The declaration and payment of any future dividend, whether fixed, special, or variable, will remain at the full discretion of the Company's Board of Directors and will depend upon the Company's financial position, results of operations, cash flows, capital requirements, business conditions, future expectations, the requirements of applicable law, and other factors that the Company's Board of Directors finds relevant at the time of considering any potential dividend declaration.

### *Sale of Superior Investment*

On April 24, 2023, we entered into a purchase and sale agreement (the "Superior PSA") with SP Investor under which the Company closed on the sale of its 50% ownership interest in Superior for \$20.0 million. Unit received proceeds of \$12.0 million at closing and is entitled to receive \$8.0 million in deferred proceeds at the earlier of twelve months following the Superior Sale Date or the consummation of a Sale Transaction by SP Investor (as defined in the Superior PSA), subject to Unit's satisfaction of certain ongoing covenant obligations and other customary conditions.

### *Officer Departure and Appointments*

On February 23, 2023, Philip B. Smith notified the Company's Board of Directors of his decision to step down as President and Chief Executive Officer of the Company effective March 31, 2023. His decision to step down was due to his desire to spend more time working on his nonprofit projects and other endeavors. Mr. Smith will continue to serve as Chairman of the Board of Directors.

In connection with Mr. Smith stepping down as President and CEO, the Board of Directors approved (i) a pro-rated vesting of his outstanding time-based equity awards scheduled to vest on the next applicable vesting date based on the number of days worked during the then-current vesting period, and (ii) extending the time that Mr. Smith can exercise his options to the expiration date set forth in his award agreement governing the options.

To fill the vacancy created by Mr. Smith's resignation, on February 28, 2023, the Board of Directors appointed Phil Frohlich as interim Chief Executive Officer, effective April 1, 2023, until the Board of Directors names a successor. Mr. Frohlich has been a member of the Board of Directors since September 3, 2020.

## **Financial Condition and Liquidity**

### *Summary*

Our near-term and long-term financial condition and liquidity primarily depend on the cash flow from our operations and credit agreement borrowings. The principal factors determining our cash flow from operations are:

- the volume of natural gas, oil, and NGLs we produce;
- the prices we receive for our natural gas, oil, and NGLs production;
- the utilization of our drilling rigs; and
- the dayrates we receive for utilization of our drilling rigs.

We currently expect that cash and cash equivalents, cash generated from operations, and available funds under our credit facility will be adequate to support our working capital, capital expenditures, dividend distributions, discretionary stock repurchases, and other cash requirements for at least the next 12 months and we are not aware of any indications that they will not be adequate for the foreseeable periods thereafter.

The table below summarizes cash flow activity during the periods indicated:

	<b>Three Months Ended March 31,</b>		<b>Percent Change</b>
	<b>2023</b>	<b>2022</b>	
	<b>(In thousands except percentages)</b>		
Net cash provided by operating activities	\$ 57,400	\$ 45,810	25 %
Net cash used in investing activities	(4,089)	(12,212)	67 %
Net cash used in financing activities	(96,374)	(9,479)	NM
Net increase (decrease) in cash and cash equivalents	<u>\$ (43,063)</u>	<u>\$ 24,119</u>	

1. NM – A percentage calculation is not meaningful due to a zero-value denominator or a percentage change greater than 200.

#### *Cash Flows from Operating Activities*

Our operating cash flow is primarily influenced by the prices we receive for our oil, NGLs, and natural gas production, the volume of oil, NGLs, and natural gas we produce, settlements of commodity derivative contracts, and third-party dayrates and utilization of our drilling rigs. Our cash flows from operating activities are also affected by changes in working capital.

Net cash provided by operating activities during the first three months of 2023 increased by \$11.6 million as compared to the first three months of 2022 primarily due to a favorable change in derivative settlements, higher operating profit from our contract drilling segment, and favorable net changes in operating assets and liabilities related to the timing of cash receipts and disbursements, partially offset by lower operating profit from our oil and natural gas segment and the absence of operating profit from our mid-stream segment reflecting the March 1, 2022 deconsolidation of Superior.

#### *Cash Flows from Investing Activities*

We anticipate using a portion of our free cash flows for capital expenditures related to our development and production of oil, NGLs, and natural gas as well as the maintenance of our existing drilling rig fleet.

Net cash used in investing activities decreased by \$8.1 million during the first three months of 2023 compared to the first three months of 2022 primarily due to the absence of the 2022 deconsolidation of Superior's cash and cash equivalents, partially offset by lower proceeds received from the disposition of non-core property and equipment.

#### *Cash Flows from Financing Activities*

Net cash used in financing activities increased by \$86.9 million during the first three months of 2023 compared to the first three months of 2022 primarily due to the January 2023 special dividend and dividend equivalents paid, partially offset by the absence of 2022 distributions made by Superior to non-controlling interests. A portion of future cash flows and cash and cash equivalents may be used for future shareholder return activities, including stock repurchases and cash dividends.

As of March 31, 2023, we had unrestricted cash and cash equivalents totaling \$170.9 million and no outstanding borrowings under the Exit credit agreement.

The following table summarizes certain financial condition and liquidity information as of the dates identified:

	<b>March 31, 2023</b>	<b>March 31, 2022</b>
	<b>(In thousands)</b>	
Working capital	\$ 173,362	\$ (37,421)
Current portion of long-term debt	\$ —	\$ —
Long-term debt	\$ —	\$ —
Shareholders' equity attributable to Unit Corporation	\$ 400,675	\$ 141,558

### *Working Capital*

Our working capital balance primarily fluctuates due to the increase or use of our cash and cash equivalents balance, the timing of our trade accounts receivable and accounts payable, and the fluctuation in current assets and liabilities associated with the fair values of our derivative positions. We had positive working capital of \$173.4 million as of March 31, 2023 compared to negative working capital of \$37.4 million as of March 31, 2022. The increase in working capital is primarily due to higher cash and cash equivalents, the absence of the warrant liability, lower current commodity derivative liabilities, and lower accrued liabilities and payables, partially offset by lower accounts receivable. The Exit credit agreement may be used for working capital.

### *Credit Agreement*

*Exit Credit Agreement.* On the Effective Date, the Company entered into an amended and restated credit agreement (the Exit credit agreement), providing for a \$140.0 million senior secured revolving credit facility (RBL Facility) and a \$40.0 million senior secured term loan facility, among (i) the Company, UDC, and UPC (together, the Borrowers), (ii) the guarantors party thereto, including the Company and all of its subsidiaries existing as of the Effective Date (other than Superior and its subsidiaries), (iii) the lenders party thereto from time to time (Lenders), and (iv) BOKF, NA dba Bank of Oklahoma as administrative agent and collateral agent (in such capacity, the Administrative Agent). The maturity date of borrowings under this Exit credit agreement is March 1, 2024.

Our Exit credit agreement is primarily used for working capital purposes as it limits the amount that can be borrowed for capital expenditures. These limitations restrict future capital projects using the Exit credit agreement. The Exit credit agreement also requires that proceeds from the disposition of certain assets be used to repay amounts outstanding.

On April 6, 2021, the Company finalized the first amendment to the Exit credit agreement. Under the first amendment, the Company reaffirmed its borrowing base of \$140.0 million of the RBL, amended certain financial covenants, and received less restrictive terms, among others, as it relates to the disposition of assets and the use of proceeds from those dispositions.

On July 27, 2021, the Company finalized the second amendment to the Exit credit agreement. Under the second amendment, the Company obtained confirmation that the Term Loan had been paid in full prior to the amendment date and received one-time waivers related to the disposition of assets.

On October 19, 2021, the Company finalized the third amendment to the Exit credit agreement. Under the third amendment, the Company requested, and was granted, a reduction in the RBL borrowing base from \$140.0 million to \$80.0 million in addition to less restrictive terms as it relates to capital expenditures, required hedges, and the use of proceeds from the disposition of certain assets, while also amending certain financial covenants.

On March 30, 2022, the RBL Facility borrowing base of \$80.0 million was reaffirmed.

On July 1, 2022, the RBL Facility borrowing base was automatically reduced to \$31.3 million as a result of closing the Texas Gulf Coast properties sale discussed in Note 4 - Disposition Of Property And Equipment.

On November 1, 2022, the Company finalized the fourth amendment to the Exit credit agreement. Under the fourth amendment, (i) the RBL Facility borrowing base was increased to \$35.0 million, (ii) the lenders party to the agreement were revised to only BOKF, NA dba Bank of Oklahoma, and (iii) the Eurodollar Loan borrowing option was amended to a secured overnight financing rate (SOFR) option. Subsequent to the fourth amendment, Revolving Loans are able to be SOFR Loans or ABR Loans (each as defined in the Exit credit agreement). Revolving Loans that are SOFR Loans bear interest at a rate per annum equal to the Adjusted Term SOFR Rate (as defined in the Exit credit agreement) for the applicable interest period plus 525 basis points while Revolving Loans that are ABR Loans bear interest at a rate per annum equal to the Alternate Base Rate plus 425 basis points.

On March 24, 2023, the Company finalized the fifth amendment to the Exit credit agreement. Under the fifth amendment, the RBL Facility borrowing base of \$35.0 million was reaffirmed and certain references to the Company's equity ownership interests in Superior were removed in anticipation of the sale of our ownership interests in Superior.

## Capital Requirements

*Oil and Natural Gas Segment Acquisitions, Capital Expenditures, and Dispositions.* Most of our capital expenditures for this segment are discretionary and directed toward growth. Our decisions to increase our oil, NGLs, and natural gas reserves through acquisitions or through drilling depends on the prevailing or expected market conditions, potential return on investment, future drilling potential, and opportunities to obtain financing, which provide us flexibility in deciding when and if to incur these costs. We participated in the completion of 8 gross wells (0.59 net wells) drilled by other operators during the first three months of 2023 compared to 5 gross wells (0.06 net wells) during the first three months of 2022.

Oil and natural gas segment capital expenditures, including oil and gas properties on the full cost method, for the first three months of 2023 totaled \$1.2 million, excluding a \$0.3 million increase in the ARO liability, compared to \$6.4 million, excluding a \$1.4 million increase in the ARO liability, during the first three months of 2022.

On July 1, 2022, the Company closed on the sale of certain wells and related leases near the Texas Gulf Coast for cash proceeds of \$45.4 million, net of customary closing and post-closing adjustments based on an effective date of April 1, 2022. These proceeds reduced the net book value of our full cost pool with no gain or loss recognized as the sale did not result in a significant alteration of the full cost pool.

On March 8, 2022, the Company closed on the sale of certain non-core wells and related leases located near the Oklahoma Panhandle for cash proceeds of \$3.6 million, net of customary closing and post-closing adjustments based on an effective date of December 1, 2021. These proceeds reduced the net book value of our full cost pool with no gain or loss recognized as the sale did not result in a significant alteration of the full cost pool.

Net proceeds for the sale of other non-core oil and natural gas assets totaled \$0.7 million and \$0.5 million during the three months ended March 31, 2023 and 2022, respectively. These proceeds reduced the net book value of our full cost pool with no gain or loss recognized as the sales did not result in a significant alteration of the full cost pool.

*Contract Drilling Segment Dispositions, Acquisitions, and Capital Expenditures.* Near term capital expenditures are expected to primarily be for maintenance capital on operating drilling rigs. We also continue to pursue the disposal or sale of our non-core, idle drilling rig fleet. Contract drilling capital expenditures totaled \$0.5 million during the first three months of 2023 compared to \$1.0 million during the first three months of 2022.

We sold non-core contract drilling assets for proceeds of \$4.2 million and \$2.2 million during the three months ended March 31, 2023 and 2022, respectively. These proceeds resulted in net gains of \$3.7 million and \$2.1 million during the three months ended March 31, 2023 and 2022, respectively.

*Mid-Stream Capital Expenditures and Acquisitions.* Superior incurred \$1.2 million of consolidated capital expenditures during the two months prior to its March 1, 2022 deconsolidation.

## Derivative Activities

*Commodity Derivatives.* Our commodity derivatives are intended to reduce our exposure to price volatility and manage price risks. Those contracts limit the risk of downward price movements for commodities subject to derivative contracts, but they also limit increases in future revenues that would otherwise result from price movements above the contracted prices. Our decision on the type and quantity of our production and the price(s) of our derivative(s) is based, in part, on our view of current and future market conditions. As of March 31, 2023, based on our first quarter 2023 average daily production, the approximated percentages of our production under derivative contracts are as follows:

	2023 <sup>(1)</sup>	2024 and beyond
Daily oil production	40%	—%
Daily natural gas production	38%	—%

1. During April 2023, we entered into NYMEX (HH) natural gas - swap agreements averaging 22,000 MMBtu/day for October 2023, November 2023, and December 2023 at a weighted average fixed price of \$3.14 per MMBtu which effectively locked in the settlement price of our outstanding positions for those periods.

Using derivative instruments involves the risk that the counterparties cannot meet the financial terms of the transactions. We considered this non-performance risk regarding our counterparties and our own non-performance risk in our derivative valuation at March 31, 2023 and determined there was no material risk at that time. The fair value of the net liabilities we had with Bank of Oklahoma, our only commodity derivative counterparty, was \$12.6 million as of March 31, 2023.

*Warrants.* Prior to the determination of the initial exercise price, we recognized the fair value of the warrants as a derivative liability on our unaudited condensed consolidated balance sheets with changes in the liability reported as loss on change in fair value of warrants in our unaudited condensed consolidated statements of operations. On April 7, 2022, the Company delivered notice of the initial \$63.74 exercise price resulting in the warrants meeting the definition of an equity instrument. Accordingly, we recognized the change in the fair value of the warrant liability in our unaudited condensed consolidated statements of operations and reclassified the \$49.1 million warrant liability to capital in excess of par value on the unaudited condensed consolidated balance sheets as of April 7, 2022. The warrants will continue to be reported as capital in excess of par and are no longer subject to future fair value adjustments. On or about April 25, 2022, the warrants began trading over-the-counter under the symbol "UNTCW". On March 31, 2023, the warrants began trading on the OTCQX Best Market.

Below is the effect of derivative instruments on the unaudited condensed consolidated statements of operations for the periods indicated:

1. NM – A percentage calculation is not meaningful due to a zero-value denominator or a percentage change greater than 200.

### *Oil and Natural Gas*

Oil and natural gas revenues decreased \$39.6 million or 45% during the first quarter of 2023 as compared to the first quarter of 2022 primarily due to lower production volumes and lower commodity realization excluding derivatives. Oil production decreased 26%, natural gas production decreased 18%, and NGLs production decreased 32%. The decrease in volumes was primarily due to the divestiture of certain producing properties during 2022 as well as normal well production declines which have not been offset by new drilling or acquisitions. Excluding derivatives settled, average oil prices decreased 20% to \$73.94 per barrel, average natural gas prices decreased 31% to \$3.11 per Mcf, and NGLs prices decreased 35% to \$21.37 per barrel.

Oil and natural gas operating costs decreased \$6.8 million or 28% between the comparative first quarters of 2023 and 2022 primarily due to lower lease operating expenses on lower production volumes, lower production taxes on lower revenues, and lower employee compensation.

### *Contract Drilling*

Drilling revenues increased \$17.0 million or 59% during the first quarter of 2023 compared to the first quarter of 2022 primarily due to an 8% increase in the average number of rigs in use to 16.8 during the first quarter of 2023 as well as increases to the average dayrates on daywork contracts of 49% and 50% on BOSS rigs and SCR rigs, respectively.

Drilling operating costs increased \$0.6 million or 2% between the comparative first quarters of 2023 and 2022 primarily due to an increase in the average number of operating rigs, partially offset by lower transportation and start up costs associated with bringing stacked rigs back into service.

### *Mid-Stream*

Our mid-stream revenues decreased \$83.2 million or 100% during the first quarter of 2023 as compared to the first quarter of 2022 due to the absence of activity as a result of the March 1, 2022 deconsolidation of Superior.

Operating costs decreased \$73.8 million or 100% during the first quarter of 2023 compared to the first quarter of 2022 due to the absence of activity as a result of the March 1, 2022 deconsolidation of Superior.

### *General and Administrative*

Corporate general and administrative expenses decreased \$0.8 million or 14% during the first quarter of 2023 compared to the first quarter of 2022 primarily due to lower employee compensation, partially offset by higher stock compensation expense.

### *Interest Income*

Interest income increased \$1.7 million during the first quarter of 2023 compared to the first quarter of 2022 primarily due to higher average cash equivalents held as well as higher average interest rates during the quarter ended March 31, 2023 compared to the quarter ended March 31, 2022.

### *Interest Expense*

Interest expense decreased \$0.2 million between the comparative first quarters of 2023 and 2022 primarily due to a decrease in average long-term debt outstanding. Our average debt outstanding decreased \$12.7 million during the first quarter of 2023 compared to the first quarter of 2022 primarily due to the deconsolidation of Superior's outstanding long-term debt.

### *Reorganization Items, Net*

Reorganization items, net represent any of the expenses, gains, and losses incurred subsequent to and as a direct result of the Chapter 11 proceedings.

*Gain (Loss) on Derivatives*

The \$77.7 million favorable change in gain (loss) on derivatives between the comparative first quarters of 2023 and 2022 is primarily due to market pricing changes on unsettled commodity derivative positions and net receipts from commodity derivative settlements driven by lower average market pricing.

*Loss on Change in Fair Value of Warrants*

The \$36.6 million favorable change in loss on change in fair value of warrants between the comparative first quarters of 2023 and 2022 is due to the absence of loss on change in the fair value of the warrants during the first quarter of 2023 following the second quarter 2022 warrant exercise price determination and reclassification of the warrant liability to shareholders' equity.

*Loss on Deconsolidation of Superior*

The \$13.1 million favorable change in loss on deconsolidation between the comparative first quarters of 2023 and 2022 is due to the absence of the loss recognized on the March 1, 2022 deconsolidation of Superior.

*Income Tax Benefit, Net*

The \$74.6 million favorable change in income tax benefit, net between the comparative first quarters of 2023 and 2022 is primarily due to a \$94.7 million decrease in the deferred tax asset valuation allowance primarily driven by a partial valuation allowance release during the first quarter of 2023, partially offset by income tax expense of \$14.2 million, and a \$5.7 million revaluation of deferred tax assets and liabilities due to state income tax rate change. We did not record any income tax expense, net during the first quarter of 2022 due to the Company's full valuation allowance against our net deferred tax assets.

**Item 3. Quantitative and Qualitative Disclosures About Market Risk**

Our operations are exposed to market risks primarily because of changes in commodity prices and interest rates.

*Commodity Price Risk.* Our major market risk exposure is in the prices we receive for our oil, NGLs, and natural gas production. These prices are primarily driven by the prevailing worldwide price for crude oil and market prices applicable to our NGLs and natural gas production. Historically, these prices have fluctuated and we expect this to continue. The prices for oil, NGLs, and natural gas also affect the demand for our drilling rigs and the amount we can charge for the use of our drilling rigs. Based on our first three months of 2023 production, a \$0.10 per Mcf change in what we are paid for our natural gas production, without the effect of hedging, would result in a corresponding \$0.2 million per month (\$2.2 million annualized) change in our pre-tax operating cash flow. A \$1.00 per barrel change in our oil price, without the effect of hedging, would have a \$0.1 million per month (\$1.2 million annualized) change in our pre-tax operating cash flow and a \$1.00 per barrel change in our NGLs prices, without the effect of hedging, would have a \$0.1 million per month (\$1.7 million annualized) change in our pre-tax operating cash flow.

We use derivative transactions to manage the risk associated with price volatility. Our decisions regarding the amount and prices at which we choose to enter into a contract for certain of our products is based, in part, on our view of current and future market conditions. The transactions we use include financial price swaps under which we will receive a fixed price for our production and pay a variable market price to the contract counterparty. We do not hold or issue derivative instruments for speculative trading purposes.

As of March 31, 2023, we had the following commodity derivatives outstanding:

Remaining Term	Commodity	Contracted Volume	Weighted Average Fixed Price for Swaps	Contracted Market
Apr'23 - Dec'23 <sup>(1)</sup>	Natural gas - swap	22,000 MMBtu/day	\$2.46	IF - NYMEX (HH)
Apr'23 - Dec'23	Crude oil - swap	1,300 Bbl/day	\$43.60	WTI - NYMEX

1. During April 2023, we entered into NYMEX (HH) natural gas - swap agreements averaging 22,000 MMBtu/day for October 2023, November 2023, and December 2023 at a weighted average fixed price of \$3.14 per MMBtu which effectively locked in the settlement price of our outstanding positions for those periods.

*Interest Rate Risk.* Our interest rate exposure primarily relates to our cash equivalents held in money market funds comprised of U.S. Government and U.S. Treasury securities and our long-term debt under our credit agreement. Our money market fund holdings accrue interest at variable interest rates. Based on our average cash equivalents subject to a variable rate during the first quarter of 2023, a 1% change in the average effective interest rate on these holdings would change our annual pre-tax cash flow by approximately \$1.5 million. Borrowings under our Exit credit agreement also bear interest at variable interest rates. We had no outstanding borrowings under this facility as of March 31, 2023.

#### **Item 4. Controls and Procedures**

Our management, including our Chief Executive Officer (CEO) and Chief Financial Officer (CFO), does not expect that our disclosure controls and procedures (as defined in Rules 13a - 15(e) and 15d - 15(e) of the Securities Exchange Act of 1934, as amended (the Exchange Act)) (Disclosure Controls) or our internal control over financial reporting (as defined in Rules 13a - 15(f) and 15d - 15(f) of the Exchange Act) will prevent or detect all errors and all fraud. A control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. Further, the design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within the Company have been detected. These inherent limitations include the realities that judgments in decision-making can be faulty, and that breakdowns can occur because of a simple error or mistake. Additionally, controls can be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the controls. The design of any system of controls also is based in part on certain assumptions about the likelihood of future events, and there is no assurance that any design will succeed in achieving its stated goals under all potential future conditions. Because of the inherent limitations in a cost-effective control system, misstatements due to an error or fraud may occur and not be detected. We monitor our Disclosure Controls and internal control over financial reporting and make modifications as necessary; our intent in this regard is that the Disclosure Controls and internal control over financial reporting will be modified as systems change, and conditions warrant.

*Evaluation of Disclosure Controls and Procedures.* As of the end of the period covered by this report, we carried out an evaluation, under the supervision and with the participation of our management, including our CEO and CFO, of the effectiveness of the design and operation of our disclosure controls and procedures under Exchange Act Rule 13a-15. Based on that evaluation, our CEO and CFO concluded that our disclosure controls and procedures were effective as of March 31, 2023.

*Changes in Internal Controls.* There were no changes in our internal control over financial reporting during the quarter ended March 31, 2023, that materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

The Borrowing Base shall be determined in accordance with the standards set forth in Section 2.03(e) and is subject to periodic redetermination pursuant to clauses (b) and (c) below, and mandatory reductions pursuant to clause (d) below.

(b) Calculation of Borrowing Base.

(i) The Company shall deliver to the Administrative Agent and the Revolving Lenders on or before each March 1<sup>st</sup>, beginning March 1, 2021, an Independent Reserve Report dated effective as of the immediately preceding December 31<sup>st</sup>, and such other information as may be reasonably requested by the Administrative Agent with respect to the Oil and Gas Properties included or to be included in the Borrowing Base. In the normal course of business (but in any event within 30 days after the Administrative Agent's and the Revolving Lenders' receipt of

such Independent Reserve Report (and such additional Reserve Report, if any, required under the last sentence of subsection (iv) below) and other information), (A) the Administrative Agent shall deliver to each Revolving Lender the Administrative Agent's recommendation for the redetermined Borrowing Base, (B) the Administrative Agent and the Revolving Lenders shall redetermine the Borrowing Base in accordance with clause (e) below, and (C) the Administrative Agent shall promptly notify the Company in writing of the amount of the Borrowing Base as so redetermined.

(ii) The Company shall deliver to the Administrative Agent and the Lenders, on or before each September 1<sup>st</sup>, beginning September 1, 2020, an Internal Reserve Report or an Independent Reserve Report dated effective as of the immediately preceding June 30<sup>th</sup> and, in each instance, such other information as may be reasonably requested by the Administrative Agent or any Revolving Lender with respect to the Oil and Gas Properties included or to be included in the Borrowing Base. In the normal course of business (but in any event within 30 days after the Administrative Agent's and the Revolving Lenders' receipt of such Internal Reserve Report or Internal Reserve Report (and such additional Reserve Report, if any, required under the last sentence of subsection (iv) below) and other information), (A) the Administrative Agent shall deliver to each Revolving Lender the Administrative Agent's recommendation for the redetermined Borrowing Base, (B) the Administrative Agent and the Revolving Lenders shall redetermine the Borrowing Base in accordance with clause (e) below, and (C) the Administrative Agent shall promptly notify the Company in writing of the amount of the Borrowing Base as so redetermined; provided that no redetermination of the Borrowing Base (other than reductions pursuant to clause (d)) shall occur prior to the First Scheduled Borrowing Base Redetermination (absent the occurrence of any Event of Default).

(iii) In the event that the Company does not furnish to the Administrative Agent and the Revolving Lenders the Independent Reserve Report or Internal Reserve Report or other information specified in clauses (i) and (ii) above by the date specified therein (or such additional Reserve Report, if any, required under the last sentence of subsection (iv) below), the Administrative Agent and the Revolving Lenders may nonetheless redetermine the Borrowing Base and redesignate the Borrowing Base from time to time thereafter in their sole discretion (but subject to clause (e) below) until the Administrative Agent and the Revolving Lenders receive the relevant Independent Reserve Report, Internal Reserve Report, or other information, as applicable, at which time the Administrative Agent and the Revolving Lenders shall redetermine the Borrowing Base as otherwise specified in this Section.

(iv) Each delivery of a Reserve Report by the Company to the Administrative Agent and the Revolving Lenders shall constitute a representation and warranty by the Company to the Administrative Agent and the Revolving Lenders that (A) the Borrowers and the Guarantors, as applicable, own the Oil and Gas Properties specified therein subject to an Acceptable Security Interest to the extent required hereunder (other than any thereof that have been Disposed of since the date of such Reserve Report in a Disposition permitted by this Agreement and noted to the Administrative Agent under the certificate required under Section 5.11(c)) and free and clear of any Liens (except Permitted Liens) and (B) to the knowledge of the Borrowers and the Guarantors on and as of the date of such Reserve Report, each material Oil and Gas Property identified as "proved, developed, producing" was developed for oil and gas, and the material wells pertaining to such Oil and Gas Properties that are described therein as producing wells ("Wells"), were each producing oil and/or gas in paying quantities, except for Wells that were utilized as water or gas injection wells, carbon dioxide wells or as water disposal wells (each as noted in such Reserve Report) or wells that were shut in for maintenance, repair or offset drilling activity (each as noted in such Reserve Report).

(c) Interim Redeterminations. In addition to the scheduled Borrowing Base redeterminations provided for in clause (b) above, commencing after the First Scheduled Borrowing Base Redetermination, the Borrowing Base may be further redetermined by the Revolving Lenders or the Borrowers as follows, in each case, based on such information as the Administrative Agent and the Revolving Lenders deem relevant (but in accordance with clause (e) below):

(i) the Administrative Agent may, and shall at the request of the Majority Revolving Lenders, make one redetermination of the Borrowing Base during any six-month period between scheduled redeterminations; and

(ii) the Administrative Agent shall, at the request of the Borrowers, make one redetermination of the Borrowing Base during any six-month period between scheduled redeterminations.

For the avoidance of doubt, such additional redeterminations of the Borrowing Base shall not constitute nor be construed as a consent to any transaction or proposed transaction that would not be permitted under the terms of this Agreement. The party

requesting the redetermination under this clause (c) shall give the other party at least 5 days' prior written notice that a redetermination of the Borrowing Base pursuant to this clause (c) is to be performed (or such shorter period as each of the Administrative Agent and the Borrowers may agree to in their respective sole discretion); provided that, no such prior written notice shall be required for any redetermination made by the Revolving Lenders during the existence of a Default. In connection with any redetermination of the Borrowing Base under this clause (c), the Borrowers shall provide the Administrative Agent and the Revolving Lenders with such information regarding the Borrowers' and the Guarantors' business (including, without limitation, its Oil and Gas Properties, the Proved Hydrocarbon Interests, and production relating thereto) as the Administrative Agent or any Revolving Lender may reasonably request; provided that, in the case of requests for an increase to the Borrowing Base of an amount in excess of 7.5% of the Borrowing Base then in effect, the request of an updated Independent Reserve Report shall be deemed to be reasonable. The Administrative Agent shall promptly notify the Company in writing of each redetermination of the Borrowing Base pursuant to this clause (c) and the amount of the Borrowing Base as so redetermined.

(d) Mandatory Reductions. Subject only to those certain exceptions from the following that are expressly provided for as part of the Second Amendment BB Reduction Waiver respecting such Disposition of those certain Second Amendment Release Oil and Gas Properties as have been duly approved by the Majority Lenders (as more particularly set forth within the Second Amendment), if any other Trigger Event has the effect of causing the sum of (i) the BB Value of all Dispositions of Oil and Gas Properties made since the date of the most recent Borrowing Base redetermination (including such Trigger Event), (ii) the BB Value of BB Hedges which have been novated, assigned, unwound, terminated, expired or amended since the date of the most recent Borrowing Base redetermination less the BB Value of any new BB Hedges concurrently put in place with the termination of such BB Hedges since the most recent Borrowing Base redetermination (including such Trigger Event), and (iii) the BB Value attributed to Oil and Gas Properties subject to title defects not cured to the satisfaction of the Administrative Agent as provided in Section 5.12 within the 45-day period permitted under Section 5.12 (including such Trigger Event), to exceed 5% of the Borrowing Base then in effect, then effective as of the applicable Trigger Event Date, the Borrowing Base shall be automatically reduced by the BB Value of Oil and Gas Properties and/or BB Hedges, as applicable, that are covered by such Trigger Event as determined by the Administrative Agent. For the avoidance of doubt, the mandatory reduction in the Borrowing Base required under this clause (d) shall not constitute nor be construed as a consent to any transaction or proposed transaction that would not be permitted under the terms of this Agreement.

(e) Standards for Redetermination. The Borrowing Base will be redetermined in accordance with this Section 2.03 on a semi-annual basis on each April 1<sup>st</sup> and October 1<sup>st</sup>, commencing with April 1, 2021. Each redetermination of the Borrowing Base by the Administrative Agent and the Revolving Lenders pursuant to this Section shall be made (i) in the sole discretion of the Administrative Agent and the Revolving Lenders (but in accordance with the other provisions of this clause (e)), (ii) in accordance with the Administrative Agent's and the Revolving Lenders' usual and customary internal standards and practices for valuing and redetermining the value of Oil and Gas Properties in connection with reserve based oil and gas loan transactions, (iii) in conjunction with the most recent Independent Reserve Report or Internal Reserve Report, as applicable, or other information received by the Administrative Agent and the Revolving Lender relating to the Proved Hydrocarbon Interests of the Borrowers and the Guarantors, and (iv) based upon the estimated value of the Proved Hydrocarbon Interest owned by the Borrowers and the Guarantors as determined by the Administrative Agent and the Revolving Lenders. In valuing and redetermining the Borrowing Base, the Administrative Agent and the Revolving Lenders may also consider the business, financial condition, and Indebtedness obligations of the Borrowers and the Guarantors and such other factors as the Administrative Agent and the Revolving Lenders customarily deem appropriate as part of their oil and gas lending criteria, including without limitation, commodity price assumptions, projections of production, operating expenses, general and administrative expenses, capital costs, working capital requirements, liquidity evaluations, dividend payments, environmental costs, and legal costs. In that regard, the Borrowers acknowledge that the determination of the Borrowing Base contains a value cushion (market value in excess of loan value), which is essential for the adequate protection of the Administrative Agent and the Revolving Lenders. Subject to the last sentence of Section 5.18(a), to the extent a Proved Hydrocarbon Interest is not encumbered by an Acceptable Security Interest, such Proved Hydrocarbon Interest shall not be included or considered for inclusion in the Borrowing Base to the extent a Proved Hydrocarbon Interest thereon would be necessary to cause the Administrative Agent to have an Acceptable Security Interest in at least eighty percent (80%) (by value) of the Proved Hydrocarbon Interests and the Oil and Gas Properties relating thereto (i.e., the positive difference, if any, between eighty percent (80%) (by value) of the Proved Hydrocarbon Interests and the Oil and Gas Properties relating thereto and the percentage (by value) of such Proved Hydrocarbon Interests that are or will be substantially contemporaneously with such redetermination of the Borrowing Base encumbered by an Acceptable Security Interest). At all times after the Administrative Agent has given the Borrowers notification of a redetermination of the Borrowing Base under this Section, the Borrowing Base shall be equal to the redetermined amount or such lesser amount irrevocably designated by the Borrowers in their sole discretion and disclosed in writing to the Administrative Agent and the

Revolving Lenders until the Borrowing Base is subsequently redetermined in accordance with this Section, provided that the Borrowers shall not request that the Borrowing Base be reduced to a level that would result in a Borrowing Base Deficiency (without giving effect to the proviso in the definition thereof). Notwithstanding anything herein to the contrary, (x) to the extent the redetermined Borrowing Base is less than or equal to the Borrowing Base in effect prior to such redetermination, such redetermined Borrowing Base must be approved by the Administrative Agent and the Supermajority Revolving Lenders, and (y) to the extent the redetermined Borrowing Base is greater than the Borrowing Base in effect prior to such redetermination, such redetermined Borrowing Base must be approved by the Administrative Agent and all of the Revolving Lenders.

#### SECTION 2.04. Method of Borrowing.

(a) Requests for Borrowings. To request a Borrowing, the Company, as the designated borrowing agent on behalf of all of the Borrowers, shall notify the Administrative Agent of such request by telephone (i) in the case of a SOFR Borrowing, not later than 12:00 noon, Tulsa time, three (3) U.S. Government Securities Business Days prior to the date of the requested Borrowing (or such shorter time period as agreed to by the Administrative Agent in its reasonable discretion), or (ii) in the case of an ABR Borrowing, not later than 12:00 noon, Tulsa time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Borrowing Request in a form approved by the Administrative Agent and signed by the Company. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

- (A) the aggregate amount of the requested Borrowing;
- (B) the date of such Borrowing, which shall be a Business Day;
- (C) whether such Borrowing is to be an ABR Borrowing or a SOFR Borrowing;
- (D) In the case of a SOFR Borrowing, the Interest Period therefor; and
- (E) remittance instructions, which shall comply with the requirements of Section 2.06.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing. If no Interest Period is timely specified with respect to any requested SOFR Borrowing, then the Borrowers shall be deemed to have selected an Interest Period of one month's duration.

(b) Conversions and Continuations. Subject in all events to Section 2.07, in order to elect to convert or continue a Revolving Loan under this paragraph the Company shall notify the Administrative Agent of such election no later than (i) in the case of a proposed conversion to or continuation of a SOFR Borrowing, not later than 12:00 noon, Tulsa time three Business Days (or such shorter time period as agreed to by the Administrative Agent in its reasonable discretion) before the date of the proposed conversion or continuation or (ii) in the case of a conversion to an ABR Borrowing, not later than 12:00 noon, Tulsa time, on the date of the proposed conversion. Each such telephonic Notice of Conversion or Continuation shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Notice of Conversion or Continuation in a form approved by the Administrative Agent and signed by the Company and shall specify the following information in compliance with Section 2.02:

- (A) the requested conversion or continuation date (which shall be a Business Day),
- (B) the amount and Type of the Loan to be converted or continued,
- (C) whether a conversion or continuation is requested and, if a conversion, into what Type of Loan, and
- (D) in the case of a conversion to, or a continuation of, a SOFR Loan, the requested Interest Period.

Promptly after receipt of a Notice of Conversion or Continuation under this paragraph, the Administrative Agent shall provide each applicable Lender with a copy thereof and, in the case of a conversion to or a continuation of a SOFR Loan, notify each applicable Lender of the applicable interest rate. The portion of Loans comprising part of the same Borrowing that are converted to Loans of another Type shall constitute a new Borrowing.

#### SECTION 2.05. Letters of Credit

(a) The Issuer, the Revolving Lenders, and the Borrowers each agrees that effective as of the Closing Date, the Existing Letters of Credit shall be deemed to have been issued and maintained under, and to be governed by the terms and conditions of, this Agreement. Subject to the terms and conditions set forth in this Agreement, the Issuer agrees, in reliance upon the agreements of the other Lenders set forth in this Section 2.05, from time to time on any Business Day during the period from the Closing Date until the Maturity Date, to issue, increase, extend, amend, renew, replace, or refinance the Expiration Date of Letter of Credit for the account of any Credit Party, provided that no Letter of Credit will be issued, increased, amended, renewed, replaced, refinanced or extended:

(i) if such issuance, increase, amendment, renewal, replacement, refinancing or extension would cause the Letter of Credit Exposure to exceed the lesser of (A) the lesser of (1) \$8,000,000 and (2) 10% of the Borrowing Base then in effect and (B) an amount equal to (1) the Revolving Commitments in effect at such time minus (2) the sum of the aggregate outstanding amount of all Revolving Loans and Letter of Credit Obligations;

(ii) if a Borrowing Base Deficiency exists at such time or would result therefrom;

(iii) unless such Letter of Credit has an Expiration Date not later than the earlier of (A) 18 months after its issuance or extension and (B) five Business Days prior to the Scheduled Maturity Date; provided that (1) if the Revolving Commitments are terminated in whole pursuant to Section 2.08, the Borrowers shall either (A) deposit into the Cash Collateral Account cash in an amount equal to 105% of the Letter of Credit Exposure for the Letters of Credit which have an expiry date beyond the date the Commitments are terminated or (B) provide a replacement letter of credit (or other security) reasonably acceptable to the Administrative Agent and the Issuer in an amount equal to 105% of the Letter of Credit Exposure for such Letters of Credit which have an expiry date beyond the date the Revolving Commitments are terminated, and (2) any such Letter of Credit with a one-year tenor may expressly provide for an automatic extension of one additional year so long as such Letter of Credit expressly allows the Issuer, at its sole discretion, to elect not to provide such extension within the time periods agreed to in the applicable Letter of Credit; provided that, in any event, such automatic extension may not result in an Expiration Date that occurs after the fifth Business Day prior to the Scheduled Maturity Date;

(iv) unless such Letter of Credit is a standby letter of credit not supporting the repayment of indebtedness for borrowed money of any Person;

(v) unless such Letter of Credit is in form and substance acceptable to the applicable Issuer in its sole discretion;

(vi) unless the applicable Borrower has delivered to the applicable Issuer a completed and executed Letter of Credit Application and/or other documentation required in connection with such issuance, increase, amendment, renewal, replacement, refinancing or extension;

(vii) unless such Letter of Credit is governed by (A) the Uniform Customs and Practice for Documentary Credits (2007 Revision), International Chamber of Commerce Publication No. 600, or (B) the International Standby Practices (ISP98), International Chamber of Commerce Publication No. 590, in either case, including any subsequent revisions thereof approved by a Congress of the International Chamber of Commerce and adhered to by the applicable Issuer;

(viii) if any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the applicable Issuer from issuing, increasing, amending, renewing, replacing, refinancing or extending such Letter of Credit, or any legal requirement applicable to the applicable Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuer shall prohibit, or request that such Issuer refrain from, the issuance, increase, amendment, renewal, replacement, refinancing or extension of letters of credit generally or such Letter of Credit in particular or shall

impose upon such Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuer is not otherwise compensated hereunder) not in effect on the date hereof, or shall impose upon such Issuer any unreimbursed loss, cost or expense which was not applicable on the date hereof and which such Issuer deems material to it;

(ix) if issuance, increase, amendment, renewal, replacement, refinancing or extension of such Letter of Credit would violate one or more policies of the applicable Issuer applicable to letters of credit generally;

(x) if such Letter of Credit is to be denominated in a currency other than dollars;

(xi) if such Letter of Credit supports the obligations of any Person in respect of (x) a lease of real property, or (y) an employment contract if the Issuer reasonably determines that the applicable Borrower's obligation to reimburse any draws under such Letter of Credit may be limited;

(xii) any Lender is at such time a Defaulting Lender hereunder, unless such Defaulting Lender's Fronting Exposure as to Letters of Credit has been fully reallocated or Cash Collateralized pursuant to Section 2.20 below or the applicable Issuer has entered into other satisfactory arrangements with the Borrowers or such Lender to eliminate such Issuer's risk with respect to such Lender; or

(xiii) the conditions set forth in Section 4.02 are not satisfied.

(b) Upon the date of the issuance, increase, amendment, renewal, replacement, refinancing or extension of a Letter of Credit or the deemed issuance of the Existing Letters of Credit under Section 2.05(a), the Issuer shall be deemed to have sold to each other Revolving Lender and each other Revolving Lender shall have been deemed to have purchased from the Issuer a participation in the related Letter of Credit Obligations equal to such Lender's Applicable Percentage at such date and such sale and purchase shall otherwise be in accordance with the terms of this Agreement. The Issuer shall promptly notify each such participant Revolving Lender by facsimile, telephone, or electronic mail (PDF) of each Letter of Credit issued or increased and the actual dollar amount of such Lender's participation in such Letter of Credit; provided that failure of the Issuer to notify the Revolving Lenders in accordance with this clause (b) shall in no way release, discharge, or otherwise extinguish any Revolving Lender's obligation from funding its participation to the Administrative Agent for the account of the Issuer in accordance with this Section.

(c) A Letter of Credit (other than the issuance of Existing Letters of Credit which are deemed issued hereunder) shall be issued, increased, amended, renewed, replaced, refinanced or extended pursuant to a Letter of Credit Application given by the applicable Borrower to the Administrative Agent and the applicable Issuer by facsimile, electronic mail or other writing not later than 11:00 a.m. (Tulsa time) at least one Business Day before the proposed date of issuance, increase, or extension for the Letter of Credit. Each Letter of Credit Application shall be fully completed and shall specify the information required therein. Each Letter of Credit Application shall be irrevocable and binding on the applicable Borrower.

(d) The Borrowers jointly and severally agree to pay to the Issuer of any Letter of Credit the amount of all Reimbursement Obligations owing to such Issuer in respect of any Letter of Credit in dollars on the date that the Borrowers receive notice from such Issuer (or if such notice is not received prior to 1:00 p.m. Tulsa time on any Business Day, then no later than the next succeeding Business Day) that payment has been made under such Letter of Credit, irrespective of any claim, set-off, defense or other right that any Borrower may have at any time against such Issuer or any other Person.

(e) If any Issuer makes any payment under any Letter of Credit and a Borrower shall not have repaid such amount to such Issuer pursuant to the foregoing clause (d) or any such payment in respect thereof is rescinded or set aside for any reason, such Reimbursement Obligation shall be immediately due and payable with interest thereon computed at the rate of interest *per annum* equal to the rate of interest applicable during such period to Loans that are SOFR Loan plus 3.00%, and such Issuer shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Revolving Lender of such failure, and each Revolving Lender shall promptly and unconditionally pay to the Administrative Agent for the account of such Issuer the amount of such Revolving Lender's Applicable Percentage in dollars and in immediately available funds. If the Administrative Agent so notifies such Revolving Lender prior to 1:00 p.m. Tulsa time on any Business Day, such Revolving Lender shall make available to the Administrative Agent for the account of such Issuer its Applicable Percentage of the amount of such payment on such Business Day in immediately available funds as set forth in the immediately preceding sentence (or, if such notice is not received prior to 1:00 p.m. Tulsa time on any Business Day, then no later than the next succeeding Business Day). Whenever the Issuer receives from a Borrower a payment of a

Reimbursement Obligation as to which the Administrative Agent has received for the account of such Issuer any payment from a Revolving Lender pursuant to this clause (e), such Issuer shall pay to the Administrative Agent and the Administrative Agent shall promptly pay to such Revolving Lender in immediately available funds, an amount equal to such Revolving Lender's Applicable Percentage of the amount of such payment adjusted, if necessary, to reflect the respective amounts the Revolving Lenders have paid in respect of such Reimbursement Obligation.

(f) Each Borrower's obligation to pay each Reimbursement Obligation and the obligations of the applicable Revolving Lenders to make payments to the Administrative Agent for the account of the Issuer with respect to Letters of Credit shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under any and all circumstances whatsoever, including the occurrence of any Default or Event of Default, the existence of a Borrowing Base Deficiency, and irrespective of any of the following:

- (i) any lack of validity or enforceability of any Letter of Credit or any Loan Document, or any term or provision therein;
- (ii) any amendment or waiver of or any consent to departure from all or any of the provisions of any Letter of Credit or any Loan Document;
- (iii) the existence of any claim, set-off, defense or other right that any Borrower, any other party guaranteeing, or otherwise obligated with, any Borrower, any Subsidiary or other Affiliate thereof or any other Person may at any time have against the beneficiary under any Letter of Credit, any Issuer, the Administrative Agent, any Lender or any other Person, whether in connection with this Agreement, any other Loan Document or any other related or unrelated agreement or transaction;
- (iv) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;
- (v) payment by the Issuer under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit; or
- (vi) any other act or omission to act or delay of any kind of the Issuer, the Lenders, the Administrative Agent or any other Person or any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.05, constitute a legal or equitable discharge of a Borrower's obligations hereunder.

Any action taken or omitted to be taken by the Issuer under or in connection with any Letter of Credit, if taken or omitted in the absence of gross negligence or willful misconduct, shall not put such Issuer under any resulting liability to a Borrower or any Lender. In determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof, the Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary and, in making any payment under any Letter of Credit, the Issuer may rely exclusively on the documents presented to it under such Letter of Credit as to any and all matters set forth therein, including reliance on the amount of any draft presented under such Letter of Credit, whether or not the amount due to the beneficiary thereunder equals the amount of such draft and whether or not any document presented pursuant to such Letter of Credit proves to be insufficient in any respect, if such document on its face appears to be in order, and whether or not any other statement or any other document presented pursuant to such Letter of Credit proves to be forged or invalid or any statement therein proves to be inaccurate or untrue in any respect whatsoever. Any noncompliance in any immaterial respect of the documents presented under such Letter of Credit with the terms thereof shall, in any case, be deemed not to constitute willful misconduct or gross negligence of the Issuer. Notwithstanding the foregoing, nothing in this clause (f) shall be deemed to release any Issuer from liability with respect to its gross negligence or willful misconduct.

(g) If and to the extent any Revolving Lender shall not have so made its Applicable Percentage of the amount of the payment required by clause (e) above available to the Administrative Agent for the account of an Issuer, such Revolving Lender agrees to pay to the Administrative Agent for the account of such Issuer forthwith on demand any amount so unpaid together with interest thereon, for the first Business Day after payment was first due at the Federal Fund Effective Rate, and thereafter until such amount is repaid to the Administrative Agent for the account of such Issuer, at the rate *per annum* applicable to SOFR Loans. The failure of any Revolving Lender to make available to the Administrative Agent for the account of an Issuer its Applicable Percentage of any such payment shall not relieve any other Revolving Lender of its

obligation hereunder to make available to the Administrative Agent for the account of such Issuer its Applicable Percentage of any payment on the date such payment is to be made, but no Revolving Lender shall be responsible for the failure of any other Revolving Lender to make available to the Administrative Agent for the account of the Issuer such other Revolving Lender's Applicable Percentage of any such payment.

(h) The Borrowers shall furnish the Administrative Agent with (i) a copy of each Letter of Credit promptly upon the issuance, increase, amendment, renewal, replacement, refinancing or extension of such Letter of Credit and (ii) a copy of any amendment to such Letter of Credit promptly upon the effectiveness of such amendment.

(i) The rules of the ISP shall apply to each standby Letter of Credit, and the rules of the Uniform Customs and Practice for Documentary Credits, most recently published by the International Chamber of Commerce at the time of Issuance shall apply to each commercial Letter of Credit.

(j) If (i) any Event of Default shall occur and be continuing and the Company receives notice from the Administrative Agent or the Majority Revolving Lenders demanding the deposit of Cash Collateral pursuant to this clause (j), (ii) the Borrowers are required to pay to the Administrative Agent the excess attributable to the Letter of Credit Exposure in connection with any prepayment pursuant to Section 2.10(a), or (iii) the Borrowers are required to Cash Collateralize a Defaulting Lender's Letter of Credit Exposure pursuant to Section 2.19(a), then the Borrowers shall pledge and deposit with or deliver to the Administrative Agent (as a first priority, perfected security interest), for the benefit of the Issuer, at a location and pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent, an amount in cash in dollars equal to such Letter of Credit Exposure or excess attributable to such Letter of Credit Exposure, as the case may be, as of such date plus any accrued and unpaid interest thereon. The Borrowers hereby grant to the Administrative Agent, for the benefit of the Issuer and the Lenders, an exclusive first priority and continuing perfected security interest in and Lien on such account and all cash checks, drafts, certificates and instruments, if any, from time to time deposited or held in such account, all deposits or wire transfers made thereto, any and all investments purchased with funds deposited in such account, all interest, dividends, cash, instruments, financial assets and other Property from time to time received, receivable or otherwise payable in respect of, or in exchange for, any or all of the foregoing, and all proceeds, products, accessions, rents, profits, income and benefits therefrom, and any substitutions and replacements therefor. The Borrowers' obligations to deposit amounts pursuant to this clause (j) shall be absolute and unconditional, without regard to whether any beneficiary of any such Letter of Credit has attempted to draw down all or a portion of such amount under the terms of a Letter of Credit, and, to the fullest extent permitted by applicable law, shall not be subject to any defense or be affected by a right of set-off, counterclaim or recoupment which any Credit Party may now or hereafter have against any such beneficiary, any Issuer, the Administrative Agent, the Lenders or any other Person for any reason whatsoever. Such deposit shall be held as collateral securing the payment and performance of any Borrower's and any Guarantor's obligations under this Agreement and the other Loan Documents. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account; provided that investments of funds in such account in investments permitted by clause (a) or (c) under "Permitted Investments" may be made at the option of the Borrowers at their direction, risk and expense. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse, on a pro rata basis, the Issuer for Reimbursement Obligations; and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrowers for the Letter of Credit Exposure at such time or, if the maturity of the Loans has been accelerated, be applied to satisfy other obligations of the Borrowers and the Guarantors, if any, under this Agreement or the other Loan Documents. If the Borrowers are required to provide an amount of Cash Collateral hereunder as a result of the occurrence and continuance of a Event of Default or pursuant to Section 2.20 as a result of a Defaulting Lender, and the Borrowers are not otherwise required to pay to the Administrative Agent the excess attributable to a Letter of Credit Exposure in connection with any prepayment pursuant to Section 2.10(a), then such amount (to the extent not applied as aforesaid) shall be returned to the Borrowers within three Business Days after all Events of Default have been cured or waived or the events giving rise to such Cash Collateralization pursuant to Section 2.20 have been satisfied or resolved.

#### SECTION 2.06. Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 1:00 p.m., Tulsa time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrowers by promptly crediting the amounts so received, in like funds, to an account of the Borrowers maintained with the Administrative Agent designated by the Borrowers in the applicable Borrowing Request.

(b) Unless the Administrative Agent shall have received written notice from a Lender prior to the proposed date of any SOFR Borrowing or prior to 1:00 p.m., Tulsa time, on the date any proposed ABR Borrowing, as applicable, that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith within two Business Days after demand therefor such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrowers, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, the such amount shall constitute such Lender's Loan included in such Borrowing.

#### SECTION 2.07. Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request. Thereafter, the Borrowers may elect to convert such Borrowing to a different Type or to continue such Borrowing as provided in this Section. The Borrowers may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Company, as the designated borrowing agent on behalf of all of the Borrowers, shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.04 if the Borrowers were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Interest Election Request in a form approved by the Administrative Agent and signed by the Company.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (ii) and (iii) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day; and

(iii) with respect to any Borrowing, whether the resulting Borrowing is to be an ABR Borrowing or a SOFR Borrowing.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Company fails to deliver a timely Interest Election Request with respect to a SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default or Borrowing Base Deficiency has occurred and is continuing and the Administrative Agent, at the request of the Majority Lenders, so notifies the Company, then, so long as an Event of Default or a Borrowing Base Deficiency is continuing (A) no outstanding Borrowing may be converted to or continued as a SOFR Borrowing and (B) unless repaid, each SOFR Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.08. Termination and Reduction of Commitments; Aggregate Maximum Revolving Credit Amounts.

(a) RESERVED.

(b) Revolving Commitments.

(i) Unless previously terminated, the Revolving Commitments shall terminate on the Maturity Date. If at any time the aggregate Maximum Revolving Credit Amounts or the Borrowing Base is terminated or reduced to zero, then the Revolving Commitments shall terminate on the effective date of such termination or reduction.

(ii) The Borrowers may at any time terminate in whole or reduce in part the unused portion of the aggregate Maximum Revolving Credit Amounts; provided that (i) each reduction of the aggregate Maximum Revolving Credit Amounts shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 and (ii) the Borrowers shall not terminate or reduce the aggregate Maximum Revolving Credit Amounts if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.10, the outstanding principal amount of the Revolving Outstandings would exceed the total aggregate Maximum Revolving Credit Amounts, as so reduced.

(iii) The Company shall notify the Administrative Agent of any election to terminate or reduce the aggregate Maximum Revolving Credit Amounts under paragraph (b) of this Section at least one (1) Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Revolving Lenders of the contents thereof. Each notice delivered by the Borrowers pursuant to this Section shall be irrevocable; provided that a notice of termination of the aggregate Maximum Revolving Credit Amounts delivered by the Borrowers may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrowers (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the aggregate Maximum Revolving Credit Amounts shall be permanent. Each reduction of the aggregate Maximum Revolving Credit Amounts shall be made ratably among the Revolving Lenders in accordance with their respective Applicable Percentage of aggregate Maximum Revolving Credit Amounts.

SECTION 2.09. Repayment of Loans; Evidence of Debt.

(a) The Borrowers hereby unconditionally promise to pay to the Administrative Agent for the ratable benefit of each Revolving Lender the aggregate outstanding principal amount of the Revolving Loans on the Maturity Date.

(b) RESERVED.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraphs (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein absent manifest error; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement.

(f) The Indebtedness of the Borrowers to each Revolving Lender resulting from Revolving Loans owing to such Revolving Lender shall be evidenced by a Revolving Note, if requested by such Revolving Lender. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 10.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

SECTION 2.10. Prepayment of Loans.

(a) Mandatory Prepayments.

(i) Borrowing Base Deficiency.

(A) Other than as provided in clause (B) below, if a Borrowing Base Deficiency exists, the Company shall take any of the following actions (and the failure of the Company to take such actions to remedy such Borrowing Base Deficiency shall constitute an election of clause (3) below):

(1) prepay the Revolving Loans or, if the Revolving Loans have been repaid in full, make deposits into the Cash Collateral Account to provide Cash Collateral for the Letter of Credit Exposure, such that the Borrowing Base Deficiency is cured within 30 days after the date of such deficiency;

(2) (a) deliver, within 10 days after the date such deficiency notice is received by the Company from the Administrative Agent, written notice to the Administrative Agent indicating the Company's election to pledge as Collateral for the Obligations additional Oil and Gas Properties reasonably acceptable to the Administrative Agent and the Supermajority Revolving Lenders such that the Borrowing Base Deficiency is cured within 30 day after the date of such deficiency and (b) provide such pledge of additional Oil and Gas Properties within such time period (in form and substance reasonably satisfactory to the Administrative Agent);

(3) (a) deliver, within 10 days after the date such deficiency notice is received by the Company from the Administrative Agent, written notice to the Administrative Agent indicating the Company's election to first, repay the Revolving Loans, and second, make deposits into the Cash Collateral Account to provide Cash Collateral for the Letter of Credit Exposure, each in six monthly installments equal to one-sixth of such Borrowing Base Deficiency with the first such installment due 30 days after the date of such deficiency, and each following installment due 30 days after the preceding installment is due (or if earlier, made) and (b) make such payments and deposits within such time periods; or

(4) (a) deliver, within 10 days after the date such deficiency notice is received by the Company from the Administrative Agent, written notice to the Administrative Agent indicating the Company's election to combine the options provided in clauses (2) and (3) above, and also indicating the amount to be prepaid in installments and the amount to be provided as additional Collateral, and (b) make such six equal consecutive monthly installments and deliver such additional Collateral within the time required under clauses (2) and (3) above.

For the avoidance of doubt, (x) unless the Company delivers the requisite written notice to the Administrative Agent of its election under clause (2), (3) or (4) above, the Company is deemed to have elected to cure such Borrowing Base Deficiency as provided in clause (3) above, (y) if a scheduled Borrowing Base redetermination, a Borrowing Base redetermination allowed under Section 2.03(c), or a Borrowing Base redetermination on account of title defects in connection with the Oil and Gas Properties given BB Value (each, an "Additional Trigger") occurs during the existence of a Borrowing Base Deficiency and an incremental Borrowing Base Deficiency amount results as a result of such Additional Trigger, then the Borrowers shall remedy such incremental Borrowing Base Deficiency pursuant to the terms of this clause (a)(i), including, if selected by the Borrowers, with additional six monthly installments as to such incremental amount, and (z) in any event, all outstanding Revolving Loans shall be paid in full on the Maturity Date and all Letter of Credit Exposure shall be Cash Collateralized in an amount equal to 105% of all Letter of Credit Exposure on the Maturity Date.

(B) If the Borrowing Base is reduced under Section 2.03(d) and such reduction results in a Borrowing Base Deficiency, then the Company shall (1) with respect to a Disposition, prepay the Revolving Loans or, if the Revolving Loans have been repaid in full, make deposit into the Cash Collateral Account to provide Cash Collateral for all Letter of Credit Exposure, such that the Borrowing Base Deficiency is cured within one Business Day after the date the proceeds of such Disposition are received and (2) with respect to a Hedge Event, prepay Revolving Loans or, if the Revolving Loans have been repaid in full, make deposits into the Cash Collateral Account to provide Cash Collateral for the Letter of Credit Exposure, such that the Borrowing Base Deficiency is cured on the Business Day the proceeds of such Hedge Event are received.

(C) Each prepayment pursuant to this Section 2.10(a) shall be accompanied by accrued and unpaid interest on the amount prepaid to the date of such prepayment and amounts, if any, required to be paid pursuant to Section 2.15 as a result of such prepayment being made on such date. Each prepayment under this Section 2.10(a) shall be applied to the Revolving Loans as determined by the Administrative Agent and agreed to by the Revolving Lenders in their sole discretion.

(ii) RESERVED.

(iii) Excess Cash. If, at any time when Exposure is greater than zero, the Consolidated Cash Balance exceeds \$15,000,000 (the amount of such excess being referred to as the "Excess Cash") as of the end of the last Business Day of any calendar month, then, on the immediately following Excess Cash Sweep Date, the Borrowers shall prepay the Loans in an amount equal to the amount of all such Excess Cash, applied as follows: *first*, to the Revolving Loans until no Revolving Loans are outstanding; *second*, to the Cash Collateralize the Letter of Credit Obligations; provided, however, that, for the avoidance of doubt and notwithstanding anything to the contrary herein, such prepayment under this Section 2.10(a)(iii) shall be without duplication, and shall take into account in the determination of any Excess Cash, the amounts required to be applied to one or more mandatory prepayment requirements in this Section 2.10(a). Concurrently with the making of such prepayment the Borrowers shall furnish to the Administrative Agent a report in reasonable detail (in form and substance reasonably acceptable to Administrative Agent) setting forth the computation of Excess Cash on such Business Day.

(iv) Reduction of Maximum Revolving Credit Amounts. On the date of each reduction of the aggregate Maximum Revolving Credit Amount pursuant to Section 2.08(b), the Borrowers shall prepay the outstanding amount of the Revolving Loans, and if the Revolving Loans have been repaid in full, make deposits into the Cash Collateral Account to provide Cash Collateral for the aggregate Letter of Credit Exposure, such that, the aggregate unpaid principal amount of all Revolving Loans plus the aggregate Letter of Credit Exposure that has not been Cash Collateralized does not exceed the aggregate Revolving Commitments, as so reduced. Each prepayment pursuant to this clause (iv) shall be accompanied by accrued and unpaid interest on the amount prepaid to the date of such prepayment and amounts, if any, required to be paid pursuant to Section 2.15 as a result of such prepayment being made on such date. Each prepayment under this clause (iv) shall be applied first to ABR Loans and then to SOFR Loans.

Amounts required to be Cash-Collateralized under this Section 2.10(a) are in addition to any other Cash-Collateral requirement hereunder, and no such other obligation shall be satisfied by deposits made pursuant to this Section 2.10(a).

(b) Optional Prepayments. The Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty, but subject to the requirements of Section 2.08 and Section 2.15. The Company shall notify the Administrative Agent by telephone (confirmed by telecopy) of any optional prepayment (i) in the case of a SOFR Borrowing, not later than 12:00 noon, Tulsa time, three Business Days before the date of prepayment or (ii) in the case of prepayment of any ABR Borrowings, not later than 12:00 noon Tulsa time, on the date of such prepayment. Such notice shall be irrevocable and shall specify the prepayment date and the principal amount of the Borrowings or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.08, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.08(b)(iii). Promptly following receipt of any such notice of prepayment, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowings shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.12 and any amount payable under Section 2.15.

(c) RESERVED.

#### SECTION 2.11. Fees.

(a) Commitment Fees.

(i) The Borrowers agree to pay to the Administrative Agent, for the account of each Lender, an upfront fee in an amount equal 1.75% of the aggregate amount of the Revolving Commitment of such Lender, which upfront fees shall be earned and due and payable on the Closing Date.

(ii) Subject to the provisions of Section 2.20, the Borrowers agree to pay to the Administrative Agent, for the account of each Revolving Lender (excluding any Defaulting Lenders), an unused commitment fee (the 'Unused Commitment Fee') equal to 0.50% multiplied by the average daily amount by which such Revolving Lender's Revolving Commitment exceeds the sum of (a) such Revolving Lenders' outstanding Revolving Loans plus (b) such Lender's Letter of Credit Exposure. Such Unused Commitment Fee shall be calculated on the basis of a year consisting of 365 days (or 366 days in a leap year) and shall be payable in arrears on the last day of each fiscal quarter, commencing with the first such date to occur after the Closing Date, and on the Maturity Date for any period then ending for which the Unused Commitment Fee shall not have been previously paid. In the event the Revolving Commitments terminate on any date other than the last day of a fiscal quarter, the Borrowers agree to pay to the Administrative Agent, for the account of each Revolving Lender (excluding any Defaulting Lenders), on the date of such termination, each such Revolving Lender's Unused Commitment Fee due for the period from the last day of the immediately preceding fiscal quarter to the date such termination occurs.

(b) Letter of Credit Fees The Borrowers jointly and severally agree to pay the following amounts with respect to the Letters of Credit deemed issued hereunder:

(i) to the Administrative Agent for the account of the Issuer, with respect to each Letter of Credit issued by such Issuer, an issuance fee of 0.125% *per annum* ("Fronting Fees") of the average daily amount available to be drawn under such Letter of Credit, payable in arrears (A) on the last day of each fiscal quarter and (B) on the Maturity Date;

(ii) to the Administrative Agent for the account and ratable benefit of the Revolving Lenders, with respect to each Letter of Credit, a fee (the "Letter of Credit Participation Fee") accruing at a rate *per annum* equal to 5.25% on the average daily amount available to be drawn under such Letter of Credit payable in arrears (x) on the last day of each fiscal quarter and (y) on the Maturity Date, as applicable; provided, however, that (A) automatically upon the occurrence and during the continuance of an Event of Default under Section 7.01(a), 7.01(c) (but only as to a breach of Section 5.02(a)) or Section 7.01(g), and (B) upon the occurrence and during the continuance of any Event of Default not specified in clause (ii)(A) above, upon the request of the Majority Revolving Lenders, such fee shall be increased by 3.00% *per annum* and shall be payable on demand; and

(iii) to the Issuer of any Letter of Credit, with respect to any amendment or transfer of each Letter of Credit and each drawing made thereunder, documentary and processing charges in accordance with such Issuer's standard schedule for such charges in effect at the time of such amendment, transfer or drawing, as the case may be.

(c) Additional Fees The Borrowers jointly and severally agree to pay to the Administrative Agents, the Issuer, and the Lenders additional fees, the amount and dates of payment of which are embodied in certain fee letters executed and delivered by any Borrower in connection with this Agreement and as may otherwise have been separately agreed upon by any Borrower in writing in connection herewith or therewith.

(d) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent, for its account, or to the Administrative Agent, for distribution to the Lenders, as applicable. Fees paid shall not be refundable under any circumstances, except in the case of any overpayment due to erroneous calculation or invoicing thereof.

#### SECTION 2.12. Interest.

(a) RESERVED.

(b) RESERVED.

(c) Revolving Loans that are ABR Loans shall bear interest at a rate per annum equal to the Alternate Base Rate plus 4.25%.

(d) Revolving Loans that are SOFR Loans shall bear interest at a rate per annum equal to the Adjusted Term SOFR for the Interest Period in effect for such borrowing plus 5.25%.

(e) Notwithstanding the foregoing, (i) automatically upon the occurrence and during the continuance of an Event of Default under Section 7.01(a), Section 7.01(c) (but only as to a breach of Section 5.02(a)) or Section 7.01(g) and (ii) upon the occurrence and during the continuance of any Event of Default not specified in clause (i) above, upon the request of the Majority Lenders, all Loans outstanding at such time shall bear interest, after as well as before judgment, at the rate then applicable to such Loans, plus the Applicable Margin, if any, plus an additional 3.00%, but in no event to exceed the Highest Lawful Rate, and any other Obligations shall bear interest at a rate per annum equal to the interest rate in effect from time to time pursuant to clause (c) above, as applicable, plus 3.00% per annum (the "Default Rate").

(f) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and upon the Maturity Date of such Loan provided that (i) interest accrued pursuant to clause (e) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion. Accrued interest on the amount of all other Obligations shall be payable on demand from time to time as such Obligation becomes due and payable (whether by acceleration or otherwise).

(g) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted Term SOFR or Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(h) Term SOFR Conforming Changes In connection with the use or administration of Term SOFR, the Administrative Agent (in consultation with the Borrowers) will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrowers and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

#### SECTION 2.13. Alternate Rate of Interest.

(a) If prior to the commencement of any Interest Period for a SOFR Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR or the Term SOFR, as applicable, for such Interest Period; or

(ii) the Administrative Agent is advised by the Majority Lenders that the Adjusted Term SOFR or the Term SOFR, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Company, as designated borrowing agent on behalf of all Borrowers, and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Company and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a SOFR Borrowing shall be ineffective, and (ii) if any Borrowing Request requests a SOFR Borrowing, such Borrowing shall be made as an ABR Borrowing.

#### SECTION 2.14. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Other Connection Taxes that are imposed on or measured by net income (however denominated) or that are franchise Taxes or branch profit Taxes) on its loan, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liability or capital attributable thereto; or

(iii) impose on any Lender or the Issuer any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or the Issuer;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal interest or otherwise), then the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay to such Lender the amount shown as due on any such certificate within 10 Business Days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.15. Compensation for Losses. In the event of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default, but excluding payments made pursuant to Section 2.10(a)(iii)), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any SOFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.08(b) and is revoked in accordance therewith) or (d) the assignment of any SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.18, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event, including any loss, cost or expense to any Lender arising from the liquidation or redeployment of funds from any fees payable. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

SECTION 2.16. Taxes.

(a) General. Any and all payments by or on account of any Credit Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction and withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by any Credit Party shall be

increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings of Indemnified Taxes applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrowers. The Borrowers shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Indemnified Taxes by any Credit Party to a Governmental Authority, the Borrowers shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Borrowers. The Borrowers shall jointly and severally indemnify each Recipient for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts paid or payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this clause (d) shall be paid within 10 days after a certificate as to the amount of such payment or liability is delivered to the Company by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender. Such certificate shall be conclusive of the amount so paid or payable absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrowers to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are paid or payable by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this clause (e) shall be paid within 10 days after the Administrative Agent or the applicable Credit Party (as applicable) delivers to the applicable Lender a certificate stating the amount of Taxes so paid or payable by the Administrative Agent or the Borrowers (as applicable). Such certificate shall be conclusive of the amount so paid or payable absent manifest error.

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from, or reduction of withholding Tax with respect to any payments made under any Loan Document shall deliver to the Borrowers and the Administrative Agent, at the time or times prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without, or at a reduced rate of, withholding. In addition, any Lender, if requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to any withholding (including backup withholding) or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences and except as otherwise required by applicable law, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.16(f)(ii)(A), (ii)(B) and (ii)(D) of this Section) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Upon the reasonable request of the Borrowers or the Administrative Agent, any Lender shall update any form or certification previously delivered pursuant to this Section 2.16(f). If any form or certification previously delivered pursuant to this Section expires or becomes obsolete or inaccurate in any respect with respect to a Lender, such Lender shall promptly (and in any event within 10 days after such expiration, obsolescence or inaccuracy) notify such Borrower and the Administrative Agent in writing of such expiration, obsolescence or inaccuracy and update the form or certification if it is legally eligible to do so.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to such Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a party hereto (and from time to time thereafter upon the reasonable request of such Borrower and the Administrative Agent), duly completed and executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to such Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a party hereto (and from time to time thereafter upon the reasonable request of any Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) in the case of a Foreign Lender for whom payments under this Agreement constitute income that is effectively connected with such Lender's conduct of a trade or business in the United States, IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, both (x) an IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, and (y) a certificate substantially in the form of Exhibit F-1 (U.S. Tax Certificate) to the effect that such Lender is not (a) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (b) a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code (c) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and (d) conducting a trade or business in the United States with which the relevant interest payments are effectively connected;

(4) to the extent a Foreign Lender is not the Beneficial Owner of payments made under this Agreement (including a partnership or a participating Lender) executed copies of (x) an IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a Tax Compliance Certificate substantially in the form of Exhibit F-2 or Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided, that if the Lender is a partnership and one or more of its direct or indirect partners are claiming the exemption for portfolio interest under Section 881(c) of the Code, such Lender may provide a U.S. Tax Certificate substantially in the form of Exhibit F-4 on behalf of such direct and indirect partners; or

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to such Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a party hereto (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), executed copies of any other form prescribed by law as a basis for claiming exemption from, or a reduction of, U.S. federal withholding Tax, duly completed, together with such supplementary documentation necessary to enable the Borrowers or the Administrative Agent to determine the amount of withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrowers and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers and the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers and the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA, to determine that such Lender has or has not complied with such Lender's obligations under FATCA and, as necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.15(f)(ii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender and the Administrative Agent agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrowers and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts paid pursuant to this Section 2.16), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made, or such Other Taxes paid under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid to such indemnified party pursuant to this clause (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything herein to the contrary in this clause (g), in no event will any indemnified party be required to pay any amount to any indemnifying party pursuant to this clause (g) to the extent that such payment would place such indemnified party in a less favorable position (on a net after-Tax basis) than such indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This clause (g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 2.16 shall survive any assignment of rights by, or the replacement of, a Lender, and the Discharge of Obligations.

#### SECTION 2.17. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) The Borrowers shall make each payment required to be made by it hereunder (whether of principal, interest, or fees, or of amounts payable under Section 2.14, 2.15 or 2.16, or otherwise) prior to 12:00 p.m. noon, Tulsa time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices as set forth in Section 10.01(a), except that payments pursuant to Sections 2.14, 2.15 or 2.16 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) Subject to Section 7.03, if at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant other than to any Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against any Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of any Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(e), 2.06(b), 2.17(d) or 10.03, then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender and for the benefit of the Administrative Agent to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account over which the Administrative Agent shall have exclusive control as cash collateral for, and application to, any future funding obligations of such Lender under such Sections; in the case of each of (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

#### SECTION 2.18. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.14, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.14 or Section 2.16, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.14, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, or if any Lender becomes a Defaulting Lender, or if any Lender fails to execute an amendment or waiver with respect to the Loan Documents that is executed by the Supermajority Lenders, then the Borrowers may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrowers shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.14 or payments required to be made pursuant to Section 2.16, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

#### SECTION 2.19. Cash Collateral.

(a) Certain Credit Support Events At any time that there shall exist a Revolving Lender that is a Defaulting Lender, promptly (but in any event within five Business Days) after the request of the Administrative Agent or any Issuer, the Borrowers shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover all Fronting Exposure (after giving effect to Section 2.20(b)) and any cash collateral provided by the Defaulting Lender).

(b) Grant of Security Interest All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in blocked deposit or securities accounts at the Administrative Agent. To the extent provided by the Borrowers, the Borrowers, and to the extent provided by any Revolving Lender, such Revolving Lender, hereby grants to (and subjects to the control of) the Administrative Agent, for the benefit of the Administrative Agent, the Issuer and the Revolving Lenders, a security interest in all such cash, deposit and securities accounts and all balances therein, and in all

proceeds of the foregoing, and to maintain such security interest as a first-priority security interest, all as security for the obligations to which such Cash Collateral may be applied pursuant to clause (c) below. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the Borrowers or the relevant Defaulting Lender will, promptly (but in any event within five Business Days) after demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(c) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided hereunder in respect of Letters of Credit shall be held and applied to the satisfaction of the specific Letter of Credit Obligations, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which such Cash Collateral was so provided, prior to any other application of such property as may be provided for herein.

(d) Release. Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the Revolving Lender (or, as appropriate, its assignee following compliance with Section 10.04(b)) or (ii) the Administrative Agent's good faith determination that there exists excess Cash Collateral; provided, however, that (x) Cash Collateral furnished by or on behalf of a Credit Party shall not be released during the continuance of a Default or Event of Default (and following application as provided in this Section 2.19 may be otherwise applied in accordance with Section 7.03) and (y) the Person providing Cash Collateral and the relevant Issuer may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

SECTION 2.20. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.11;

(b) for purposes of computing the amount of the obligation of each Lender that is a non-Defaulting Lender to fund participations in Letters of Credit pursuant to Section 2.05, the "Applicable Percentage" of each Lender that is a non-Defaulting Lender shall be computed without giving effect to the Commitment of that Defaulting Lender; provided that, (i) each such reallocation shall be given effect only if, at the date the Lender becomes a Defaulting Lender, no Default or Event of Default exists; and (ii) the aggregate obligation of a non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit shall not exceed the positive difference, if any, of (1) the Letter of Credit Commitment of that non-Defaulting Lender minus (2) the aggregate Letter of Credit Obligations of that Lender;

(c) if the reallocation described in clause (b) cannot, or can only partially, be effected, then the Borrowers shall within one Business Day following notice by the Administrative Agent Cash Collateralize for the benefit of the Issuer only the Borrowers' obligations corresponding to such Defaulting Lender's Letter of Credit Exposure (after giving effect to any partial reallocation pursuant to clause (b)) in accordance with the procedures set forth in Section 2.05 for so long as such Letter of Credit Exposure is outstanding and the relevant Defaulting Lender remains a Defaulting Lender;

(d) (i) if the Borrowers Cash Collateralize any portion of such Defaulting Lender's Letter of Credit Exposure pursuant to clause (c), then the Borrowers shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.11(b) with respect to such Defaulting Lender's Letter of Credit Exposure during the period such Defaulting Lender's Letter of Credit Exposure is Cash Collateralized; (ii) if the Letter of Credit Exposure of the non-Defaulting Lenders reallocated pursuant to clause (b), then the fees payable to the Lenders pursuant to Section 2.11(a) and (b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; or (iii) if all or any portion of such Defaulting Lender's Letter of Credit Exposure is neither Cash Collateralized nor reallocated pursuant to clause (b) or (c), then, without prejudice to any rights or remedies of the Issuer or any Lender hereunder, all commitment fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Letter of Credit Exposure) and letter of credit fees payable under Section 2.11(b) with respect to such Defaulting Lender's Letter of Credit Exposure shall be payable to the applicable Issuer until such Letter of Credit Exposure is Cash Collateralized and/or reallocated;

(e) the Commitment and Loans of such Defaulting Lender shall not be included in determining whether all Lenders, the Majority Lenders, the Majority Revolving Lenders, the Supermajority Lenders, or the Supermajority Revolving Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 10.02); provided that (i) such Defaulting Lender's Commitment may not be increased or extended without its consent and (ii) the principal amount of, or interest or fees payable on, Loans may not be reduced or excused or the scheduled date of payment may not be postponed as to such Defaulting Lender without such Defaulting Lender's consent; and

(f) no Issuer shall be required to issue, increase, amend, renew, replace, refinance or extend any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

SECTION 2.21. Inability to Determine Rates Subject to Section 2.12(h) and Section 2.23, if, on or prior to the first day of any Interest Period for any SOFR Loan:

(a) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Adjusted Term SOFR" cannot be determined pursuant to the definition thereof, or

(b) the Majority Revolving Lenders determine that for any reason in connection with any request for a SOFR Loan or a conversion thereto or continuation thereof that Adjusted Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan does not adequately and fairly reflect the cost to such Lenders of making and maintaining such Loan, and the Majority Revolving Lenders have provided notice of such determination to the Administrative Agent,

then, in any such aforesaid case, the Administrative Agent will promptly so notify the Borrowers and each Lender.

Upon notice thereof by the Administrative Agent to the Borrowers, any obligation of the Lenders to make SOFR Loans, and any right of the Borrowers to continue SOFR Loans or to convert ABR Loans to SOFR Loans, shall be suspended (to the extent of the affected SOFR Loans or affected Interest Periods) until the Administrative Agent (with respect to clause (b), at the instruction of the Majority Revolving Lenders) revokes such notice. Upon receipt of such notice, (i) the Borrowers may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans (to the extent of the affected SOFR Loans or affected Interest Periods) or, failing that, the Borrowers will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans in the amount specified therein and (ii) any outstanding affected SOFR Loans will be deemed to have been converted into ABR Loans at the end of the applicable Interest Period. Upon any such conversion, the Borrowers shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 2.15. Subject to Section 2.23, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Adjusted Term SOFR" cannot be determined pursuant to the definition thereof on any given day, the interest rate on ABR Loans shall be determined by the Administrative Agent without reference to clause (c) of the definition of "Alternate Base Rate" until the Administrative Agent revokes such determination.

SECTION 2.22. Illegality. If any Lender or the Issuer determines that any Governmental Requirement has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or the Issuer, or any such Person's applicable lending office, to make, maintain or fund Loans (including Letters of Credit) whose interest is determined by reference to SOFR, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, or to determine charge interest based upon SOFR, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, then, upon notice thereof by such Lender to the Borrower (through the Administrative Agent) (an "Illegality Notice"), (a) any obligation of the Lenders to make SOFR Loans, and any right of the Borrowers to continue SOFR Loans or to convert ABR Loans to SOFR Loans, shall be suspended, and (b) the interest rate on which ABR Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (c) of the definition of "Alternate Base Rate", in each case until each affected Lender or the Issuer notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of an Illegality Notice, the Borrowers shall, if necessary to avoid such illegality, upon demand from any Lender or the Issuer (with a copy to the Administrative Agent), prepay or, if applicable, convert all SOFR Loans to ABR Loans (the interest rate on which ABR Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (c) of the definition of "Alternate Base Rate"), on the last day of the Interest Period therefor, if all affected Lenders may lawfully continue to maintain such SOFR Loans to such day, or immediately, if any Lender may not lawfully continue to maintain such SOFR Loans to such day. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.15.

SECTION 2.23. Benchmark Replacement Setting.

(a) Benchmark Replacement.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Borrowers may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York City time) on the fifth (5<sup>th</sup>) Business Day after the Administrative Agent has posted such proposed amendment to all affected Lenders and the Borrowers so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Majority Revolving Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 2.23(a)(i) will occur prior to the applicable Benchmark Transition Start Date.

(ii) No Swap Agreement shall constitute a "Loan Document" for purposes of this Section 2.23.

(b) Benchmark Replacement Conforming Changes In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent (in consultation with the Borrowers) will have the right to make Conforming Changes from time to time and notwithstanding anything to the contrary herein (including Section 10.02) or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) Notices; Standards for Decisions and Determinations The Administrative Agent will promptly notify the Borrowers and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrowers of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.23(d) and (v) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.23, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.23.

(d) Unavailability of Tenor of Benchmark Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period Upon the Borrowers' receipt of notice of the commencement of a Benchmark Unavailability Period, (i) the Borrowers may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrowers will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans and (ii) any outstanding affected SOFR Loans will be deemed to have been converted to ABR Loans at the end of the applicable Interest Period. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

ARTICLE III  
REPRESENTATIONS AND WARRANTIES

Each Borrower and each Subsidiary party hereto hereby represents and warrants to the Lenders that:

SECTION 3.01. Existence; Organization; Powers Each Borrower and each Subsidiary: (a) is duly organized or formed, legally existing and in good standing, if applicable, under the laws of the jurisdiction of its formation, except as to any Subsidiary where the failure to so exist or remain in good standing could not reasonably be expected to have a Material Adverse Effect, (b) has all requisite power and authority, and has all material governmental licenses, authorizations, consents and approvals necessary to own its assets and carry on its business as now being or as proposed to be conducted, except where failure to have such power and authority could not reasonably be expected to have a Material Adverse Effect, and (c) is qualified to do business in all jurisdictions in which the nature of the business conducted by it makes such qualification necessary and where failure so to qualify could reasonably be expected to have a Material Adverse Effect.

SECTION 3.02. Authorization; Enforceability. (a) Each Borrower and each Subsidiary have all necessary power and authority to execute, deliver and perform its obligations under this Agreement and the Loan Documents to which it is a party, and (b) the execution, delivery and performance by each Borrower and each Subsidiary of this Agreement and the Loan Documents to which it is a party have been duly authorized by all necessary corporate, limited liability company or partnership action, and this Agreement and the Loan Documents constitute the legal, valid and binding obligations of each Borrower and each Subsidiary party thereto, enforceable in accordance with their terms, except as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting the rights of creditors generally and general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03. Governmental Approvals; No Conflicts No authorizations, approvals or consents of, and no filings or registrations with, any Governmental Authority or any third Person are necessary for the execution, delivery or performance by each Borrower or any Subsidiary of this Agreement or the Loan Documents or for the validity or enforceability thereof, except for (a) the filing of UCC-1 Financing Statements and Mortgages in the appropriate state and county filing offices, (b) those consents and approvals that have been obtained or made on or prior to the date hereof and that are in full force and effect, and (c) those third party approvals or consents which, if not made or obtained, would not cause a Default hereunder, could not reasonably be expected to have a Material Adverse Effect and do not have an adverse effect on the enforceability of the Loan Documents. Neither the execution and delivery of this Agreement or any Loan Document, nor compliance with the terms and provisions hereof or thereof, will conflict with or result in a breach of, or require any consent that has not been obtained as of the Closing Date under, the respective Organizational Documents of each Borrower or any Subsidiary, any Governmental Requirement, or any other material agreement or instrument to which each Borrower or any Subsidiary is a party or by which it is bound or to which it or its Properties are subject, or result in the creation or imposition of any Lien upon any of the revenues or assets of each Borrower or any Subsidiary other than the Liens created by the Loan Documents or expressly permitted hereby.

SECTION 3.04. Financial Condition; No Material Adverse Effect.

(a) The Company has heretofore furnished to the Administrative Agent and the Lenders its consolidated balance sheet, and the related consolidated or condensed consolidated, as applicable, statements of income, cash flows and shareholders' equity of the Company and its Subsidiaries as of and for the fiscal year ended December 31, 2019, audited by PricewaterhouseCoopers, independent certified public accountants, certified by an Authorized Officer that such financial statements present fairly in all material respects, the financial condition and results of operations of the Company and its Subsidiaries as of such dates and for such periods. Such financial statements were prepared in accordance with GAAP applied on a consistent basis (subject to the absence of footnote disclosure and normal year-end audit adjustments other than as expressly set forth therein).

(b) Since the date of the audited financial statements of the Company that have most recently been delivered pursuant to Section 5.01(a), there has been no event or development that has had or could reasonably be expected to have a Material Adverse Effect.

(c) Except as disclosed to the Administrative Agent in writing or as referred to, reflected in, or provided for the financial statements provided thereto, none of the Borrowers or any Subsidiary has any material contingent liabilities, material liabilities for taxes, unusual and material forward or long-term commitments or material unrealized or anticipated

losses from any unfavorable commitments, except as referred to or reflected or provided for in the consolidated balance sheets of the Company or as otherwise disclosed to the Lenders or their advisors in writing.

#### SECTION 3.05. Properties.

(a) Each of the Borrowers and the Subsidiaries has good and defensible title to its material Oil and Gas Properties and other material real Properties and good title to its material personal Properties, in each case, free and clear of all Liens except Liens permitted by Section 6.02. In addition, the Credit Parties have good and defensible title to all Oil and Gas Properties evaluated in the most recently delivered Reserve Report (other than any thereof disposed of in a disposition permitted by this Agreement or otherwise expiring in the ordinary course of business in accordance with the terms thereof). As of the date of delivery of each Reserve Report pursuant to Section 5.11, after giving full effect to Liens permitted by Section 6.02, the Borrowers or any Subsidiary, as applicable, specified as the owner owns the net interests in production attributable to the Hydrocarbon Interests as reflected in the most recently delivered Reserve Report, and the ownership of such Properties shall not in any material respect obligate such Borrower or such Subsidiary to bear the costs and expenses relating to the maintenance development and operations of each such Property in an amount in excess of the working interest of each Property set forth in the most recently delivered Reserve Report that is not offset by a corresponding proportionate increase in such Borrower's or such Subsidiary's net revenue interest in such Property.

(b) Except as set forth on Schedule 3.05, all material Contracts necessary for the conduct of the business of the Borrowers and the Subsidiaries are valid and subsisting, in full force and effect. SECTION 8.08. Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Borrower or any of its Subsidiaries, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of any Borrower or any Credit Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

SECTION 8.11. Indemnification. Each Lender agrees to indemnify the Administrative Agent and the Issuer (in such capacities) and each of their respective Affiliates, and each of their respective Related Parties (to the extent not reimbursed by the Borrowers), from and against such Lender's aggregate Applicable Percentage (determined at the time such indemnity is made) of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements (including fees, expenses and disbursements of financial and legal advisors) of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against, the Administrative Agent or the Issuer or any of their respective Related Parties in any way relating to or arising out of this Agreement or the other Loan Documents or any action taken or omitted by the Administrative Agent, or the Issuer under this Agreement or the other Loan Documents; provided, however, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's or such Issuer's or such Related Party's gross negligence or willful misconduct. Without limiting the foregoing, each Lender agrees to reimburse the Administrative Agent, or the Issuer, as applicable, promptly upon demand for its Applicable Percentage (determined at the time such reimbursement is made) of any out-of-pocket expenses (including fees, expenses and disbursements of financial and legal advisors) incurred by the Administrative Agent, or the Issuer, as applicable, in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of its rights or responsibilities under, this Agreement or the other Loan Documents, to the extent that the Administrative Agent, or the Issuer, as applicable, is not reimbursed for such expenses by the Borrowers or another Credit Party.

## ARTICLE IX

### GUARANTY

SECTION 9.01. The Guaranty. Subject to Section 9.08 hereof, each Borrower and each Subsidiary thereof party hereto hereby absolutely, unconditionally and irrevocably guarantees, as primary obligor and not as surety, jointly and severally, the full and punctual payment when due (whether at stated maturity, upon acceleration, early termination, demand, declaration or otherwise, and at all times thereafter), and performance of, the Obligations, including but not limited to, any and all obligations owed to any Lender Swap Counterparty under each Lender Swap Agreement or any Bank Product Provider with respect to an Bank Product Obligations now or hereafter existing or and all renewals, rearrangements, increases, extensions for any period, substitutions, modifications amendments or supplements in whole or in part of any of the Obligations, including, without limitation, any such Obligations incurred or accrued during the pendency of any bankruptcy, insolvency, receivership or other similar proceeding, whether or not allowed or allowable in such proceeding (including all such amounts that would become due but for the operation of the automatic stay under Section 362(a) of the United States Bankruptcy Code, 11 U.S.C. §362(a), and the operation of Sections 502(b) and 506(b) of the United States Bankruptcy Code, 11 U.S.C. §502(b) and §506(b)) (collectively, the Guaranteed Obligations). Upon failure by any Credit Party to pay when due any such amount, each of the Guarantors agrees that it shall forthwith on demand pay to the Administrative Agent for the benefit of the Lenders and, if applicable, their Affiliates, the amount not so paid at the place and in the manner specified in this Agreement, any other Loan Document, any Lender Swap Agreement, as the case may be. This Guaranty is a guaranty of payment and not of collection. Each of the Guarantors waive any right to require the Secured Parties to sue any Borrower, any other guarantor, or any other Person obligated for all or any part of the Guaranteed Obligations or otherwise to enforce its payment against any collateral securing all or any part of the Guaranteed Obligations.

SECTION 9.02. Guaranty Unconditional. Subject to Section 9.08 hereof, the obligations of each of the Guarantors hereunder shall be unconditional, absolute and irrevocable and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by:

(a) any extension, renewal, settlement, compromise, waiver or release in respect of any of the Guaranteed Obligations, by operation of law or otherwise, or any obligation of any other guarantor of any of the Guaranteed Obligations, or any default, failure or delay, willful or otherwise, in the payment or performance of the Guaranteed Obligations;

(b) any modification or amendment of or supplement to this Agreement, any other Loan Document, or any Lender Swap Agreement;

(c) any addition, release, non-perfection or invalidity of any direct or indirect security for any obligation of the Borrowers under this Agreement, any other Loan Document, any Lender Swap Agreement, any document evidencing Bank Product Obligations, or any obligations of any other guarantor of any of the Guaranteed Obligations, or any action or failure to act by the Administrative Agent, any Lender or any Affiliate of any Lender with respect to any collateral securing all or any part of the Guaranteed Obligations;

(d) any change in the corporate existence, structure or ownership of any Borrower or any other guarantor of any of the Guaranteed Obligations, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Borrower, or any other guarantor of the Guaranteed Obligations, or its assets or any resulting release or discharge of any obligation of any Borrower, or any other guarantor of any of the Guaranteed Obligations;

(e) the existence of any claim, setoff or other rights which the Guarantors may have at any time against any Borrower, any other guarantor of any of the Guaranteed Obligations, the Administrative Agent, any Lender or any other Person, whether in connection herewith or any unrelated transactions;

(f) any invalidity or unenforceability relating to or against any Borrower, or any other guarantor of any of the Guaranteed Obligations, for any reason related to this Agreement, any other Loan Document, any Lender Swap Agreement, any Bank Product Obligations, or any provision of applicable law or regulation purporting to prohibit the payment by any Borrower, or any other guarantor of the Guaranteed Obligations, of the principal of or interest on any Loan or any other amount payable by the Borrowers under this Agreement, any other Loan Document, any Lender Swap Agreement, or any document evidencing Bank Product Obligations; or

(g) any other act or omission to act or delay of any kind by any Borrower, any other guarantor of the Guaranteed Obligations, the Administrative Agent, any Lender or any other Person or any other circumstance whatsoever that might, but for the provisions of this paragraph, constitute a legal or equitable discharge of any Guarantor's obligations hereunder other than the Discharge of Obligations.

SECTION 9.03. Discharge Only Upon Payment In Full; Reinstatement In Certain Circumstances Each of the Guarantor's obligations hereunder shall remain in full force and effect until the Discharge of Obligations has occurred. If at any time any payment of the principal of or interest on any Loan or any other amount payable by any Borrower or any other party under this Agreement, any Lender Swap Agreement, any document evidencing Bank Product Obligations, or any other Loan Document is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of any Borrower or otherwise, each of the Guarantor's obligations hereunder with respect to such payment shall be reinstated as though such payment had been due but not made at such time.

SECTION 9.04. Waivers. Each Guarantor irrevocably waives acceptance hereof, diligence, promptness, presentment, demand, protest and, to the fullest extent permitted by applicable law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Borrower, any other guarantor of any of the Guaranteed Obligations, or any other Person.

SECTION 9.05. Subrogation. Each Guarantor hereby agrees not to assert any right, claim or cause of action, including, without limitation, a claim for subrogation, reimbursement, indemnification or otherwise, against any other Guarantor arising out of or by reason of this Guaranty or the obligations hereunder, including, without limitation, the payment or securing or purchasing of any of the Guaranteed Obligations by any of the Guarantors unless and until the Discharge of Obligations has occurred. If any amount shall be paid to any Guarantor in violation of the preceding sentence and the Discharge of Obligations has not occurred such amount shall be deemed to have been paid to such Guarantor for the benefit of, and held in trust for, the Administrative Agent for the benefit of the Lenders, and shall forthwith be paid to the Administrative Agent to be credited and applied upon the Guaranteed Obligations, whether matured or unmatured; otherwise it shall be returned to remitter. Each Guarantor acknowledges that it will receive direct and indirect benefits from the

financing arrangements contemplated by this Agreement, any other Loan Documents, each Lender Swap Agreement and that the waiver set forth in this Section 9.05 is knowingly made in contemplation of such benefits.

SECTION 9.06. Stay of Acceleration. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Borrower, all such amounts otherwise subject to acceleration under the terms of this Agreement, any other Loan Document, any Lender Swap Agreement, and any documents evidencing the Bank Product Obligations shall nonetheless be payable by each of the Guarantors hereunder forthwith on demand by the Administrative Agent made at the written request of the Majority Lenders.

SECTION 9.07. Subordination of Indebtedness of any Guarantor to any other Guarantor to the Guaranteed Obligations. Each Guarantor agrees that:

(a) Any indebtedness of any Borrower or any Guarantor now or hereafter owed to any Guarantor or any other Guarantor, respectively, is hereby subordinated to the Guaranteed Obligations pursuant to the provisions of this Section 9.07.

(b) Upon the occurrence and during the continuance of an Event of Default, if the Administrative Agent so requests, any such indebtedness of any Borrower or any Guarantor now or hereafter owed to any Guarantor or any other Guarantor, respectively, shall be collected, enforced and received by such Guarantor as trustee for the Secured Parties and shall be paid over to the Administrative Agent for the benefit of the Secured Parties in kind on account of the Guaranteed Obligations, but without reducing or affecting in any manner the obligations of any Guarantor under the other provisions of this Guaranty. Notwithstanding the foregoing, the term "indebtedness" as used in this Section 9.07 shall not include amounts owed by any Borrower or any Guarantor to any Guarantor or any other Guarantor, respectively, for payments made by a Guarantor for taxes, payroll obligations, third-party royalty obligations and operating expenses incurred in the ordinary course of business.

(c) Upon the occurrence and during the continuance of an Event of Default, should any Guarantor fail to collect or enforce any such indebtedness of any Borrower or any Guarantor now or hereafter owed to such Guarantor or any other Guarantor and pay the proceeds thereof to the Administrative Agent, the Administrative Agent as each Guarantor's attorney-in-fact may do such acts and sign such documents in such Guarantor's name as the Administrative Agent considers necessary or desirable to effect such collection, enforcement and/or payment.

SECTION 9.08. Limitation on Obligations.

(a) The provisions of this Guaranty are severable, and in any action or proceeding involving any state corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor under this Guaranty would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such Guarantor's liability under this Guaranty, then, notwithstanding any other provision of this Guaranty to the contrary, the amount of such liability shall, without any further action by the Guarantors, the Administrative Agent or any Lender, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding (such highest amount determined hereunder being the relevant Guarantor's "Maximum Liability"). This Section 9.08(a) with respect to the Maximum Liability of the Guarantors is intended solely to preserve the rights of the Secured Parties hereunder to the maximum extent not subject to avoidance under applicable law, and no Guarantor or any other person or entity shall have any right or claim under this Section 9.08(a) with respect to the Maximum Liability, except to the extent necessary so that the obligations of the Guarantor hereunder shall not be rendered voidable under applicable law.

(b) Each Guarantor agrees that the Guaranteed Obligations may at any time and from time to time exceed the Maximum Liability of each Guarantor and may exceed the aggregate Maximum Liability of all other Guarantors, without impairing this Guaranty or affecting the rights and remedies of the Secured Parties hereunder. Nothing in this Section 9.08(b) shall be construed to increase any Guarantor's obligations hereunder beyond its Maximum Liability.

(c) In the event any Guarantor (a "Paying Guarantor") shall make any payment or payments under this Guaranty or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations under this Guaranty, each other Guarantor (each a "Non-Paying Guarantor") shall contribute to such Paying Guarantor an amount equal to such Non-Paying Guarantor's "Pro Rata Share" of such payment or payments made, or losses suffered by such Paying Guarantor. For the purposes hereof, each Non-Paying Guarantor's "Pro Rata Share" with respect to any such payment or loss by a Paying Guarantor shall be determined as of the date on which such payment or loss was made by reference to the ratio

of (i) such Non-Paying Guarantor's Maximum Liability as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder) or, if such Non-Paying Guarantor's Maximum Liability has not been determined, the aggregate amount of all monies received by such Non-Paying Guarantor from any Borrower after the date hereof (whether by loan, capital infusion or by other means) to (ii) the aggregate Maximum Liability of all Guarantors hereunder (including such Paying Guarantor) as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder), or to the extent that a Maximum Liability has not been determined for any Guarantors, the aggregate amount of all monies received by such Guarantors from any Borrower after the date hereof (whether by loan, capital infusion or by other means). Nothing in this Section 9.08(c) shall affect any Guarantor's several liability for the entire amount of the Guaranteed Obligations (up to such Guarantor's Maximum Liability). Each of the Guarantors covenants and agrees that its right to receive any contribution under this Guaranty from a Non-Paying Guarantor shall be subordinate and junior in right of payment to all the Guaranteed Obligations. The provisions of this Section 9.08(c) are for the benefit of both the Secured Parties and the Guarantors and may be enforced by any one, or more, or all of them in accordance with the terms hereof.

SECTION 9.09. Application of Payments. All payments held by the Administrative Agent or received by the Administrative Agent or any Secured Party hereunder shall be applied by the Administrative Agent or such Secured Party to payment of the Guaranteed Obligations in the order set forth in Section 7.03.

SECTION 9.10. No Waivers. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided in this Guaranty, this Agreement, any other Loan Document, any Lender Swap Agreement shall be cumulative and not exclusive of any rights or remedies provided by law.

SECTION 9.11. No Duty to Advise. Each of the Guarantors assumes all responsibility for being and keeping itself informed of each other Guarantor's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each of the Guarantors assumes and incurs under this Guaranty, and agrees that neither the Administrative Agent nor any Secured Party has any duty to advise any of the Guarantors of information known to it regarding those circumstances or risks.

(a) No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Credit Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default at the time.

(b) Except as otherwise expressly set forth in this Agreement (including Section 2.12(h) and Section 2.23), neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrowers and the Majority Lenders or by the Borrowers and the Administrative Agent with the consent of the Majority Lenders; provided that no such agreement shall:

(i) (A) increase the Revolving Commitment of any Revolving Lender, (B) reduce the principal amount of any Loan or reduce the rate of interest thereon (provided that the Majority Lenders can waive the increased 3.00% of the Default Rate) or reduce any Reimbursement Obligation payable to any Revolving Lender, or reduce any fees payable to any Lender hereunder, or (C) postpone the scheduled date of payment of the principal amount of any Loan or Reimbursement Obligation, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment or postpone the scheduled date of expiration of any Revolving Commitment (it being understood that waiver of any payment required by Section 2.10(a)(iii) will only require consent of the Majority Lenders), in each case without the written consent of such Lender or Issuer directly affected thereby (or the Administrative Agent with the consent of each such Lender or Issuer thereof);

(ii) (A) change Section 2.17(b) or (c) or Section 7.03 in a manner that would alter the pro rata sharing of payments required thereby, (B) change any of the provisions of this Section or the definition of "Applicable Percentage", "Majority Lenders" or "Supermajority Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder (other than as expressly set forth in clause (iii)(B), (iv)(B), or (v) below), or (C) release any Credit Party from its obligations under the Loan Documents or release all or substantially all of the Collateral for the Obligations arising under this Agreement, except in connection with any sales transfers, leases, dispositions or other transactions permitted by Section 6.03 or Section 6.13, in each case without the written consent of each Lender;

(iv) (A) decrease or maintain the Borrowing Base or (B) amend, waive or consent to depart from any other provision in this Agreement which expressly requires the consent of, or action or waiver by, the Supermajority Revolving Lenders, in each case without the written consent of the Supermajority Revolving Lenders;

(v) RESERVED;

(vi) (A) if there is any unused portion of the Revolving Commitments, any amendment, waiver or consent that has the effect of curing or waiving any Default shall require the consent of the Majority Revolving Lenders in addition to all other consents required hereunder, or (B) without limiting the generality of clause (ii) above, waive any condition set forth in Section 4.02 as to a Revolving Borrowing or a Letter of Credit, in each case without the written consent of the Majority Revolving Lenders;

(vii) RESERVED; or

(viii) change Section 7.03, this clause (viii), Section 10.14, the definition of "Discharge of Obligations" or any definition referenced therein in any manner adverse to a Lender, in each case without the written consent of such Lender;

provided, further, that no such agreement shall (x) amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent, (y) release any of the Collateral, except in connection with any sales, transfers, leases, dispositions or other transactions permitted by Section 6.03 or Section 6.13, without the written consent of the Administrative Agent (it being acknowledged by the Credit Parties that the Administrative Agent may condition such consent on the Credit Parties having assigned, novated, terminated, unwound or otherwise obtained a release from any obligations or liabilities under Swap Agreements (or with respect to projected production of Hydrocarbons hedged thereunder) attributable to the Collateral to be released), or (z) amend, modify or otherwise affect the rights or duties of the Issuer hereunder without the prior written consent of the Issuer. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except (a) that the Commitment of such Lender may not be increased or extended without the consent of such Lender and (b) no amendment, waiver or consent may affect a Defaulting Lender differently than other affected Lenders without the consent of such Defaulting Lender. Notwithstanding the foregoing, (A) any supplement to Schedule 3.24 (Accounts) shall be effective simply by delivering to the Administrative Agent a supplemental schedule clearly marked as such and, upon receipt, the Administrative Agent will promptly deliver a copy thereof to the Lenders, (B) the Borrowers and the Administrative Agent may amend this Agreement or any other Loan Document without the consent of the Lenders in order to correct, amend or cure any ambiguity, inconsistency or defect or correct any typographical error or other manifest

error in any Loan Document, and (C) the Administrative Agent and the Borrowers (or other applicable Credit Party) may enter into any amendment, modification or waiver of this Agreement or any other Loan Document or enter into any agreement or instrument to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Property subject to or to become subject to Mortgages to secure the Obligations for the benefit of the Lenders or as required by any Governmental Requirement to give effect to, protect or otherwise enhance the rights or benefits of any Lender under the Loan Documents without the consent of any Lender.

SECTION 10.03. Expenses; Indemnity; Damage Waiver. (a) Each Credit Party shall pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and each Lender (in the case of legal or consultancy fees, disbursements, charges and expenses, limited to: (i) all reasonable fees, disbursements, charges and expenses of Bracewell LLP, Frederic Dorwart, Lawyers PLLC, and one local counsel in each necessary jurisdiction for the Administrative Agent, the Lenders, the Issuers, the Lender Swap Counterparties, and the Bank Product Providers taken as a whole, and in the case of an actual or perceived conflict of interest, one additional counsel in each relevant jurisdiction to the affected parties similarly situated taken as a whole, and other reasonable legal or consultancy fees, expenses and disbursements of the Administrative Agent (including, without limitation, the fees, disbursements, charges, and expenses of the Administrative Agent's financial advisor, Huron Consulting Group, and other auditors, accountants, printers, insurance and environmental advisors, and consultants and agents, including any third party consultant engaged by the Administrative Agent to evaluate the Company and its Subsidiaries) in its sole discretion, and (ii) all reasonable fees, disbursements, charges and expenses of each Lender and each Issuer in connection with the discussion, negotiation, preparation, execution and delivery of any documents in connection with any proposed financing of the Borrowers, including the Loan Documents and the funding of all Loans under this Agreement, such costs and expenses including due diligence, syndication of this Agreement (including printing, distribution and bank meeting) transportation, duplication, messenger, audit, insurance, appraisal and consultant costs and expenses, and all search, filing and recording fees, incurred or sustained by the Administrative Agent, the Lenders, or the Issuers in connection with this Agreement, the other Loan Documents or the transactions contemplated hereby or thereby, the administration of this Agreement and any amendments, modifications or waivers of any provision of the Loan Documents or the transactions contemplated thereby or hereby (whether or not the transactions contemplated thereby or hereby shall be consummated), or in connection with the interpretation, enforcement or protection of any of their rights and remedies under the Loan Documents including its rights under this Section, or in connection with the Loans made hereunder, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans).

(b) EACH CREDIT PARTY SHALL INDEMNIFY THE ADMINISTRATIVE AGENT EACH LENDER, EACH LENDER COUNTERPARTY, EACH BANK PRODUCT PROVIDER, THE ISSUER, AND EACH RELATED PARTY OF ANY OF THE FOREGOING (EACH SUCH PERSON BEING CALLED "INDEMNITEE"), AGAINST, AND HOLD EACH INDEMNITEE HARMLESS FROM, ANY AND ALL LOSSES, CLAIMS, DAMAGES, LIABILITIES AND RELATED EXPENSES, INCLUDING THE REASONABLE FEES, CHARGES AND DISBURSEMENTS OF ANY FINANCIAL ADVISOR OR COUNSEL FOR ANY INDEMNITEE, INCURRED BY OR ASSERTED AGAINST ANY INDEMNITEE ARISING OUT OF, IN CONNECTION WITH OR AS A RESULT OF (I) THE EXECUTION OR DELIVERY OF THIS AGREEMENT OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY (INCLUDING THE LENDER SWAP AGREEMENTS AND THE AGREEMENTS IN RESPECT OF THE BANK PRODUCT OBLIGATIONS), THE PERFORMANCE BY THE PARTIES HERETO OF THEIR RESPECTIVE OBLIGATIONS HEREUNDER OR THE CONSUMMATION OF THE TRANSACTIONS CONTEMPLATED HEREBY, (II) ANY LOAN, LETTER OF CREDIT, OR THE USE OF THE PROCEEDS THEREFROM, (III) ANY ACTUAL OR ALLEGED PRESENCE OR RELEASE OF HAZARDOUS MATERIALS ON OR FROM ANY PROPERTY OWNED OR OPERATED BY ANY OF THE CREDIT PARTIES, OR ANY ENVIRONMENTAL LIABILITY RELATED IN ANY WAY TO THE CREDIT PARTIES, OR (IV) ANY ACTUAL OR PROSPECTIVE CLAIM, LITIGATION, INVESTIGATION OR PROCEEDING RELATING TO ANY OF THE FOREGOING, WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY AND REGARDLESS OF WHETHER ANY INDEMNITEE IS A PARTY TO SUCH CLAIM, LITIGATION, INVESTIGATION OR PROCEEDING, ~~UNLESS~~ PROVIDED THAT SUCH INDEMNITY SHALL NOT BE AVAILABLE TO THE EXTENT THAT SUCH LOSSES, CLAIMS, DAMAGES, LIABILITIES OR RELATED EXPENSES (I) ARE DETERMINED BY A COURT OF COMPETENT JURISDICTION BY FINAL AND NONAPPEALABLE JUDGMENT TO HAVE RESULTED FROM THE FRAUD, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNITEE, OR (II) ARE ~~BEING ACKNOWLEDGED~~ BEING ACKNOWLEDGED AND AGREED THAT IT IS THE INTENTION OF THE PARTIES HERETO THAT THE INDEMNITEES BE INDEMNIFIED IN THE EVENT OF THEIR OWN NEGLIGENCE (OTHER THAN FRAUD, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT), REGARDLESS OF WHETHER SUCH NEGLIGENCE IS SOLE OR CONTRIBUTORY, ACTIVE OR PASSIVE, IMPUTED, JOINT OR TECHNICAL. (II) ARISE IN CONNECTION WITH ANY ACTION BROUGHT BY ONE INDEMNITEE AGAINST ANOTHER INDEMNITEE WHICH INVOLVE

ANY ACT OR OMISSION BY ANY BORROWER ANY SUBSIDIARY OF ANY BORROWER (OTHER THAN ANY CLAIMS AGAINST ITS CAPACITY AS ADMINISTRATIVE AGENT OR AN ARRANGER) THE CASE OF AN INVESTIGATION, LITIGATION OR OTHER PROCEEDING TO WHICH THE INDEMNITY IN THIS PARAGRAPH APPLIES, SUCH INDEMNITY SHALL BE EFFECTIVE WHETHER SUCH INVESTIGATION, LITIGATION OR PROCEEDING IS BROUGHT BY ANY BORROWER, ANY OF ITS RESPECTIVE DIRECT SECURITY-HOLDERS OR CREDITORS, AN INDEMNITEE OR ANY OTHER PERSON, OR AN INDEMNITEE IS OTHERWISE THERE TO AND WHETHER OR NOT THE TRANSACTIONS CONTEMPLATED HEREBY ARE CONSUMMATED. FOR THE AVOIDANCE OF DOUBT, UNDER NO CIRCUMSTANCES SHALL ANY BORROWER BE LIABLE FOR SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES SUFFERED OR INCURRED BY ANY INDEMNITEE. To the extent that any Credit Party fails to pay any amount required to be paid by it to the Administrative Agent under paragraph (a) or paragraph (b) of this Section, each Lender severally agrees to pay to the Administrative Agent such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent in its capacity as such. Paragraph (b) of this Section shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) To the extent permitted by applicable law, no Credit Party shall assert, and each hereby waives, any claim against any Indemnitee or any party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with or as a result of this Agreement or any agreement or instrument contemplated hereby, any Loan or the use of the proceeds thereof. For the avoidance of doubt, the parties hereto acknowledge and agree that a claim for indemnity under Section 10.03(b), to the extent covered thereby, is a claim of direct or actual damages and nothing contained in the foregoing sentence shall limit the Credit Parties' indemnification obligations to the extent such special, indirect, consequential or punitive damages are included in any third party claim in connection with which such Indemnitee is otherwise entitled to indemnification hereunder.

(d) All amounts due under this Section shall be payable promptly after written demand therefor.

#### SECTION 10.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) no Credit Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by a Credit Party without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuer and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrowers, provided that no consent of the Borrowers shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, any other assignee; provided further that the Borrowers shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 5 Business Days after having received notice thereof;

(B) with respect to assignments of Revolving Commitments and Revolving Loans, the Issuer; and

(C) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment of Revolving Commitments and Revolving Loans to an assignee that is a Revolving Lender, an Affiliate of a Revolving Lender, or an Approved Fund with respect to a Revolving Lender;

provided, however, that no Lender may assign all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) to any Borrower or any Affiliate thereof or any natural person (or any company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof), in each case, without the consent of all of the Lenders.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender, the aggregate amount of:

(1) RESERVED;

(2) the amount of the Revolving Commitment (which for this purpose shall include Revolving Loans outstanding) of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Borrowers and the Administrative Agent otherwise consent, provided that no such consent of the Borrowers shall be required if an Event of Default has occurred and is continuing

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more individuals to whom all syndicate-level information (which may contain material non-public information about the Credit Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.16, 2.17 and 2.18 (with respect to amounts accruing during the period such Lender was a party hereto and for which such Lender was entitled to reimbursement or indemnity) and Section 10.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section. If the consent of the Borrowers to an assignment is required hereunder (including a consent to an assignment that does not meet the minimum assignment thresholds specified in this Section), the Borrowers shall be deemed to have given its consent ten days after the date notice thereof has been delivered by the assigning Lender (through the Administrative Agent) unless such consent is expressly refused by the Borrowers prior to such tenth day.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrowers, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Sections 2.05(f), 2.06(b), 2.17(d) or 10.03, the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of any Credit Party or the Administrative Agent sell participations to one or more banks or other entities (a "Participant"), other than any Borrower or any Affiliate thereof or any natural person (or any company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof), in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Credit Parties, the Administrative Agent, the Issuer and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 10.02(b) that affects such Participant. Each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14, 2.15 and 2.16 (subject to the requirements and limitations therein, including the requirements under Section 2.16(f) (it being understood that the documentation required under Section 2.16(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.17 and 2.18 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.14 or 2.16, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender, provided that such Participant agrees to be subject to Section 2.17(c) as though it were a Lender. Each Lender that sells a participation shall act solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, or its other obligations under any this Agreement or any other Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 10.05. Survival. All covenants, agreements, representations and warranties made by the Credit Parties herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 2.14,

2.15, 2.16 and 10.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

SECTION 10.06. Counterparts; Integration; Effectiveness This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 10.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 10.08. Right of Setoff If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of any Credit Party against any of and all the obligations of any Credit Party now or hereafter existing under this Agreement or any other Loan Document held by such Lender irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations may be unmaturing. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender may have.

SECTION 10.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE INTERNAL LAWS OF OKLAHOMA.

(b) EACH CREDIT PARTY HEREBY IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF ANY UNITED STATES FEDERAL OR OKLAHOMA STATE COURT SITTING IN TULSA, OKLAHOMA, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS, AND EACH CREDIT PARTY HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN CONNECTION WITH ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN ANY SUCH COURT AND IRREVOCABLY WAIVES ANY OBJECTION IT MAY NOW OR HEREAFTER HAVE AS TO THE VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT OR THAT SUCH COURT IS AN INCONVENIENT FORUM. THE ADMINISTRATIVE AGENT OR ANY LENDER MAY NOT BRING ANY PROCEEDINGS AGAINST ANY CREDIT PARTY IN THE COURTS OF ANY OTHER JURISDICTION.

(c) Each Credit Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 10.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 10.10. WAIVER OF JURY TRIAL EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN

ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 10.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 10.12. Confidentiality.

(a) Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that (A) the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and (B) in any event, any subsequent disclosure by its or its Affiliates' directors, officers or employees shall be deemed to be, and treated as if it were, a disclosure by, as applicable, the Administrative Agent or such Lender), (ii) to the extent requested by any regulatory or self-regulatory authority, (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (iv) to any other party to this Agreement, (v) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (vi) subject to an agreement containing provisions substantially the same as those of this Section, to (x) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (y) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to any Credit Party and its obligations, (vii) with the consent of the Borrowers or (viii) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than Credit Parties. For the purposes of this Section, "Information" means all information received from any Borrower relating to any Credit Party or their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by any Credit Party. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 10.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWERS AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY ANY CREDIT PARTY TO THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATED INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWERS, THE CREDIT PARTIES, THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWERS THAT THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WILL RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

SECTION 10.13. Interest Rate Limitation Each Credit Party, the Administrative Agent and the Lenders intend to strictly comply with all applicable laws, including applicable usury laws. Accordingly, the provisions of this Section 10.13 shall govern and control over every other provision of this Agreement or any other Loan Document that conflicts or is inconsistent with this Section 10.13, even if such provision declares that it controls. As used in this

Section 10.13, the term "interest" includes the aggregate of all charges, fees, benefits or other compensation which constitute interest under applicable law, provided that, to the maximum extent permitted by applicable law, (a) any non-principal payment shall be characterized as an expense or as compensation for something other than the use, forbearance or detention of money and not as interest, and (b) all interest at any time contracted for, reserved, charged or received shall be amortized, prorated, allocated and spread, in equal parts during the full term of the Obligations. In no event shall any Credit Party or any other Person be obligated to pay, or any Lender have any right or privilege to reserve, receive or retain, (i) any interest in excess of the maximum amount of non-usurious interest permitted under the applicable laws (if any) of the United States or of any other applicable state or (ii) total interest in excess of the amount which such Lender could lawfully have contracted for, reserved, received, retained or charged had the interest been calculated for the full term of the Obligations at the Highest Lawful Rate. On each day, if any, that the interest rate (the "Stated Rate") called for under this Agreement or any other Loan Document exceeds the Highest Lawful Rate, the rate at which interest shall accrue shall automatically be fixed by operation of this sentence at the Highest Lawful Rate for that day, and shall remain fixed at the Highest Lawful Rate for each day thereafter until the total amount of interest accrued equals the total amount of interest which would have accrued if there were no such ceiling rate as is imposed by this sentence. Thereafter, interest shall accrue at the Stated Rate unless and until the Stated Rate again exceeds the Highest Lawful Rate when the provisions of the immediately preceding sentence shall again automatically operate to limit the interest accrual rate. The daily interest rates to be used in calculating interest at the Highest Lawful Rate shall be determined by dividing the applicable Highest Lawful Rate per annum by the number of days in the calendar year for which such calculation is being made. None of the terms and provisions contained in this Agreement or in any other Loan Document that directly or indirectly relate to interest shall ever be construed without reference to this Section 10.13, or be construed to create a contract to pay for the use, forbearance or detention of money at an interest rate in excess of the Highest Lawful Rate. If the term of any Obligation is shortened by reason of acceleration of maturity as a result of any Event of Default or by any other cause, or by reason of any required or permitted prepayment, and if for that (or any other) reason any Lender at any time, including but not limited to, the stated maturity, is owed or receives (and/or has received) interest in excess of interest calculated at the Highest Lawful Rate, then and in any such event all of any such excess interest shall be canceled automatically as of the date of such acceleration, prepayment or other event which produces the excess, and, if such excess interest has been paid to such Lender, it shall be credited pro tanto against the then-outstanding principal balance of the Borrower's obligations to such Lender, effective as of the date or dates when the event occurs which causes it to be excess interest, until such excess is exhausted or all of such principal has been fully paid and satisfied, whichever occurs first, and any remaining balance of such excess shall be promptly refunded to its payor.

SECTION 10.14. Collateral Matters: Lender Swap Agreements The benefit of the Collateral Documents and of the provisions of this Agreement relating to the Collateral shall also extend to, secure and be available on a pro rata basis to each Lender Swap Counterparty with respect to any obligations of any Credit Party arising under such Lender Swap Agreement but only to the extent such obligations arise from transactions entered into prior to the date such Lender Swap Counterparty ceases to be a Lender or an Affiliate of a Lender, without giving effect to any extension, increases, or modifications (including blending) thereof which are made after such Lender Swap Counterparty ceases to be a Lender or an Affiliate of a Lender under this Agreement, provided that, with respect to any Lender Swap Agreement that remains secured after the counterparty thereto is no longer a Lender or an Affiliate of a Lender or the Discharge of Obligations has occurred, the provisions of Article VIII shall also continue to apply to such counterparty in consideration of its benefits hereunder and each such counterparty shall, if requested by the Administrative Agent, promptly execute and deliver to the Administrative Agent all such other documents, agreements and instruments reasonably requested by the Administrative Agent to evidence the continued applicability of the provisions of Article VIII. Notwithstanding the foregoing and other than as expressly provided herein, no Lender or Affiliate of a Lender (or former Lender or Affiliate of a former Lender) shall have any voting or consent right under this Agreement or any Collateral Document as a result of the existence of obligations owed to it under a Lender Swap Agreement that is secured by any Collateral Document.

SECTION 10.15. No Third Party Beneficiaries This Agreement, the other Loan Documents, and the agreement of the Lenders to make Loan hereunder are solely for the benefit of the Borrowers, and no other Person (including, without limitation, any Subsidiary of any Borrower, any obligor, contractor, subcontractor, supplier or materialman) shall have any rights, claims, remedies or privileges hereunder or under any other Loan Document against the Administrative Agent, any other Agent, or any Lender for any reason whatsoever. There are no third party beneficiaries.

SECTION 10.16. Acknowledgment and Consent to Bail-In of Affected Financial Institutions Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

SECTION 10.17. USA PATRIOT Act Each Lender that is subject to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act") hereby notifies the Borrowers and the Guarantors that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrowers and the Guarantors, which information includes the name and address of the Borrowers and the Guarantors and other information that will allow such Lender to identify the Borrowers and the Guarantors in accordance with the Patriot Act.

SECTION 10.18. Acknowledgement Regarding Any Supported QFCs To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support, QFC Credit Support) and, each such QFC, a Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the FDIC under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the U.S. Special Resolution Regime) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Support QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a Covered Party) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that the rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 10.18, the following terms have the following meanings:

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"Covered Entity" means any of the following:

(i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

- (ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or
- (iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

SECTION 10.19. NO ORAL AGREEMENTS THE LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG THE PARTIES.

SECTION 10.20. Amendment and Restatement. This Agreement amends and restates the Existing Credit Agreement in its entirety. Each Borrower hereby agrees that (a) the Indebtedness outstanding under the Existing Credit Agreement and the Loan Documents (as defined in the Existing Credit Agreement together with the Existing Credit Agreement, the "Existing Credit Documents") and all accrued and unpaid interest thereon and (b) all accrued and unpaid fees under the Existing Credit Documents, shall be deemed to be outstanding under and governed by this Agreement. Each Borrower hereby acknowledges, warrants, represents and agrees that this Agreement is not intended to be, and shall not be deemed or construed to be, a novation or release of the Existing Credit Documents. Each Lender which is a Lender under the Existing Credit Documents hereby waives any requirements for notice of prepayment, minimum amounts of prepayments of the loans thereunder, ratable reductions of the commitments of Lenders under the Existing Credit Documents and ratable payments on account of the principal or interest of any loan under the Existing Credit Documents to the extent that any such prepayment, reductions or payments are required to ensure that, upon the effectiveness of this Agreement, the loans of the Lenders shall be outstanding on a ratable basis in accordance with their respective Applicable Percentage. Each Lender hereby authorizes the Administrative Agent and the Borrowers to request Borrowings from Lenders, to make prepayment of the loan under the Existing Credit Documents and to reduce the commitments under the Existing Credit Documents among Lenders in order to ensure that, upon the effectiveness of this Agreement, the loans of Lenders shall be outstanding on a ratable basis in accordance with their respective Applicable Percentage. The parties hereto confirm, ratify and reaffirm each of the Existing Credit Documents entered into prior to the Effective Date (but excluding the Existing Credit Agreement) and agree that such Existing Credit Documents continue to be legal, valid, binding and enforceable in accordance with their terms (except to the extent, amended, restated and superseded in connection with the transactions contemplated hereby). The Borrowers, jointly and severally, represent and warrant that, as of the Effective Date, there are no claims or offsets against, or defenses or counterclaims to, their obligations (or the obligations of any Guarantor) under the Existing Credit Agreement or any other Existing Credit Documents.
