This prospectus supplement supplements the prospectus dated March 23, 2020 (the “Prospectus”), which forms a part of our registration statement on Form S-1 (No. 333-236011). This prospectus supplement is being filed to update and supplement the information in the Prospectus with the information contained in our Current Report on Form 8-K, filed with the Securities and Exchange Commission (the “Commission”) on August 3, 2020 (the “Current Report”). Accordingly, we have attached the Current Report to this prospectus supplement.

The Prospectus and this prospectus supplement relate to (i) the issuance by us of up to 9,601,909 shares of our Class A Common Stock, par value \$0.0001 per share (“Class A Common Stock”), which consists of (A) 5,268,576 shares issuable upon the exercise of warrants that were issued in our initial public offering pursuant to the registration statement declared effective on February 15, 2018 (the “public warrants”) and (B) 4,333,333 shares issuable upon the exercise of warrants initially issued to Deerfield/RAB Ventures LLC (our “Sponsor”) in a private placement that occurred simultaneously with our initial public offering (the “private placement warrants”) and collectively with the public warrants, the “warrants”), which private placement warrants have been distributed from the Sponsor to its members, and (ii) the offer and sale from time to time in one or more offerings by the selling securityholders identified in the Prospectus of up to 75,053,512 shares of our Class A Common Stock and up to 4,333,333 private placement warrants.

Our Class A Common Stock is listed on the Nasdaq Capital Market (“Nasdaq”) and trades under the symbol “AHCO”. On July 31, 2020, the closing price of our Class A Common Stock was \$19.48. Our public warrants were formerly listed on Nasdaq under the symbol “AHCOW” and were suspended from trading on Nasdaq on December 6, 2019 because the public warrants did not satisfy the minimum 300 round lot holder requirement for listing, at which time the warrants became eligible to trade “over-the-counter” under the trading symbol “AHCOW”. A Form 25-NSE with respect to the public warrants was filed by Nasdaq on January 21, 2020, and the formal delisting of the public warrants became effective ten days thereafter. The private placement warrants are not listed on any exchange.

This prospectus supplement should be read in conjunction with the Prospectus, which is to be delivered with this prospectus supplement. This prospectus supplement is qualified by reference to the Prospectus, except to the extent that the information in this prospectus supplement updates and supersedes the information contained in the Prospectus.

Item 1.02 Termination of a Material Definitive Agreement.

In connection with the entry into the Credit Agreement (as defined below), AdaptHealth LLC (“AdaptHealth”), a subsidiary of AdaptHealth Corp. (the “Company”), repaid all outstanding obligations under its Third Amended and Restated Credit and Guaranty Agreement, dated March 20, 2019, as amended on August 22, 2019, November 8, 2019, May 8, 2020 and July 1, 2020 (the “Prior Credit Agreement”), by and among AdaptHealth, the guarantors named therein, CIT Finance LLC as administrative agent and the lenders party thereto, and terminated all commitments thereunder.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of the Registrant.

Notes Offering

On July 29, 2020, AdaptHealth completed its previously announced offering of \$350,000,000 aggregate principal amount of its 6.125% Senior Notes due 2028 (the “Notes”). The Notes were issued under an indenture (the “Indenture”), dated July 29, 2020, among AdaptHealth, the guarantors party thereto and The Bank of New York Mellon Trust Company, N.A., as trustee.

The net proceeds from the issuance of the Notes were used to repay a portion of the outstanding term loan borrowings under the Prior Credit Agreement and to pay related fees and expenses, and the remainder will be used for general corporate purposes.

The Notes are guaranteed by each of AdaptHealth’s existing and future subsidiaries that is a borrower or that guarantees its obligations under the Credit Agreement or certain of its other indebtedness, and by AdaptHealth’s direct parent, AdaptHealth Intermediate Holdco LLC (“AdaptHealth Intermediate”), which also guarantees its obligations under the Credit Agreement. The Notes will mature on August 1, 2028. Interest on the Notes will be payable on February 1 and August 1 of each year, beginning on February 1, 2021.

The Notes are unsecured senior obligations of AdaptHealth and rank equally in right of payment to all of its existing and future senior debt and senior in right of payment to all of its future subordinated debt. The Notes are effectively subordinated to any of AdaptHealth’s existing and future secured debt, including under the Credit Agreement, to the extent of the value of the assets securing such debt. The Note guarantees will rank equally in right of payment with all of the guarantors’ existing and future senior debt and senior in right of payment to all of the guarantors’ future subordinated debt. In addition, the Notes will be structurally subordinated to the liabilities of any non-guarantor subsidiaries of AdaptHealth..

The Notes will be redeemable at AdaptHealth’s option, in whole or in part, at any time on or after August 1, 2023, and the redemption price for the Notes if redeemed during the 12 months beginning (i) August 1, 2023 is 103.063%, (ii) August 1, 2024 is 102.042%, (iii) August 1, 2025 is 101.021% and (iv) August 1, 2026 and thereafter is 100.000%, in each case together with accrued and unpaid interest, if any, to, but excluding, the redemption date. AdaptHealth may also redeem some or all of the Notes before August 1, 2023 at a redemption price of 100% of the principal amount of the Notes, plus a “make-whole” premium, together with accrued and unpaid interest, if any, to, but excluding, the redemption date. In addition, AdaptHealth may redeem up to 40% of the original aggregate principal amount of the Notes before August 1, 2023 with the proceeds from certain equity offerings at a redemption price equal to 106.125% of the principal amount of the Notes, together with accrued and unpaid interest, if any, to, but excluding, the redemption date. Furthermore, AdaptHealth may be required to make an offer to purchase the Notes upon the sale of certain assets or upon specific kinds of changes of control.

The offering of the Notes was not and will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), or any state securities laws, and the Notes may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws. The Notes were sold to persons reasonably believed to be “qualified institutional buyers,” as defined in Rule 144A under the Securities Act, and non-U.S. persons outside the United States in reliance on Regulation S under the Securities Act.

The foregoing description of the Indenture does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Indenture. A copy of the Indenture is attached as Exhibit 4.1 hereto and is incorporated by reference herein.

Credit Agreement

On July 29, 2020, AdaptHealth, as borrower, entered into a credit agreement (the “Credit Agreement”) with the lenders party thereto and Regions Bank, as administrative agent. The Credit Agreement is guaranteed by AdaptHealth Intermediate and certain wholly owned subsidiaries of AdaptHealth, as guarantors (together with AdaptHealth, the “Loan Parties”) and is supported by a security interest in substantially all of the Loan Parties’ personal property and assets.

The Credit Agreement provides for \$200 million in commitments for revolving credit loans with a \$15 million letter of credit sublimit. The Credit Agreement also provides for \$250 million in term loans payable in quarterly installments of \$1,562,500 beginning in September 2020, increasing to \$3,125,000 in September 2022 and payable in full on July 29, 2025. In addition, the Credit Agreement provides for the ability of AdaptHealth to request increases in the revolving commitments and additional term loan facilities, in a minimum amount of \$10 million for each facility. Borrowings under the initial term loans were used to repay certain existing indebtedness of AdaptHealth under the Prior Credit Agreement. Borrowings pursuant to the revolving loans may be used for working capital and other general corporate purposes, including for capital expenditures and acquisitions permitted under the Credit Agreement.

Borrowings under the Credit Agreement are scheduled to mature on July 29, 2025. The Credit Agreement contains certain customary events of default, which include failure to make payments when due thereunder, the material inaccuracy of representations or warranties, failure to observe or perform certain covenants, cross-defaults, bankruptcy and insolvency-related events, certain judgments, certain ERISA-related events, or a Change of Control (as defined in the Credit Agreement). The Credit Agreement also contains certain events of default related to compliance with healthcare laws.

The Credit Agreement contains certain customary representations and warranties and affirmative and negative covenants, including certain restrictions on the ability of the Loan Parties and their Subsidiaries (as defined in the Credit Agreement) to incur any additional indebtedness or guarantee indebtedness of others, to create liens on properties or assets, and to enter into certain asset and stock-based transactions. In addition, under the terms of the Credit Agreement, the Consolidated Total Leverage Ratio shall not be more than 3.75 to 1.00, stepping down over time to 3.25 to 1.00.

The interest rates applicable to revolving borrowings under the Credit Agreement are, at AdaptHealth's option, either (i) a base rate, which is equal to the greater of (a) the Prime Rate, (b) the Federal Funds Effective Rate plus 0.5% and (c) the LIBOR Index Rate (subject to a floor) for a one month Interest Period (each term as defined in the Credit Agreement) plus 1%, or (ii) the Adjusted LIBOR Rate (subject to a floor) equal to the LIBOR (as defined in the Credit Agreement) for the applicable Interest Period multiplied by the statutory reserve rate, plus in the case of each of clauses (i) and (ii), the Applicable Margin (as defined in the Credit Agreement). The Applicable Margin (i) for base rate loans ranges from 1.50% to 2.75% per annum and (ii) for LIBOR loans ranges from 2.50% to 3.75% per annum, in each case, based on the Consolidated Total Leverage Ratio (as defined in the Credit Agreement). AdaptHealth will pay a commitment fee during the term of the Credit Agreement ranging from 0.25% to 0.50% per annum of the average daily undrawn portion of the revolving commitments based on the Consolidated Total Leverage Ratio.

Any borrowing under the Credit Agreement may be repaid, in whole or in part, at any time and from time to time without premium or penalty other than customary breakage costs, and any amounts repaid under the revolving credit facility may be reborrowed. Mandatory prepayments are required under the revolving loans when borrowings and letter of credit usage exceed the aggregate revolving commitments of all lenders. Mandatory prepayments are also required in connection with the disposition of assets to the extent not reinvested, unpermitted debt transactions, and excess cash flow if certain leverage tests are not met.

The foregoing description of the Credit Agreement does not purport to be complete and its qualified in its entirety to the full text of the Credit Agreement, which is attached hereto as Exhibit 10.1 and incorporated by reference herein.

Section 1.04 Trust Indenture Act.

This Indenture is not qualified under, and, does not incorporate or include any of the provisions of, the Trust Indenture Act of 1939, as amended.

Section 1.05 Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee and, where it is hereby expressly required, to the Company and the Guarantors. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 7.01 of this Indenture) conclusive in favor of the Trustee, the Company and the Guarantors, if made in the manner provided in this Section 1.05.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved (1) by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof or (2) in any other manner deemed reasonably sufficient by the Trustee. Where such execution is by a signer in a capacity other than an individual capacity, such certificate or affidavit shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee and the Company deem sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee, the Company or the Guarantors in reliance thereon, whether or not notation of such action is made upon such Note.

(e) The Company may set a record date for purposes of determining the identity of Holders entitled to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, or to vote on or consent to any action authorized or permitted to be taken by Holders; *provided* that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in clause (f) below. Unless otherwise specified, if not set by the Company prior to the first solicitation of a Holder made by any Person in respect of any such action, or in the case of any such vote, prior to such vote, any such record date shall be the later of 30 days prior to the first solicitation of such consent or vote or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation or vote. If any record date is set pursuant to this clause (e), the Holders on such record date, and only such Holders, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action (including revocation of any action), whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes, or each affected Holder, as applicable, on such record date. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder in the manner set forth in Section 12.02 of this Indenture.

(f) The Trustee may set any day as a record date for the purpose of determining the Holders entitled to join in the giving or making of (1) any notice of default under Section 6.01 of this Indenture, (2) any declaration of acceleration referred to in Section 6.02 of this Indenture, (3) any direction referred to in Section 6.05 of this Indenture or (4) any request to pursue a remedy as permitted in Section 6.06 of this Indenture. If any record date is set pursuant to this paragraph, the Holders on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Notes or each affected Holder, as applicable, on such record date. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company and to each Holder in the manner set forth in Section 12.02 of this Indenture.

(g) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Holders of each such different part.

(h) Without limiting the generality of the foregoing, a Holder, including a Depositary that is the Holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and a Depositary that is the Holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in any such Global Note through such Depositary's standing instructions and customary practices.

(i) The Company may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Global Note held by a Depositary entitled under the procedures of such Depositary, if any, to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders; *provided* that if such a record date is fixed, only the beneficial owners of interests in such Global Note on such record date or their duly appointed proxy or proxies shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such beneficial owners remain beneficial owners of interests in such Global Note after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action shall be effective hereunder unless made, given or taken on or prior to the applicable Expiration Date.

(j) With respect to any record date set pursuant to this Section 1.05, the party hereto that sets such record date may designate any day as the "*Expiration Date*" and from time to time may change the Expiration Date to any earlier or later day; *provided* that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder in the manner set forth in Section 12.02 of this Indenture, on or prior to both the existing and the new Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.05, the party hereto which set such record date shall be deemed to have initially designated the 90th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this clause (j).

Section 1.06 Limited Condition Transactions.

This Indenture provides that, as it relates to any action being taken solely in connection with a Limited Condition Transaction, for purposes of (i) determining compliance with any provision of this Indenture which requires the calculation of any financial ratio or test, including the Secured Net Leverage Ratio, Total Net Leverage Ratio and Fixed Charge Coverage Ratio, or (ii) testing availability under baskets set forth in this Indenture (including baskets determined by reference to Total Assets), in each case, at the option of the Company (the Company's election to exercise such option in connection with any Limited Condition Transaction, an "*LCT Election*"), the date of determination of whether any such action is permitted under this Indenture shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the "*LCT Test Date*"), and if, after giving pro forma effect to the Limited Condition Transaction (and the other transactions to be entered into in connection therewith, including any incurrence of Indebtedness and the use of proceeds thereof, as if they had occurred on the first day of the most recent period of four consecutive fiscal quarters of the Company ended prior to such date for which internal financial statements are available (except with respect to any incurrence or repayment of Indebtedness for purposes of the calculation of any leverage-based test or ratio, which shall in each case be treated as if they had occurred on the last day of such period)), the Company would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with; *provided* that, if financial statements for one or more subsequent fiscal periods shall have become available, the Company may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date. For the avoidance of doubt, if the Company has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated Adjusted EBITDA or Total Assets of the Company or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If the Company has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Restricted Payments, the making of any Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Company, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a "*Subsequent Transaction*") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Indenture, any such ratio, test or basket shall be required to be satisfied on a pro forma basis (i) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated and (ii) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have not been consummated.

ARTICLE 2

THE NOTES

Section 2.01 Form and Dating: Terms.

(a) Provisions relating to the Initial Notes, Additional Notes and any other Notes issued under this Indenture are set forth in Appendix A, which is hereby incorporated in and expressly made a part of this Indenture. The Notes and the Trustee's certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, rules or agreements with national securities exchanges to which the Company or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Company). Each Note shall be dated the date of its authentication. The Notes shall be in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

(b) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture, and the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Company pursuant to an Asset Sale Offer as provided in Section 4.10 of this Indenture or a Change of Control Offer as provided in Section 4.15 of this Indenture, and otherwise as not prohibited by this Indenture. The Notes shall not be redeemable, other than as provided in Article 3.

Additional Notes ranking *pari passu* with the Initial Notes may be created and issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise (other than issue date, issue price and, if applicable, the first Interest Payment Date and the first date from which interest will accrue) as the Initial Notes; *provided* that if any Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such Additional Notes will be issued as a separate series under this Indenture and will have a separate CUSIP number and ISIN from the Initial Notes; *provided, further*, that the Company's ability to issue Additional Notes shall be subject to the Company's compliance with Section 4.09 of this Indenture. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture.

Section 2.02 Execution and Authentication.

(a) At least one Officer shall execute the Notes on behalf of the Company by manual, electronic or facsimile signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

(b) A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto by the manual or electronic signature of an authorized signatory of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

(c) The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders, the Company or an Affiliate of the Company.

(d) The Trustee shall authenticate upon a written order of the Company signed by one Officer of the Company (an "*Authentication Order*") (i) Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$350,000,000, (ii) subject to the terms of this Indenture, Additional Notes and (iii) any Unrestricted Global Notes issued in exchange for any of the foregoing in accordance with this Indenture. Such Authentication Order shall specify the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes, Additional Notes or Unrestricted Global Notes.

Section 2.03 Registrar and Paying Agent.

(a) The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange ("*Registrar*") and at least one office or agency where Notes may be presented for payment ("*Paying Agent*"). The Registrar shall keep a register of the Notes ("*Note Register*") and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term "*Registrar*" includes any co-registrar, and the term "*Paying Agent*" includes any additional paying agent. The Company may change any Paying Agent or Registrar without prior notice to any Holder. The Company shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Restricted Subsidiaries may act as Paying Agent or Registrar.

(b) The Company initially appoints The Depository Trust Company to act as Depository with respect to the Global Notes. The Company initially appoints the Trustee to act as Paying Agent and Registrar for the Notes and to act as custodian with respect to the Global Notes.

Section 2.04 Paying Agent to Hold Money in Trust.

The Company shall, no later than 11:00 a.m. (New York City time) on each due date for the payment of principal, premium, if any, and interest on any of the Notes, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held in trust for the Holders entitled to the same, and (unless such Paying Agent is the Trustee) the Company shall promptly notify the Trustee of its action or failure so to act. The Company shall require each Paying Agent other than the Trustee to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal, premium, if any, and interest on the Notes, and shall notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, a Paying Agent shall have no further liability for the money. If the Company or a Restricted Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Notes.

Section 2.05 Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Company shall furnish to the Trustee at least two Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.06 Transfer and Exchange.

(a) The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A.

(b) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 of this Indenture or at the Registrar's request.

(c) No service charge shall be imposed in connection with any registration of transfer or exchange (other than pursuant to Section 2.07 of this Indenture), but the Holders shall be required to pay any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.10, 4.15 and 9.05 of this Indenture).

(d) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(e) Neither the Company nor the Registrar shall be required (1) to issue, to register the transfer of or to exchange any Note during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 of this Indenture and ending at the close of business on the day of selection, (2) to register the transfer of or to exchange any Note so selected for redemption, or tendered for repurchase (and not withdrawn) in connection with a Change of Control Offer or an Asset Sale Offer, in whole or in part, except the unredeemed or unpurchased portion of any Note being redeemed or repurchased in part or (3) to register the transfer of or to exchange any Note between a Record Date and the next succeeding Interest Payment Date.

(f) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal, premium, if any, and (subject to the Record Date provisions of the Notes) interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(g) Upon surrender for registration of transfer of any Note at the office or agency of the Company designated pursuant to Section 4.02 of this Indenture, the Company shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(h) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and mail, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Appendix A.

(i) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by mail or by facsimile or electronic transmission.

Section 2.07 Replacement Notes.

If a mutilated Note is surrendered to the Trustee or if a Holder claims that its Note has been lost, destroyed or wrongfully taken and the Trustee receives evidence to its satisfaction of the ownership and loss, destruction or theft of such Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are otherwise met. If required by the Trustee or the Company, an indemnity bond must be provided by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge the Holder for the expenses of the Company and the Trustee in replacing a Note. Every replacement Note is a contractual obligation of the Company and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder. Notwithstanding the foregoing provisions of this Section 2.07, in case any mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Note, pay such Note.

Section 2.08 Outstanding Notes.

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 of this Indenture, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

(b) If a Note is replaced pursuant to Section 2.07 of this Indenture, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser, as such term is defined in Section 8-303 of the Uniform Commercial Code in effect in the State of New York.

(c) If the principal amount of any Note is considered paid under Section 4.01 of this Indenture, it ceases to be outstanding and interest on it ceases to accrue from and after the date of such payment.

(d) If a Paying Agent (other than the Company, a Restricted Subsidiary or an Affiliate of any thereof) holds, on the maturity date, any redemption date or any repurchase date, money sufficient to pay Notes payable or to be redeemed or purchased on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the requisite principal amount of Notes have concurred in any direction, waiver or consent, Notes beneficially owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Company or any obligor upon the Notes or any Affiliate of the Company or of such other obligor.

Section 2.10 Temporary Notes.

Until definitive Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes ("Temporary Notes"). Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for Temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for Temporary Notes. Holders and beneficial holders, as the case may be, of Temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

Section 2.11 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee for cancellation any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall destroy cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all cancelled Notes shall, upon the written request of the Company, be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

(a) If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 of this Indenture. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Company of such special record date. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depository, or cause to be mailed or delivered by electronic transmission in accordance with the applicable procedures of the Depository to each Holder a notice that states the special record date, the related payment date and the amount of such interest to be paid.

(b) Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue interest, which were carried by such other Note.

Section 2.13 CUSIP and ISIN Numbers

The Company in issuing the Notes may use CUSIP or ISIN numbers (if then generally in use) and, if so, the Trustee shall use CUSIP or ISIN numbers in notices of redemption, exchange or repurchase as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption, exchange or repurchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption, exchange or repurchase shall not be affected by any defect in or omission of such numbers. The Company shall as promptly as practicable notify the Trustee in writing of any change in the CUSIP or ISIN numbers.

ARTICLE 3

REDEMPTION

Section 3.01 Notices to Trustee.

If the Company elects to redeem Notes pursuant to Section 3.07 of this Indenture, it shall furnish to the Trustee, at least five Business Days before notice of redemption is required to be mailed or transmitted or caused to be mailed or transmitted to Holders pursuant to Section 3.03 of this Indenture (unless a shorter notice shall be agreed to by the Trustee) but not more than 60 days before a redemption date, an Officers' Certificate setting forth (a) the paragraph or subparagraph of such Note or Section of this Indenture pursuant to which the redemption shall occur, (b) the redemption date, (c) the principal amount of the Notes to be redeemed and (d) the redemption price, if then ascertainable.

Section 3.02 Selection and Notice.

(a) If less than all of the Notes are to be redeemed at any time, the Trustee will select Notes for redemption in accordance with DTC's requirements, or on a pro rata basis if in physical or certificated form, unless otherwise required by law or applicable stock exchange requirements.

(a) No Notes of \$2,000 or less can be redeemed in part. Notices of redemption will be transmitted at least ten but not more than 60 days before the redemption date to each Holder to be redeemed at its registered address, except that redemption notices may be transmitted more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture.

(b) If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount of that Note that is to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest will cease to accrue on Notes or portions of Notes called for redemption unless the Company defaults in the payment of the redemption price or the applicable notice of redemption is conditional and the conditions are not satisfied or waived.

Section 3.03 Notice of Redemption.

(a) The Company shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depository, or cause to be mailed or delivered by electronic transmission in accordance with the applicable procedures of the Depository, notices of redemption at least ten but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address, except that redemption notices may be transmitted more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge.

(b) The notice shall identify the Notes to be redeemed (including CUSIP and ISIN number, if applicable) and shall state:

- (1) the redemption date;
- (2) the redemption price, including the portion thereof representing any accrued and unpaid interest; *provided* that in connection with a redemption under Section 3.07(a) of this Indenture, the notice need not set forth the redemption price but only the manner of calculation thereof;
- (3) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph or subparagraph of the Notes or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (8) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes; and
- (9) if applicable, any condition to such redemption.

(c) At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense; *provided* that the Company shall have delivered to the Trustee, at least five Business Days before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(b) of this Indenture.

Section 3.04 Effect of Notice of Redemption.

Once a notice of redemption is transmitted or mailed in accordance with Section 3.03 of this Indenture, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price, except as otherwise set forth in this Section 3.04. Notice of any redemption of the Notes in connection with a transaction or an event (including an Equity Offering, an incurrence of Indebtedness or a Change of Control) may, at the Company's discretion, be given prior to the completion or the occurrence thereof and any such redemption or notice may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of the related transaction or event. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Company's discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was delivered) as any or all conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. In addition, the Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

Section 3.05 Deposit of Redemption or Purchase Price.

(a) No later than 11:00 a.m. (New York City time) on the redemption or purchase date (or such later time as such date to which the Trustee may reasonably agree), the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest shall be paid to the Holder of record on such Record Date. The Paying Agent shall promptly mail to each Holder whose Notes are to be redeemed or repurchased the applicable redemption or purchase price thereof and accrued and unpaid interest thereon. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

(b) If the Company complies with the provisions of Section 3.05(a) of this Indenture, on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the redemption or purchase date in respect of such Note will be paid on such redemption or purchase date to the Person in whose name such Note is registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Company to comply with Section 3.05(a) of this Indenture, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and, to the extent lawful, on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 of this Indenture.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Company shall issue and, upon receipt of an Authentication Order, the Trustee shall promptly authenticate and mail to the Holder (or cause to be transferred by book entry) at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same Indebtedness to the extent not redeemed or purchased; *provided* that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

Section 3.07 Optional Redemption.

(a) At any time prior to August 1, 2023, the Company may, on any one or more occasions, redeem up to 40% of the aggregate principal amount of Notes issued under this Indenture (including any Additional Notes) at a redemption price of 106.125% of the principal amount, *plus* accrued and unpaid interest, if any, to, but excluding, the redemption date, with the net cash proceeds of one or more Equity Offerings by the Company or a contribution to the equity capital of the Company (other than Disqualified Stock) from the net proceeds of one or more Equity Offerings by any Parent Company (in each case, other than Excluded Contributions); *provided* that (1) at least 60% of the aggregate principal amount of Notes originally issued under this Indenture (including any Additional Notes but excluding Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and (2) the redemption occurs within 90 days of the date of the closing of such Equity Offering or equity contribution.

(b) On or after August 1, 2023, the Company may redeem all or a part of the Notes upon not less than ten nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below *plus* accrued and unpaid interest, if any, on the Notes redeemed, to, but excluding, the applicable redemption date, if redeemed during the 12-month period beginning on August 1 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date:

<u>Year</u>	<u>Percentage</u>
2023	103.063%
2024	102.042%
2025	101.021%
2026 and thereafter	100.000%

(c) Prior to August 1, 2023, the Company may also redeem all or any portion of the Notes upon not less than ten nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount thereof *plus* the Applicable Premium as of, and accrued and unpaid interest thereon, if any, to, but excluding, the date of redemption (a "*Make-Whole Redemption Date*").

(d) Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of this Indenture.

Section 3.08 Mandatory Redemption.

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE 4

COVENANTS

Section 4.01 Payment of Notes.

(a) The Company shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Restricted Subsidiary thereof, holds on the due date money deposited by or on behalf of the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

(b) The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 Maintenance of Office or Agency.

(a) The Company shall maintain in the Borough of Manhattan, the City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company and the Guarantors in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

(b) The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 of this Indenture.

Section 4.03 Taxes.

The Company shall pay, and shall cause each of its Restricted Subsidiaries to pay, prior to delinquency, all material taxes, assessments and governmental levies except (a) such as are being contested in good faith and by appropriate negotiations or proceedings or (b) where the failure to effect such payment is not adverse in any material respect to the Holders.

Section 4.04 Reports.

(a) So long as any Notes are outstanding, the Company will furnish to the Trustee and the Holders:

(1) within 75 days after the end of each fiscal year of the Company commencing with the year ending December 31, 2020, all annual financial statements of the Company substantially in the form that would be required to be contained in a filing with the SEC on Form 10-K, in accordance with the requirements of such Form 10-K as of the Issue Date, if the Company were required to file such form, together with a report thereon by the Company's independent registered public accounting firm, and a "Management's Discussion and Analysis of Financial Condition and Results of Operations," that is substantially consistent with the presentation thereof included in the Offering Memorandum;

(2) within 40 days after the end of each fiscal quarter of the Company ending after the Issue Date (solely with respect to the first three fiscal quarters of each fiscal year), all quarterly financial statements of the Company substantially in the form that would be required to be contained in a filing with the SEC on Form 10-Q, in accordance with the requirements of such Form 10-Q as of the Issue Date, if the Company were required to file such form, and a "Management's Discussion and Analysis of Financial Condition and Results of Operations;" and

(3) promptly from time to time after the occurrence of an event required to be therein reported, such other information containing substantially the same information that would be required to be contained in filings with the SEC on Form 8-K, in accordance with the requirements of such Form 8-K as of the Issue Date, under Items:

- 1.01 (Entry into a Material Definitive Agreement);
- 1.03 (Bankruptcy or Receivership);
- 2.01 (Completion of Acquisition or Disposition of Assets);
- 2.03 (Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant);
- 2.04 (Triggering Events that Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement);
- 4.02 (Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review);
- 5.01 (Changes in Control of Registrant);

- 5.02(a)(1) (Resignation of Director due to Disagreement with Registrant);
- 5.02(c)(1) (Name and Position of Newly Appointed Officer and Date of Appointment); and
- 5.03(b) (Changes in Fiscal Year),

if the Company were required to file such reports; *provided, however*, that no such Form 8-K report will be required to be furnished if the Company determines in its good faith judgment that such event is not material to Holders or the business, assets, operations, financial position or prospects of the Company and its Restricted Subsidiaries, taken as a whole, or if the Company determines in its good faith judgment that such disclosure would otherwise cause material competitive harm to the business, assets, operations, financial position or prospects of the Company and its Restricted Subsidiaries, taken as a whole.

(b) With respect to the reports required to be furnished by clause (a) above:

(1) no such reports referenced under clause (a)(3) above will be required to include as an exhibit or summary of terms of, any employment or compensatory arrangement agreement, plan or understanding between the Company (or any of its Subsidiaries or any Parent Company) and any director, manager or executive officer, of the Company (or any of its Subsidiaries or any Parent Company);

(2) in no event will such reports be required to comply with Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC;

(3) in no event will such reports be required to comply with Item 302 of Regulation S-K promulgated by the SEC;

(4) in no event will such reports be required to comply with Rule 3-10 of Regulation S-X promulgated by the SEC or contain separate financial statements for the Company, AdaptHealth Intermediate or the Subsidiary Guarantors;

(5) in no event will such reports be required to comply with Item 601 of Regulation S-K promulgated by the SEC (with respect to exhibits) or, with respect to reports referenced in clause (a)(3) above, to include as an exhibit copies of any agreements, financial statements or other items that would be required to be filed as exhibits to a current report on Form 8-K;

(6) trade secrets and other confidential information that is competitively sensitive in the good faith and reasonable determination of the Company may be excluded from any disclosures;

(7) to the extent that the Company (or any Parent Company pursuant to the immediately following paragraph) is not a reporting company under the Exchange Act, in no event will such reports be required to be presented in compliance with the requirements of the Public Company Accounting Oversight Board; and

(8) in no event will such reports contain compensation or beneficial ownership information.

(c) The Company may satisfy its obligations in this Section 4.04 with respect to financial information relating to the Company by furnishing financial information relating to any Parent Company; *provided* that if and so long as such Parent Company has Independent Assets or Operations, the same is accompanied by consolidating information (which need not be audited) that explains in reasonable detail the differences between the information relating to such Parent Company, on the one hand, and the information relating to the Company and its Restricted Subsidiaries on a stand-alone basis, on the other hand.

(d) In addition, notwithstanding the foregoing, the financial statements, information, auditors' reports and other documents and information required to be provided pursuant to clause (a) above may be, rather than those of the Company, those of (a) any predecessor or successor of the Company, (b) any Wholly Owned Subsidiary which is a Restricted Subsidiary of the Company that, together with its consolidated Subsidiaries, constitutes substantially all of the assets of the Company and its consolidated Subsidiaries ("*Qualified Reporting Subsidiary*") or (c) any Parent Company; *provided* that, if the financial information required to be provided pursuant to clause (a) above relates to such Qualified Reporting Subsidiary of the Company or such Parent Company, such financial information will be accompanied by consolidating information (which need not be audited) that explains in reasonable detail (in the good faith judgment of the Company) the differences between the information relating to such Qualified Reporting Subsidiary or such Parent Company (solely in the case such Parent Company has Independent Assets or Operations) (as the case may be), on the one hand, and the information relating to the Company and its Subsidiaries on a stand-alone basis, on the other hand. If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries and such Unrestricted Subsidiaries, either individually or collectively, would otherwise have been a Significant Subsidiary of the Company, then the annual and quarterly financial information required by the preceding paragraphs shall include a reasonably detailed presentation, as determined in good faith by senior management of the Company, either on the face of the financial statements or in the footnotes to the financial statements and in the "Management's Discussion and Analysis of Financial Condition and Results of Operations" section, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries.

(e) During any period that the Company or any Parent Company has not filed the corresponding reports referred to in clause (a) above with the SEC via the EDGAR filing system (or any successor system), the Company will make available such information and such reports to any Holder and, upon request, to any beneficial owner of the Notes, in each case by posting such information on its website, on Intralinks, SyndTrak, ClearPar or any comparable password-protected online data system that will require a confidentiality acknowledgment, and will make such information readily available to any Holder, any bona fide prospective investor in the Notes (which prospective investors will be limited to "qualified institutional buyers" within the meaning of Rule 144A under the Securities Act that certify their status as such to the reasonable satisfaction of the Company), any bona fide securities analyst (to the extent providing analysis of investment in the Notes to investors and prospective investors therein) or any bona fide market maker in the Notes who agrees to treat such information as confidential or accesses such information on Intralinks SyndTrak, ClearPar or any comparable password-protected online data system that will require a confidentiality acknowledgment; *provided* that the Company may deny access to any competitively-sensitive information otherwise to be provided pursuant to this clause (e) to any such Holder, prospective investor, security analyst or market maker that is a competitor of the Company and its Subsidiaries, or an affiliate of such a competitor (other than any affiliate that is a bona fide bank debt fund, distressed asset fund, hedge fund, mutual fund, insurance company, financial institution or investment vehicle engaged in the business of investing in, acquiring or trading commercial loans, bonds and similar extensions of credit in the ordinary course (and not organized primarily for the purpose of making equity investments)) to the extent that the Company determines in good faith that the provision of such information to such Person would be competitively harmful to the Company and its Subsidiaries; *provided, further*, that such Holders, prospective investors, security analysts or market makers will agree to (1) treat all such reports (and the information contained therein) and information as confidential, (2) not use such reports and the information contained therein for any purpose other than their investment or potential investment in the Notes and (3) not publicly disclose or distribute any such reports (and the information contained therein).

(f) In addition, to the extent not satisfied by the reports required by this Section 4.04 or otherwise made publicly available by the Company, the Company will furnish to Holders thereof and prospective investors in the Notes, upon their request, the information, if any, required to be delivered pursuant to Rule 144A(d)(4) (or any successor provision) under the Securities Act.

(g) The Company will be deemed to have furnished the reports referred to in clause (a) above if the Company or any Parent Company has filed the corresponding reports containing such information with the SEC via the EDGAR filing system (or any successor system).

(h) The Company shall participate in quarterly conference calls after the delivery of the information referred to in clause (a)(1) or (a)(2) above (which may be a single conference call together with investors and lenders holding other securities or Indebtedness of the Company and/or its Restricted Subsidiaries and/or any Parent Company) to discuss operating results and related matters. The Company shall issue a press release or otherwise provide notice of such conference call in the same manner in which information was delivered pursuant to clause (a)(1) and (a)(2) above which will provide the date and time of any such call and will direct Holders, prospective investors and securities analysts to contact the investor relations office of the Company to obtain access to the conference call.

(i) It is understood that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been posted on the Company's website or filed with the SEC. The posting or delivery of any such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive or actual notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of the covenants under this Indenture (as to which the Trustee is entitled to rely exclusively on an Officers' Certificate).

Section 4.05 Compliance Certificate.

(5) the incurrence by the Company or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness or Replacement Preferred Stock in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any Indebtedness (other than intercompany Indebtedness) or any Disqualified Stock or preferred stock that was permitted by this Indenture to be incurred under Section 4.09(a) of this Indenture or clauses (2), (3), (4), (5), (13), (15) or (18) of this Section 4.09(b);

(6) the incurrence by the Company or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries; *provided, however*, that:

(A) if the Company or any Subsidiary Guarantor is the obligor on such Indebtedness and the payee is not the Company or a Subsidiary Guarantor, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations with respect to the Notes, in the case of the Company or the Subsidiary Guarantee, in the case of a Subsidiary Guarantor, except to the extent such subordination would violate any applicable law, rule or regulation; and

(B) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary of the Company and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Company or a Restricted Subsidiary of the Company, will be deemed, in each case, to constitute a new incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be, which new incurrence is not permitted by this clause (6);

(7) the issuance by any of the Company's Restricted Subsidiaries to the Company or to any of its Restricted Subsidiaries of shares of preferred stock; *provided, however*, that:

(A) any subsequent issuance or transfer of Equity Interests that results in any such preferred stock being held by a Person other than the Company or a Restricted Subsidiary of the Company; and

(B) any sale or other transfer of any such preferred stock to a Person that is not either the Company or a Restricted Subsidiary of the Company,

will be deemed, in each case, to constitute a new issuance of such preferred stock by such Restricted Subsidiary which new issuance is not permitted by this clause (7);

(8) the incurrence by the Company or any of its Restricted Subsidiaries of Hedging Obligations in the ordinary course of business and not for speculative purposes;

(9) the guarantee:

(B) by any Non-Guarantor Subsidiary of Indebtedness of a Non-Guarantor Subsidiary;

(10) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness in respect of workers' compensation claims, self-insurance obligations, bankers' acceptances, letters of credit, performance bonds, surety bonds, appeal bonds or other similar bonds in the ordinary course of business; *provided, however*, that upon the drawing of letters of credit for reimbursement obligations, including with respect to workers' compensation claims, or the incurrence of other Indebtedness with respect to reimbursement type obligations regarding workers' compensation claims, such obligations are reimbursed within 30 days following such drawing or incurrence;

- (11) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently (except in the case of daylight overdrafts) drawn against insufficient funds in the ordinary course of business, so long as such Indebtedness is extinguished within five Business Days;
- (12) the incurrence of Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, holdback, contingency payment obligations or similar obligations, in each case, incurred or assumed in connection with the disposition or acquisition of any business, assets or Capital Stock of the Company or any Restricted Subsidiary;
- (13) the incurrence of Indebtedness or the issuance of any Disqualified Stock or preferred stock by any Non-Guarantor Subsidiary in an aggregate principal amount, including all Permitted Refinancing Indebtedness (except as permitted by the definition of "Permitted Refinancing Indebtedness") and Replacement Preferred Stock (except as permitted by the definition of "Replacement Preferred Stock") incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (13), not to exceed \$20.0 million at any time outstanding;
- (14) the incurrence of Indebtedness resulting from endorsements of negotiable instruments for collection in the ordinary course of business;
- (15) Indebtedness, Disqualified Stock or preferred stock of Persons that are acquired by the Company or any Restricted Subsidiary (including by way of merger or consolidation) in accordance with the terms of this Indenture; and Indebtedness, Disqualified Stock or preferred stock of the Company or a Subsidiary Guarantor incurred in connection with, or to provide all or a portion of the funds or credit support utilized to consummate, the transaction or series of related transactions pursuant to which such Person became a Subsidiary or was acquired by the Company; *provided* that after giving effect to such acquisition, merger or consolidation, either
- (A) the Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) of this Indenture or

(21) Indebtedness in respect of promissory notes issued to consultants, employees or directors or former employees, consultants or directors in connection with repurchases of Equity Interests permitted by Section 4.07(c)(7) of this Indenture.

For purposes of determining compliance with this Section 4.09, in the event that an item of Indebtedness (or any portion thereof) at any time, whether at the time of incurrence or upon the application of all or a portion of the proceeds thereof or subsequently meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (21) above, or is entitled to be incurred pursuant to Section 4.09(a) of this Indenture, the Company will be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.09 except that Indebtedness under the Credit Agreement outstanding on the Issue Date will be deemed to have been incurred in reliance on the exception provided by Section 4.09(b)(1)(i) of this Indenture. The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Disqualified Stock or preferred stock in the form of additional shares of the same class of Disqualified Stock or preferred stock will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock or preferred stock for purposes of this Section 4.09; *provided* in each such case, that the amount thereof is included in Fixed Charges of the Company as accrued (other than the reclassification of preferred stock as Indebtedness due to a change in accounting principles).

For purposes of determining compliance with any dollar-denominated restriction on the incurrence of Indebtedness, the dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased, *plus* the aggregate amount of fees, underwriting discounts, premiums (including tender premiums) and other costs and expenses (including original issue discount) incurred in connection with such refinancing.

The amount of any Indebtedness outstanding as of any date will be:

- (1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;
- (2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and
- (3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:
 - (A) the Fair Market Value of such assets at the date of determination; and
 - (B) the amount of the Indebtedness of the other Person.

Section 4.10 Asset Sales.

- (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash. For purposes of this clause (2), each of the following will be deemed to be cash:

(A) Cash Equivalents;

(B) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Subsidiary Guarantee) that are assumed by the transferee of any such assets pursuant to a customary novation agreement that releases the Company or such Restricted Subsidiary from further liability;

(C) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash within 180 days of receipt, to the extent of the cash received in that conversion;

(D) any Designated Noncash Consideration the Fair Market Value of which, when taken together with all other Designated Noncash Consideration received pursuant to this clause (D) (and not subsequently converted into Cash Equivalents that are treated as Net Proceeds of an Asset Sale), does not exceed \$25.0 million since the Issue Date, with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value; and

(E) any stock or assets of the kind referred to in clauses (2) or (4) of Section 4.10(b) of this Indenture.

(b) Within 365 days after the receipt of any Net Proceeds from an Asset Sale, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds at its option:

(1) to repay Indebtedness outstanding pursuant to Section 4.09(b)(1) of this Indenture and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of the Company or additional Capital Stock of an existing non-Wholly Owned Subsidiary which is a Restricted Subsidiary;

(3) to make a capital expenditure with respect to a Permitted Business or to make expenditures for maintenance, repair or improvement of existing properties and assets;

(4) to acquire Additional Assets;

(5) to repay (i) Notes or (ii) any other Indebtedness (other than Indebtedness owing to the Company or a Restricted Subsidiary) that is *pari passu* in right of payment with the Notes, and in the case of revolving Indebtedness, to correspondingly reduce commitments with respect thereto; *provided* that if the Company or any of its Restricted Subsidiaries shall so repay any Indebtedness other than the Notes, the Company will repay the Notes on a pro rata basis by, at its option, (A) redeeming Notes pursuant to Section 3.07 of this Indenture or (B) purchasing Notes through open-market purchases, at a price equal to or higher than 100% of the principal amount thereof, or making an offer (in accordance with the procedures set forth below) to all holders to purchase their Notes on a ratable basis with such other Indebtedness for no less than 100% of the principal amount thereof, *plus* the amount of accrued but unpaid interest, if any, thereon up to the principal amount of Notes to be repurchased; or

(6) any combination of the foregoing;

provided that the requirements of clauses (2) through (4) above shall be deemed to be satisfied if an agreement (including a lease, whether a capital lease or an operating lease) committing to make the acquisitions or expenditures referred to in any of clauses (2) through (4) above is entered into by the Company or its Restricted Subsidiary within 365 days after the receipt of such Net Proceeds and such Net Proceeds are applied in accordance with such agreement; *provided, further*, that (x) such acquisition or investment is then consummated within 545 days after the receipt of such Net Proceeds and (y) if such acquisition or investment is not consummated within the period set forth in sub clause (x), or otherwise applied as set forth in clauses (1) or (5) above, the Net Proceeds not so applied will be deemed to constitute Excess Proceeds under Section 4.10(c) of this Indenture.

Pending the final application of any Net Proceeds, the Company may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

Notwithstanding the foregoing, to the extent a distribution of any or all of the Net Proceeds of any Asset Sales by a Foreign Subsidiary to the Company or another Restricted Subsidiary (i) is (x) prohibited or delayed by applicable local law, (y) restricted by applicable organizational documents or any agreement or (z) subject to other organizational or administrative impediments from being repatriated to the United States or (ii) would have a material adverse tax consequence, as reasonably determined by the Company, the portion of such Net Proceeds so affected will not be required to be applied in compliance with this Section 4.10; *provided* that if at any time within one year following the date on which such affected Net Proceeds would otherwise have been required to be applied pursuant to this Section 4.10, distribution of any of such affected Net Proceeds is no longer prohibited or delayed by applicable local law, restricted by any applicable organizational document or agreement, subject to other organizational or administrative impediment from being repatriated to the United States, and would not result in a material adverse tax consequence, then an amount equal to such amount of Net Proceeds so permitted to be repatriated will be promptly applied (net of any taxes, costs or expenses that would be payable or reserved against if such amounts were actually repatriated, whether or not they are repatriated) in compliance with this Section 4.10. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default. For the avoidance of doubt, nothing in this Indenture shall be construed to require the Company or any Foreign Subsidiary to repatriate cash or to apply any Net Proceeds described in clause (i) above in compliance with this Section 4.10 in the event that such repatriation is not permitted under applicable local law, applicable organizational documents or agreements or other impediment within one year following the date on which the respective payment would otherwise have been required.

(c) Any Net Proceeds from Asset Sales received since the Issue Date that were not or are not applied or invested as provided in Section 4.10(b) of this Indenture shall constitute "*Excess Proceeds*." When the aggregate amount of Excess Proceeds exceeds \$20.0 million, within ten Business Days thereof, the Company will make an offer (an "*Asset Sale Offer*") to all Holders and if the Company elects (or is required by the terms of such other pari passu Indebtedness), any holders of other Indebtedness that is *pari passu* in right of payment with the Notes. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount *plus* accrued and unpaid interest, if any to, but excluding, the date of purchase, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and such other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Notes and such other *pari passu* Indebtedness will be purchased on a pro rata basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(d) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.10, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.10 by virtue of such compliance.

Section 4.11 Transactions with Affiliates.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company involving aggregate consideration in excess of \$5.0 million for any individual transaction or series of related transactions (each, an "*Affiliate Transaction*"), unless:

(1) the Affiliate Transaction is on terms that, taken as a whole, are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person; and

(2) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, the Company delivers to the Trustee an Officers' Certificate certifying that such Affiliate Transaction complies with this Section 4.11(a) and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Company, together with a certified copy of the resolutions of the Board of Directors of the Company approving such Affiliate Transaction or Affiliate Transactions.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a) of this Indenture:

(1) any employment agreement, change of control agreement, severance agreement, employee benefit plan, officer or director indemnification agreement or any similar arrangement entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;

(2) transactions between or among the Company, its Restricted Subsidiaries and/or any entity that becomes a Restricted Subsidiary as a result of such transaction;

(3) transactions with a Person (other than an Unrestricted Subsidiary of the Company) that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(4) payment of reasonable directors' fees;

(5) any issuance of Equity Interests (other than Disqualified Stock) of the Company to Affiliates of the Company;

(6) Permitted Investments or Restricted Payments that do not violate Section 4.07 of this Indenture;

(7) loans (or cancellation of loans) or advances to employees in the ordinary course of business;

(8) transactions with customers, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services, in each case which are in the ordinary course of business (including, without limitation, pursuant to joint venture agreements) and otherwise in compliance with the terms of this Indenture;

(9) any Qualified Receivables Transaction;

(10) the entering into of any tax sharing agreement or arrangement or any tax receivable agreement with Parent or any Parent Company and any Permitted Payments to Parent made pursuant thereto;

(11) any management, consulting, monitoring, financial advisory, financing, underwriting or placement services or any other investment banking, banking or similar services involving the Company and any of its Restricted Subsidiaries (including without limitation any payments in cash, Equity Interests or other consideration made by the Company or any of its Restricted Subsidiaries in connection therewith) on the one hand and the Permitted Holders on the other hand, which services (and payments and other transactions in connection therewith) are approved as fair to the Company or such Restricted Subsidiary by a majority of the disinterested members of the Board of Directors of the Company in good faith;

(12) the issuance of Equity Interests (other than Disqualified Stock) in the Company or any Restricted Subsidiary for compensation purposes;

(13) any lease entered into between the Company or any Restricted Subsidiary, as lessee and any Affiliate of the Company, as lessor, which is approved by a majority of the disinterested members of the Board of Directors of the Company in good faith;

(14) intellectual property licenses in the ordinary course of business;

(15) Existing Indebtedness and any other obligations pursuant to an agreement existing on the Issue Date and described in the Offering Memorandum, including any amendment thereto (so long as such amendment is not disadvantageous to the Holders in any material respect);

(16) payments by the Company or any of its Restricted Subsidiaries of reasonable insurance premiums to, and any borrowings or dividends received from, any Captive Insurance Subsidiary;

(17) transactions in which the Company or any Restricted Subsidiary delivers to the Trustee a letter from an accounting, appraisal or investment banking firm of national standing stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view and which are approved by a majority of the disinterested members of the Board of Directors of the Company in good faith; and

(18) any customary management services agreements or similar agreements between the Company or any of its Subsidiaries and any joint venture.

Section 4.12 Liens.

The Company will not, and will not permit any of its Restricted Subsidiaries to create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind (other than Permitted Liens) securing Indebtedness upon any of their property or assets, whether owned on the Issue Date or thereafter acquired, unless all payments due under this Indenture, the notes and the Subsidiary Guarantees are secured on an equal and ratable basis with the obligations so secured until such time as such obligations are no longer secured by a Lien.

Section 4.13 Effectiveness of Covenants.

(a) From and after the occurrence of an Investment Grade Rating Event (such date, a “*Suspension Date*”), the Company and its Restricted Subsidiaries will not be subject to Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11, Section 4.16, Section 4.17 (but only with respect to any Person that is required to become a Subsidiary Guarantor after the date of the commencement of the applicable Suspension Date) and Section 5.01(a)(4) of this Indenture (collectively, the “*Suspended Covenants*”).

(b) If at any date (each such date, a “*Reversion Date*”), the credit rating of the Notes is downgraded from an Investment Grade Rating by two Rating Agencies, then the Suspended Covenants will thereafter be reinstated and again be applicable pursuant to the terms of this Indenture, unless and until the occurrence of a subsequent Investment Grade Rating Event.

(c) The period of time between the occurrence of an Investment Grade Rating Event and its respective Reversion Date is referred to herein as the “*Suspension Period*.” Calculations made after a Reversion Date of the amount available to be made as Restricted Payments pursuant to Section 4.07 of this Indenture will be made as though Section 4.07 of this Indenture had been in effect at all times since the Issue Date, including during any Suspension Period. Any Indebtedness incurred during any Suspension Period would be deemed to be Permitted Indebtedness subsequent to the Reversion Date. Neither the failure of the Company or any of its Subsidiaries to comply with a Suspended Covenant during any Suspension Period nor compliance by the Company or any of its Subsidiaries with any contractual obligation entered into in compliance with this Indenture during any Suspension Period will constitute a Default, Event of Default or breach of any kind under this Indenture or the Notes.

(d) During any Suspension Period, the Company may not designate any of its Subsidiaries as Unrestricted Subsidiaries. Additionally, during any Suspension Period, the Holders will be entitled to substantially reduced covenant protection. However, the Company and its Restricted Subsidiaries will remain subject to all other covenants in this Indenture during any such time, including to Section 4.15 of this Indenture.

Section 4.14 Corporate Existence.

Subject to Article 5, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect (1) its limited liability company existence and the corporate, partnership, limited liability company or other existence of each of its Restricted Subsidiaries, Parent and AdaptHealth Intermediate, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company, any such Restricted Subsidiary, Parent or AdaptHealth Intermediate and (2) the rights (charter and statutory), licenses and franchises of the Company and its Restricted Subsidiaries, Parent or AdaptHealth Intermediate; *provided* that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership, limited liability company or other existence of any of its Restricted Subsidiaries, Parent or AdaptHealth Intermediate, if the Company in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole.

Section 4.15 Offer to Repurchase Upon a Change of Control.

(a) If a Change of Control occurs, each Holder will have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000) of that Holder’s Notes pursuant to an offer made by the Company (the “*Change of Control Offer*”). In the Change of Control Offer, the Company will offer to make a payment (the “*Change of Control Payment*”) in cash equal to 101% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest, if any, on the Notes repurchased to, but excluding, the date of purchase, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control, the Company will transmit a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the date specified in such notice (the “*Change of Control Payment Date*”), which date will be no earlier than 30 days and no later than 60 days from the date such notice is transmitted, pursuant to the procedures required by this Indenture and described in such notice. The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.15 by virtue of such compliance.

(b) On the Change of Control Payment Date, the Company will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent will promptly transmit to each Holder properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and transmit (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) If Holders of not less than 90% in aggregate principal amount of the then outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party making an offer to purchase the Notes upon a Change of Control in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company shall have the right, upon not less than 30 nor more than 60 days' prior written notice, given not more than 30 days following the Change of Control Payment Date, to redeem all Notes that remain outstanding following such purchase at a redemption price in cash equal to 101% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest, if any, on the Notes repurchased to, but excluding, the date of purchase, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(d) The provisions described above in clauses (a) through (c) of this Section 4.15 that require the Company to make a Change of Control Offer following a Change of Control will be applicable whether or not any other provisions of this Indenture are applicable. Except as described above with respect to a Change of Control, this Indenture does not contain provisions that permit the Holders to require that the Company repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

(e) Notwithstanding anything to the contrary in this Section 4.15, the Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer or (2) notice of redemption has been given pursuant to this Indenture in respect of all Notes pursuant to Section 3.07 of this Indenture, unless and until there is a Default in payment of the applicable redemption price.

(f) A Change of Control Offer may be made in advance of and conditioned on the occurrence of a Change of Control if there is a definitive agreement in place to consummate a transaction that would constitute a Change of Control if consummated at the time such Change of Control Offer is made.

Section 4.16 Designation of Restricted and Unrestricted Subsidiaries.

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if no Default or Event of Default would be in existence following such designation. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 of this Indenture or under one or more clauses of the definition of Permitted Investments, as determined by the Company. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Company; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (a) such Indebtedness is permitted under Section 4.09 of this Indenture and (b) no Default or Event of Default would be in existence following such designation.

Section 4.17 Additional Subsidiary Guarantees.

If the Company or any of its Restricted Subsidiaries, acquires or creates another Subsidiary, other than a Non-Guarantor Subsidiary or if any Non-Guarantor Subsidiary otherwise ceases to be a Non-Guarantor Subsidiary, in each case, after the Issue Date, then such newly acquired or created Subsidiary or Subsidiary that has ceased to be a Non-Guarantor Subsidiary, as applicable, will become a Subsidiary Guarantor and execute a supplemental indenture substantially in the form attached as Exhibit C and deliver an Opinion of Counsel and Officers' Certificate to the Trustee within 30 Business Days of the date on which it was acquired or created or ceased to be a Non-Guarantor Subsidiary, as applicable.

Section 4.18 Limitation on Activities of AdaptHealth Intermediate.

AdaptHealth Intermediate (a) will not make any Investments (other than in (1) cash and Cash Equivalents or (2) Capital Stock of the Company), (b) will not create, incur, assume or permit to exist any Lien on any of the Equity Interests in the Company held by AdaptHealth Intermediate and (c) will do or cause to be done all things necessary to preserve, renew and keep in full force and effect its legal existence; *provided* that so long as no Default exists or would result therefrom, AdaptHealth Intermediate may merge or consolidate with any other Person as described under Section 10 of this Indenture.

ARTICLE 5

- (C) orders the liquidation of the Company or any of the Company's Restricted Subsidiaries that is a Significant Subsidiary of the Company; and
- (D) and the order or decree remains unstayed and in effect for 60 consecutive days.

Section 6.02 Acceleration.

(a) In the case of an Event of Default arising under clauses (8) or (9) of Section 6.01 of this Indenture with respect to the Company, AdaptHealth Intermediate or any Significant Subsidiary of the Company, all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

(b) The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, rescind an acceleration or waive any existing Default or Event of Default and its consequences under this Indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes.

Section 6.03 Other Remedies.

(a) If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

(a) Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal, interest or premium, if any.

(b) Subject to the provisions of this Indenture relating to the duties of the Trustee, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and

(5) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

(c) The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders of all of the Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under this Indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes.

Section 6.05 Control by Majority.

Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders or that may involve the Trustee in personal liability. Prior to taking any action under this Indenture, the Trustee shall be entitled to reasonable indemnification against all losses and expenses caused by taking or not taking such action.

Section 6.06 Limitation on Suits.

Subject to Section 6.07 of this Indenture, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and

(5) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in clauses (1) or (2) of Section 6.01 of this Indenture occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company and each Guarantor for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Company, the Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter and all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

Section 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 of this Indenture, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy are, to the extent permitted by law, cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12 Trustee May File Proofs of Claim.

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes, including the Guarantors), its creditors or its property and is entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims. Any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, and any other amounts due the Trustee under Section 7.06 of this Indenture. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 of this Indenture out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.13 Priorities.

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money in the following order:

- (1) to the Trustee and its agents and attorneys for amounts due under Section 7.06 of this Indenture, including payment of all reasonable compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;
- (2) to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and
- (3) to the Company or to such party as a court of competent jurisdiction shall direct, including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13. Promptly after any record date is set pursuant to this Section 6.13, the Trustee shall cause notice of such record date and payment date to be given to the Company and to each Holder in the manner set forth in Section 12.02 of this Indenture.

Section 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 of this Indenture, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7

TRUSTEE

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy or mathematical calculation or facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 of this Indenture.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) Subject to this Article 7, if an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture, the Notes and the Guarantees at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon and shall be fully protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine in good faith to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both which shall conform to the provisions of Section 12.05 of this Indenture, except that no Opinion of Counsel will be required to be furnished to the Trustee in connection with the authentication and delivery of the Initial Notes on the Issue Date. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company or a Guarantor shall be sufficient if signed by an Officer of the Company or such Guarantor.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or security or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the existence of a Default or Event of Default, the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

Section 7.03 Individual Rights of Trustee.

The Trustee or any Agent in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee or such Agent. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.09 of this Indenture.

Section 7.04 Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication on the Notes.

Section 7.05 Notice of Defaults.

If a Default occurs and is continuing and a Responsible Officer of Trustee has received written notice thereof, the Trustee will transmit to each Holder a notice of the Default within 90 days thereafter. Except in the case of an Event of Default specified in clauses (1) or (2) of Section 6.01 of this Indenture, the Trustee may withhold from the Holders notice of any continuing Default if the Trustee determines in good faith that withholding the notice is in the interest of the Holders.

Section 7.06 Compensation and Indemnity.

(a) The Company and the Guarantors, jointly and severally, shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services, except for any such disbursements, advances or expenses as shall have been caused by the Trustee's willful misconduct, negligence or bad faith. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel. The Trustee shall provide the Company reasonable notice of any expenditure not in the ordinary course of business.

(b) The Company and the Guarantors, jointly and severally, shall indemnify the Trustee for, and hold each of the Trustee and any predecessor harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the reasonable costs and expenses of enforcing this Indenture against the Company or any Guarantor (including this Section 7.06) or defending itself against any claim whether asserted by any Holder, the Company or any Guarantor, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder). The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor needs to pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct, gross negligence or bad faith.

(c) The obligations of the Company and the Guarantors under this Section 7.06 shall survive the satisfaction, discharge or termination of this Indenture or the resignation or removal of the Trustee.

(d) To secure the payment obligations of the Company and the Guarantors in this Section 7.06, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(8) or (9) of this Indenture occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07. The Trustee may resign in writing at any time by giving 30 days' prior notice of such resignation to the Company and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.09 of this Indenture;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a receiver or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(b) If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the successor Trustee to replace it with another successor Trustee appointed by the Company.

(c) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Company's expense), the Company or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09 of this Indenture, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall transmit a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* that all sums owing to the Trustee hereunder have been paid and such transfer shall be subject to the Lien provided for in Section 7.06 of this Indenture. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under this Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) As used in this Section 7.07, the term "Trustee" shall also include each Agent.

Section 7.08 Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the successor corporation or national banking association without any further act shall be the successor Trustee, subject to Section 7.09 of this Indenture.

Section 7.09 Eligibility; Disqualification.

There shall at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may, at its option and at any time, elect to have either Section 8.02 of this Indenture or Section 8.03 of this Indenture applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

(a) Upon the Company's exercise under Section 8.01 of this Indenture of the option applicable to this Section 8.02, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 of this Indenture, be deemed to have been discharged from their obligations with respect to this Indenture, all outstanding Notes and Guarantees on the date the conditions set forth below are satisfied ("*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (1) through (4) below, and to have satisfied all of its other obligations under such Notes and this Indenture, including that of the Guarantors (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders to receive payments in respect of the principal, premium, if any, and interest on the Notes when such payments are due, solely out of the trust created pursuant to this Indenture referred to in Section 8.04 of this Indenture;

(2) the Company's obligations with respect to the Notes concerning issuing the Temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for Note payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's and the Guarantors' obligations in connection therewith; and

(4) this Section 8.02.

(b) Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 of this Indenture.

Section 8.03 Covenant Defeasance.

Upon the Company's exercise under Section 8.01 of this Indenture of the option applicable to this Section 8.03, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 of this Indenture, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15, 4.16, 4.17, 4.18 and clause (4) of Section 5.01(a) of this Indenture with respect to the outstanding Notes, and the Guarantors shall be deemed to have been discharged from their obligations with respect to all Guarantees, on and after the date the conditions set forth in Section 8.04 of this Indenture are satisfied ("*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to this Indenture and the outstanding Notes, the Company and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 of this Indenture, but, except as specified above, the remainder of this Indenture, and such Notes and the Guarantees shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 of this Indenture of the option applicable to this Section 8.03 of this Indenture, subject to the satisfaction of the conditions set forth in Section 8.04 of this Indenture, an Event of Default specified in Section 6.01(3) of this Indenture that resulted solely from the failure of the Company to comply with clause (4) of Section 5.01(a), Sections 6.01(4) (only with respect to covenants that are released as a result of such Covenant Defeasance), 6.01(5), 6.01(6), 6.01(7), 6.01(8) (solely with respect to Significant Subsidiaries of the Company) and 6.01(9) (solely with respect to Significant Subsidiaries of the Company) of this Indenture, in each case, shall not constitute an Event of Default.

Section 8.04 Conditions to Legal or Covenant Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 of this Indenture:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest and premium, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of Legal Defeasance, the Company must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the beneficial owners of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the beneficial owners of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement (including, without limitation, the Credit Agreement) or instrument (other than this Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(5) the Company must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(6) the Company must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with

Section 8.05 Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.

(a) Subject to Section 8.06 of this Indenture, all money and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 of this Indenture in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of all sums due and to become due thereon in respect of principal, premium, if any, and interest on the Notes, but such money need not be segregated from other funds except to the extent required by law.

(b) The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 of this Indenture or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders.

(c) Anything in this Article 8 to the contrary notwithstanding, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or Government Securities held by it as provided in Section 8.04 of this Indenture which, in the opinion of an independent financial advisor expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) of this Indenture), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to the Company.

Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or Government Securities in accordance with Section 8.02 or Section 8.03 of this Indenture, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or Section 8.03 of this Indenture until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or Section 8.03 of this Indenture, as the case may be; *provided* that, if the Company makes any payment of principal, premium, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders.

(a) Notwithstanding Section 9.02 of this Indenture, the Company and the Trustee may amend or supplement this Indenture, the Guarantees or the Notes without the consent of any Holder:

- (1) to cure any mistake, ambiguity, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes
- (3) to provide for the assumption of the Company's or a Guarantor's obligations to the Holders and Guarantees in the case of a merger, consolidation, Division or sale of all or substantially all of the Company's or such Guarantor's assets, as applicable;
- (4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights hereunder of any Holder;
- (5) to conform the text of this Indenture, the Guarantees or the Notes to any provision of the section described under the caption "Description of notes" in the Offering Memorandum to the extent that such provision in such "Description of notes" was intended to be a verbatim recitation of a provision of this Indenture, the Guarantees or the Notes;
- (6) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;
- (7) to allow any Guarantor to execute a supplemental indenture and/or a Guarantee with respect to the Notes; or
- (8) to issue the Notes.

(b) Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 12.04 of this Indenture, the Trustee shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel and Officers' Certificate stating that such amendment or supplement is authorized or permitted by this Indenture.

Section 9.02 With Consent of Holders.

(a) Except as provided in Section 9.01 of this Indenture and this Section 9.02, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes and the Guarantees with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and, subject to Section 6.04 and Section 6.07 of this Indenture, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes or the Guarantees may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Section 2.08 and Section 2.09 of this Indenture shall determine which Notes are considered to be "outstanding" for the purposes of this Section 9.02.

(b) Upon the request of the Company, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 12.04 of this Indenture, the Trustee shall join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

(c) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver. It shall be sufficient if such consent approves the substance of such proposed amendment, supplement or waiver.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will give to the Holders a notice briefly describing such amendment, supplement or waiver. However, the failure of the Company to give such notice to all the Holders, or any defect in the notice, will not impair or affect the validity of any such amendment, supplement or waiver.

(e) However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the optional redemption of the Notes pursuant to Section 3.07 of this Indenture (other than provisions relating to notice period for consummating an optional redemption of the Notes);
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;
- (4) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the contractual rights of Holders to receive payments of principal of, or interest or premium, if any, on, the Notes; or

(7) make any change in the preceding amendment and waiver provisions.

(f) A consent to any amendment, supplement or waiver of this Indenture, the Notes or the Guarantee by any Holder given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

Section 9.03 [Reserved].

Section 9.04 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

(b) The Company may, but shall not be obliged to, fix a record date pursuant to Section 1.05 of this Indenture for the purpose of determining the Holders entitled to consent to any amendment or waiver.

Section 9.05 Notation on or Exchange of Notes.

(a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, etc.

The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the Board of Directors of the Company approves it. In executing any amended or supplemental indenture, the Trustee shall be provided with and (subject to Section 7.01 of this Indenture) shall be fully protected in relying upon, in addition to the documents required by Section 12.04 of this Indenture, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10
GUARANTEES

Section 10.01 Guarantees.

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally guarantees, on a senior unsecured basis, to each Holder and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (1) the principal, premium, if any, and interest on the Notes shall be promptly paid in full when due, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal and interest on the Notes, if any, if lawful, and all other Obligations of the Company to the Holders or the Trustee hereunder or under the Notes shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise (collectively, the “*Guaranteed Obligations*”). Failing payment by the Company when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture, or pursuant to Section 10.05 of this Indenture.

(c) Each of the Guarantors also agrees, jointly and severally, to pay any and all costs and expenses (including reasonable attorneys’ fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01 of this Indenture.

(d) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Company or the Guarantors, any amount paid either to the Trustee or such Holder, this Subsidiary Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(e) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all Obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such Obligations as provided in Article 6 of this Indenture, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees.

(f) Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation or reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company’s assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or the Guarantees, whether as a “voidable preference,” “fraudulent transfer” or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(g) In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(h) Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent conveyance or a fraudulent transfer for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee will be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment, determined in accordance with GAAP.

Section 10.03 Execution and Delivery.

(a) To evidence its Guarantee set forth in Section 10.01 of this Indenture, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer or person holding an equivalent title.

(b) Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 of this Indenture shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(c) If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantees shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

Section 10.04 Guarantors May Consolidate, etc., on Certain Terms.

(a) Except as otherwise provided in this Section 10.04, a Subsidiary Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into another Person (other than the Company or another Subsidiary Guarantor) or consummate a Division as the Dividing Person (in each case, whether or not such Subsidiary Guarantor is the surviving Person), unless:

- (1) immediately after giving effect to such transaction, no Event of Default exists; and
- (2) either:

(A) the Person (if other than the Company or a Subsidiary Guarantor) acquiring the property in any such sale or disposition or the Person (if other than the Company or a Subsidiary Guarantor) formed by or surviving any such consolidation, merger or Division assumes all the obligations of that Subsidiary Guarantor under this Indenture and its Subsidiary Guarantee, pursuant to a supplemental indenture satisfactory to the Trustee; or

(B) such transaction does not violate Section 4.10 of this Indenture.

(b) AdaptHealth Intermediate may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into, another Person (other than the Company or a Subsidiary Guarantor) (in each case, whether or not AdaptHealth Intermediate is the surviving Person), unless:

- (1) immediately after giving effect to that transaction, no Event of Default exists; and
- (2) the Person (if other than AdaptHealth Intermediate) acquiring the property in any such sale or disposition or the Person (if other than AdaptHealth Intermediate) formed by or surviving any such consolidation or merger assumes all the obligations of AdaptHealth Intermediate under this Indenture and its Guarantee pursuant to a supplemental indenture satisfactory to the Trustee.

Section 10.05 Releases.

(a) The Subsidiary Guarantee of a Subsidiary Guarantor will be released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of that Subsidiary Guarantor (including by way of merger, consolidation or Division) to a Person that is not (either before or after giving effect to such transaction) the Company or a Subsidiary Guarantor, if the sale or other disposition does not violate Section 4.10 of this Indenture;

(2) in connection with any sale of Capital Stock of that Subsidiary Guarantor following which such Subsidiary Guarantor is no longer a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.10 of this Indenture;

(3) if any Restricted Subsidiary that is a Subsidiary Guarantor becomes a Non-Guarantor Subsidiary in accordance with the applicable provisions of this Indenture; or

(4) upon Legal Defeasance or Covenant Defeasance in accordance with Article 8 of this Indenture or satisfaction and discharge of this Indenture in accordance with Article 11 of this Indenture.

(b) The Guarantee of AdaptHealth Intermediate will be released upon Legal Defeasance, Covenant Defeasance in accordance with Article 8 of this Indenture or satisfaction and discharge of this Indenture in accordance with Article 11 of this Indenture.

ARTICLE 11

SATISFACTION AND DISCHARGE

Section 11.01 Satisfaction and Discharge.

(a) This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the transmitting of a notice of redemption or otherwise or will become due and payable within one year and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(2) no Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(3) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(4) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

(b) In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

(c) Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to Section 11.01(a)(1) (B) of this Indenture, the provisions of Section 11.02 and Section 8.06 of this Indenture shall survive.

Section 11.02 Application of Trust Money.

(a) Subject to the provisions of Section 8.06 of this Indenture, all money and Government Securities deposited with the Trustee pursuant to Section 11.01 of this Indenture shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest for whose payment such money has been deposited with the Trustee, but such money need not be segregated from other funds except to the extent required by law.

(b) If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 of this Indenture by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 of this Indenture; *provided* that if the Company has made any payment of principal, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent, as the case may be.

Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(h) If the Company transmits a notice or communication to Holders, it shall transmit a copy to the Trustee and each Agent at the same time.

Section 12.03 [Reserved].

(2) an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 12.05 of this Indenture) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been complied with.

provided that (x) no Opinion of Counsel will be required to be furnished to the Trustee in connection with the authentication and delivery of the Initial Notes on the Issue Date.

Section 12.05 Statements Required in Certificate or Opinion.

Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

(1) a statement that the Person making such certificate or opinion has read such covenant or condition;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(3) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been complied with (and, in the case of an Opinion of Counsel, may be limited to reliance on an Officers' Certificate or a certificate of public officials as to matters of fact); and

Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Section 12.09 Waiver of Jury Trial.

EACH OF THE COMPANY, THE GUARANTORS, HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES, THE NOTE GUARANTEES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 12.10 Force Majeure.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including without limitation strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services, and pandemics or disease; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 12.11 No Adverse Interpretation of Other Agreements.

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or its Restricted Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 12.13 Severability.

In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 12.14 Counterpart Originals.

The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

Section 12.15 Table of Contents, Headings, etc.

The Table of Contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

Section 12.16 Facsimile and PDF Delivery of Signature Pages.

The exchange of copies of this Indenture and of signature pages by facsimile or portable document format (“PDF”) transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Indenture or any document to be signed in connection with this Indenture shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

Section 12.17 U.S.A. PATRIOT Act.

The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. (a) The Initial Notes issued on the date hereof shall be (i) offered and sold by the Company to the initial purchasers thereof and (ii) resold, initially only to (1) QIBs in reliance on Rule 144A (“*Rule 144A Notes*”) and (2) Persons other than U.S. persons in reliance on Regulation S (“*Regulation S Notes*”). Additional Notes may also be considered to be Rule 144A Notes or Regulation S Notes, as applicable.

(b) *Global Notes.* Rule 144A Notes shall be issued initially in the form of one or more permanent Global Notes in definitive, fully registered form, numbered RA-1 upward (collectively, the “*Rule 144A Global Note*”) and Regulation S Notes shall be issued initially in the form of one or more Global Notes, numbered RS-1 upward (collectively, the “*Regulation S Global Note*”), in each case without interest coupons and bearing the Global Notes Legend and Restricted Notes Legend, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Custodian, and registered in the name of the Depository or a nominee of the Depository, duly executed by the Company and authenticated by the Trustee as provided in the Indenture. One or more Global Notes in definitive, fully registered form without interest coupons and bearing the Global Notes Legend and the Restricted Notes Legend, numbered RIAI-1 upward (collectively, the “*IAI Global Note*”) shall also be issued on the Issue Date, deposited with the Custodian, and registered in the name of the Depository or a nominee of the Depository, duly executed by the Company and authenticated by the Trustee as provided in this Indenture to accommodate transfers of beneficial interests in the Notes to IAs subsequent to the initial distribution. The Rule 144A Global Note, the IAI Global Note, the Regulation S Global Note and any Unrestricted Global Note are each referred to herein as a “*Global Note*” and are collectively referred to herein as “*Global Notes*.” Each Global Note shall represent such of the outstanding Notes as shall be specified in the “*Schedule of Exchanges of Interests in the Global Note*” attached thereto and each shall provide that it shall represent the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 of this Indenture and Section 2.2(c) of this Appendix A.

(c) *Book-Entry Provisions.* This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depository.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(c) and Section 2.02 of this Indenture and pursuant to an Authentication Order, authenticate and deliver initially one or more Global Notes that (i) shall be registered in the name of the Depository for such Global Note or Global Notes or the nominee of such Depository and (ii) shall be delivered by the Trustee to such Depository or pursuant to such Depository’s instructions or held by the Trustee as Custodian.

Members of, or participants in, the Depository (“*Agent Members*”) shall have no rights under the Indenture with respect to any Global Note held on their behalf by the Depository or by the Trustee as Custodian or under such Global Note, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a Holder of a beneficial interest in any Global Note.

(d) *Definitive Notes.* Except as provided in Section 2.2 or Section 2.3 of this Appendix A, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of Definitive Notes.

Section 2.2 *Transfer and Exchange.*

- (a) *Transfer and Exchange of Definitive Notes for Definitive Notes.* When Definitive Notes are presented to the Registrar with a request:
- (i) to register the transfer of such Definitive Notes; or
 - (ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Notes surrendered for transfer or exchange:

- (1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, duly executed by the Holder thereof or his or her attorney duly authorized in writing; and
- (2) in the case of Transfer Restricted Notes, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to Section 2.2(b) of this Appendix A or otherwise in accordance with the Restricted Notes Legend, and are accompanied by a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto.

(b) *Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note.* A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, together with:

- (i) a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto; and
- (ii) written instructions directing the Trustee to make, or to direct the Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depository account to be credited with such increase,

the Trustee shall cancel such Definitive Note and cause, or direct the Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If the applicable Global Note is not then outstanding, the Company shall issue and the Trustee shall authenticate, upon an Authentication Order, a new applicable Global Note in the appropriate principal amount.

(c) *Transfer and Exchange of Global Notes.*

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with the Indenture (including applicable restrictions on transfer set forth in Section 2.2(d) of this Appendix A, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Registrar a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in such Global Note, or another Global Note and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.3 of this Appendix A), a Global Note may not be transferred except as a whole and not in part if the transfer is by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(d) *Restrictions on Transfer of Global Notes; Voluntary Exchange of Interests in Transfer Restricted Global Notes for Interests in Unrestricted Global Notes.*

(i) Transfers by an owner of a beneficial interest in a Rule 144A Global Note or an IAI Global Note to a transferee who takes delivery of such interest through another Restricted Global Note shall be made in accordance with the Applicable Procedures and the Restricted Notes Legend and only upon receipt by the Trustee of a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto. In addition, in the case of a transfer of a beneficial interest in either a Regulation S Global Note or a Rule 144A Global Note for an interest in an IAI Global Note, the transferee must furnish a signed letter substantially in the form of *Exhibit B* to the Trustee.

(ii) During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures, the Restricted Notes Legend on such Regulation S Global Note and any applicable securities laws of any state of the U.S. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through a Rule 144A Global Note or an IAI Global Note shall be made only in accordance with the Applicable Procedures and the Restricted Notes Legend and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period. Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of the Indenture.

(iii) Upon the expiration of the Distribution Compliance Period, beneficial interests in the Regulation S Global Note may be exchanged for beneficial interests in an Unrestricted Global Note upon certification in the form provided on the reverse side of the Form of Note in *Exhibit A* for an exchange from a Regulation S Global Note to an Unrestricted Global Note.

(iv) Beneficial interests in a Transfer Restricted Note that is a Rule 144A Global Note or an IAI Global Note may be exchanged for beneficial interests in an Unrestricted Global Note if the Holder certifies in writing to the Registrar that its request for such exchange is in respect of a transfer made in reliance on Rule 144 (such certification to be in the form set forth on the reverse side of the Form of Note in *Exhibit A*) and/or upon delivery of such legal opinions, certifications and other information as the Company or the Trustee may reasonably request.

(v) If no Unrestricted Global Note is outstanding at the time of a transfer contemplated by the preceding clauses (iii) and (iv), the Company shall issue and the Trustee shall authenticate, upon an Authentication Order, a new Unrestricted Global Note in the appropriate principal amount.

(e) *Legends.*

(i) Except as permitted by Section 2.2(d) and this Section 2.2(e) of this Appendix A, each Note certificate evidencing the Global Notes and the Definitive Notes (and all Notes issued in exchange therefor or in substitution thereof) shall bear a legend in substantially the following form (each defined term in the legend being defined as such for purposes of the legend only) (“*Restricted Notes Legend*”):

At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Registrar (if it is then the Custodian for such Global Note) with respect to such Global Note, by the Registrar or the Custodian, to reflect such reduction.

Notwithstanding anything to the contrary herein, to the extent that the terms of this Agreement require (a) compliance with any basket, financial ratio or test (including any Consolidated Total Leverage Ratio test), (b) the absence of a Default or an Event of Default, or (c) a determination as to whether the representations and warranties contained in this Agreement or any other Loan Document, or which are contained in any document furnished at any time under or in connection herewith or therewith, shall be true and correct in all material respects (or, in all respects, if already qualified by materiality), in each case, in connection with the consummation of a Limited Condition Acquisition, the determination of whether the relevant condition is satisfied may be made, at the election of the Borrower, (A) on the date of the execution of the definitive agreement with respect to such Limited Condition Acquisition (such date, the “LCA Test Date”), or (B) on the date on which such Limited Condition Acquisition is consummated, in either case, after giving effect to the relevant Limited Condition Acquisition and any related incurrence of Indebtedness (other than Revolving Loans), on a Pro Forma Basis; provided that, notwithstanding the foregoing, in connection with any Limited Condition Acquisition: (1) (A) the condition set forth in clause (vi)(C) of the proviso to the definition of “Permitted Acquisition” shall be satisfied if (x) no Event of Default shall have occurred and be continuing as of the applicable LCA Test Date, and (y) no Specified Event of Default shall have occurred and be continuing at the time of consummation of such Limited Condition Acquisition, and (B) the condition set forth in clause (vi) of the proviso to the definition of “Permitted Acquisition” shall be required to be satisfied at the time of closing of the Limited Condition Acquisition but the representations and warranties which must be accurate at the time of closing of the Limited Condition Acquisition may be limited to customary “specified representations”; (2) if the proceeds of an additional Term Loan established under Section 2.1(d)(iii) are being used to finance such Limited Condition Acquisition, then (x) the conditions set forth in clause (F)(1) of the proviso to Section 2.1(d)(iii) shall be required to be satisfied at the time of closing of the Limited Condition Acquisition and funding of such additional Term Loan but, if the lenders providing such additional Term Loan so agree, the representations and warranties which must be accurate at the time of closing of the Limited Condition Acquisition and funding of such additional Term Loan may be limited to customary “specified representations” and such other representations and warranties as may be required by the lenders providing such additional Term Loan, and (y) the conditions set forth in clause (F)(2) of the proviso to Section 2.1(d)(iii) shall, if and to the extent the lenders providing such additional Term Loan so agree, be satisfied if (I) no Default or Event of Default shall have occurred and be continuing as of the applicable LCA Test Date, and (II) no Specified Event of Default shall have occurred and be continuing at the time of the funding of such additional Term Loan in connection with the consummation of such Limited Condition Acquisition; (3) if the proceeds of any Incremental Equivalent Debt are being used to finance such Limited Condition Acquisition, then (x) the conditions set forth in clause (i) of the proviso to the definition of “Incremental Equivalent Debt” shall be required to be satisfied at the time of closing of the Limited Condition Acquisition and funding of such Incremental Equivalent Debt but, if the lenders providing such Incremental Equivalent Debt so agree, the representations and warranties which must be accurate at the time of closing of the Limited Condition Acquisition and funding of such Incremental Equivalent Debt may be limited to customary “specified representations” and such other representations and warranties as may be required by the lenders providing such Incremental Equivalent Debt, and (y) the conditions set forth in clause (b) of the proviso to the definition of “Incremental Equivalent Debt” shall, if and to the extent the lenders providing such Incremental Equivalent Debt so agree, be satisfied if (I) no Default or Event of Default shall have occurred and be continuing as of the applicable LCA Test Date, and (II) no Specified Event of Default shall have occurred and be continuing at the time of the funding of such Incremental Equivalent Debt in connection with the consummation of such Limited Condition Acquisition; and (4) such Limited Condition Acquisition and the related Indebtedness to be incurred in connection therewith and the use of proceeds thereof shall be deemed incurred and/or applied at the LCA Test Date (until such time as the Indebtedness is actually incurred or the applicable definitive agreement is terminated without actually consummating the applicable Limited Condition Acquisition) and outstanding thereafter for purposes of determining compliance (other than in connection with the making of any Restricted Payment) with any financial ratio or test on a Pro Forma Basis (including any Consolidated Total Leverage Ratio test, or any calculation of the financial covenants set forth in Section 8.8) (it being understood and agreed that for purposes of determining compliance with any financial ratio or test on a Pro Forma Basis in connection with the making of any Restricted Payment, the Borrower shall demonstrate compliance with the applicable test both after giving effect to the applicable Limited Condition Acquisition and assuming that such acquisition had not occurred). For the avoidance of doubt, if any of such ratios or amounts for which compliance was determined or tested as of the LCA Test Date are thereafter exceeded or otherwise failed to have been complied with as a result of fluctuations in such ratio or amount (including due to fluctuations in Consolidated EBITDA), at or prior to the consummation of the relevant Limited Condition Acquisition, such ratios or amounts will not be deemed to have been exceeded or failed to be complied with as a result of such fluctuations solely for purposes of determining whether the relevant Limited Condition Acquisition is permitted to be consummated or taken. Except as set forth in clauses (2) and (3) in the proviso to the first sentence in this Section 1.4 in connection with the use of the proceeds of an additional Term Loan or Incremental Equivalent Debt to finance a Limited Condition Acquisition (and, in the case of such clauses (2) and (3), only if and to the extent the lenders providing such additional Term Loan or such Incremental Equivalent Debt, as applicable, so agree as provided in such clause (2) or clause (3), as applicable), it is understood and agreed that this Section 1.4 shall not limit the conditions set forth in Section 5.2 with respect to any proposed Credit Extension, in connection with a Limited Condition Acquisition or otherwise.

Section 2. LOANS AND LETTERS OF CREDIT

Section 2.1 Revolving Loans and Term Loan A.

(a) Revolving Loans. During the Revolving Commitment Period, subject to the terms and conditions hereof, each Lender severally agrees to make revolving loans (each such loan, a "Revolving Loan") to the Borrower in an aggregate amount up to but not exceeding such Lender's Revolving Commitment; provided, that after giving effect to the making of any Revolving Loan, (i) the Total Revolving Outstandings shall not exceed the Aggregate Revolving Commitments, and (ii) the Revolving Credit Exposure of any Lender shall not exceed such Lender's Revolving Commitment. Amounts borrowed pursuant to this Section 2.1(a) may be repaid and reborrowed without premium or penalty (subject to Section 3.1(c)) during the Revolving Commitment Period. The Revolving Loans may consist of Base Rate Loans, Adjusted LIBOR Rate Loans, or a combination thereof, as the Borrower may request. Each Lender's Revolving Commitment shall expire on the Revolving Commitment Termination Date and all Revolving Loans and all other amounts owed hereunder with respect to the Revolving Loans and the Revolving Commitments shall be paid in full no later than such date.

(b) Term Loan A. Subject to the terms and conditions set forth herein, the Lenders will make advances of their respective Term Loan A Commitment Percentages of a term loan (the "Term Loan A") in an amount not to exceed the Term Loan A Commitment, which Term Loan A will be disbursed to the Borrower in Dollars in a single advance on the Closing Date. The Term Loan A may consist of Base Rate Loans, Adjusted LIBOR Rate Loans, or a combination thereof, as the Borrower may request. Amounts repaid on the Term Loan A may not be reborrowed.

(c) Mechanics for Revolving Loans and Term Loans.

(i) All Term Loans and, except pursuant to Section 2.2(b)(iii), all Revolving Loans shall be made in an aggregate minimum amount of \$500,000 and integral multiples of \$100,000 in excess of that amount.

(ii) Whenever the Borrower desires that the Lenders make a Term Loan or a Revolving Loan, the Borrower shall deliver to the Administrative Agent a fully executed Funding Notice no later than (x) 1:00 p.m. at least three (3) Business Days in advance of the proposed Credit Date in the case of an Adjusted LIBOR Rate Loan and (y) 1:00 p.m. at least one (1) Business Day in advance of the proposed Credit Date in the case of a Loan that is a Base Rate Loan. Except as otherwise provided herein, any Funding Notice for any Loans that are Adjusted LIBOR Rate Loans shall be irrevocable on and after the related Interest Rate Determination Date, and the Borrower shall be bound to make a borrowing in accordance therewith.

(iii) Notice of receipt of each Funding Notice in respect of each Revolving Loan or Term Loan, together with the amount of each Lender's Revolving Commitment Percentage or Term Loan Commitment Percentage thereof, respectively, if any, together with the applicable interest rate, shall be provided by the Administrative Agent to each applicable Lender by telefacsimile with reasonable promptness, but (provided the Administrative Agent shall have received such notice by 1:00 p.m.) not later than 4:00 p.m. on the same day as the Administrative Agent's receipt of such notice from the Borrower.

(iv) Each Lender shall make its Revolving Commitment Percentage of the requested Revolving Loan or its Term Loan Commitment Percentage of the requested Term Loan available to the Administrative Agent not later than 11:00 a.m. on the applicable Credit Date by wire transfer of same day funds in Dollars, at the Administrative Agent's Principal Office. Except as provided herein, upon satisfaction or waiver of the applicable conditions precedent specified herein, the Administrative Agent shall make the proceeds of such Credit Extension available to the Borrower on the applicable Credit Date by causing an amount of same day funds in Dollars equal to the proceeds of all Loans received by the Administrative Agent in connection with the Credit Extension from the Lenders to be credited to the account of the Borrower at the Administrative Agent's Principal Office or such other account as may be designated in writing to the Administrative Agent by the Borrower.

(d) Increase in Revolving Commitments and Establishment of Additional Term Loans. The Borrower may, at any time and from time to time, upon prior written notice by the Borrower to the Administrative Agent, increase the Revolving Commitments (but not the Letter of Credit Sublimit or the Swing Line Sublimit) and/or establish one or more additional Term Loans subject to the following:

(i) After giving effect to such additional Term Loans (and after giving effect to any Permitted Acquisition consummated simultaneously therewith) and/or increases in the Revolving Commitments (assuming such increase in the Revolving Commitments is fully-drawn), in each case, on a Pro Forma Basis, the Consolidated Total Leverage Ratio shall not exceed 3.00:1.0;

(ii) The Borrower may, at any time and from time to time, upon prior written notice by the Borrower to the Administrative Agent increase the Aggregate Revolving Commitments (but not the Letter of Credit Sublimit or the Swing Line Sublimit) with additional Revolving Commitments from any existing Lender with a Revolving Commitment or new Revolving Commitments from any other Person selected by the Borrower and reasonably acceptable to the Administrative Agent, the Issuing Bank and the Swing Line Lender; provided that:

(A) any such increase shall be in a minimum principal amount of \$10,000,000 and in integral multiples of \$5,000,000 in excess thereof;

(B) no Default or Event of Default shall exist before and immediately after giving effect to such increase;

(C) the Borrower shall be in compliance, on a Pro Forma Basis after giving effect to the incurrence of any such increase in the Revolving Commitments (assuming such increase in the Revolving Commitments is fully-drawn), with the financial covenants set forth in clauses (a) and (b) of Section 8.8, recomputed as of the last day of the most recently ended Fiscal Quarter of the Borrower for which financial statements have been delivered pursuant to clauses (a) or (b) of Section 7.1;

(D) no existing Lender shall be under any obligation to increase its Revolving Commitment and any such decision whether to increase its Revolving Commitment shall be in such Lender's sole and absolute discretion;

(E) (1) any new Lender providing a Revolving Commitment in connection with any increase in Aggregate Revolving Commitments shall join this Agreement by executing such joinder documents reasonably required by the Administrative Agent and/or (2) any existing Lender electing to increase its Revolving Commitment shall have executed a commitment agreement reasonably satisfactory to the Administrative Agent;

(F) any such increase in the Revolving Commitments shall be subject to receipt by the Administrative Agent of customary legal opinions and a certificate of the Borrower dated as of the date of such increase signed by an Authorized Officer of the Borrower (x) certifying and attaching the resolutions adopted by the Borrower and each Guarantor approving or consenting to such increase, and (y) certifying that, before and after giving effect to such increase, (1) the representations and warranties contained in Section 6 and the other Loan Documents are true and correct in all material respects (or, in all respects, if already qualified by materiality), on and as of the date of such increase, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct in all material respects (or, in all respects, if already qualified by materiality) as of such earlier date, and (2) no Default or Event of Default exists; and

(G) any such increase in the Revolving Commitments shall have terms identical to those for Revolving Loans under this Agreement, except for fees payable to the Lenders providing commitments for such increase in the Revolving Commitments.

The Borrower shall be permitted to draw on the commitments of the Lenders providing for such increase in the Revolving Commitments on a nonratable basis in order to prepay any Revolving Loans owing under this Agreement on the date of any such increase in the Revolving Commitments to the extent necessary to keep the outstanding Revolving Loans ratable with any revised Revolving Commitments arising from any nonratable increase in the Revolving Commitments under this Section.

(iii) The Borrower may, at any time and from time to time, upon prior written notice to the Administrative Agent, request the establishment of one or more additional Term Loans from existing Lenders or other Persons selected by the Borrower (other than the Borrower or any Affiliate or Subsidiary of the Borrower) and reasonably acceptable to the Administrative Agent; provided, that:

(A) any such increase shall be in a minimum aggregate principal amount of \$10,000,000 and integral multiples of \$5,000,000 in excess thereof;

(B) no Default or Event of Default shall exist before and immediately after giving effect to such additional Term Loan;

(C) the Borrower shall be in compliance, on a Pro Forma Basis after giving effect to the incurrence of any additional Term Loan (and after giving effect on a Pro Forma Basis to any Permitted Acquisition consummated simultaneously therewith), with the financial covenants set forth in clauses (a) and (b) of Section 8.8, recomputed as of the last day of the most recently ended Fiscal Quarter of the Borrower for which financial statements have been delivered pursuant to clauses (a) or (b) of Section 7.1;

(D) no existing Lender shall be under any obligation to provide a portion of any additional Term Loan and any such decision whether to provide a portion of any additional Term Loan shall be in such Lender's sole and absolute discretion;

(E) (1) any new Lender shall join this Agreement by executing such joinder documents reasonably required by the Administrative Agent and/or (2) any existing Lender electing to provide a Term Loan Commitment with respect to such additional Term Loan shall have executed a commitment or joinder agreement reasonably satisfactory to the Administrative Agent;

(F) the establishment of any additional Term Loan shall be subject to receipt by the Administrative Agent of customary legal opinions and a certificate of the Borrower dated as of the date of the establishment of such additional Term Loan signed by an Authorized Officer of the Borrower (x) certifying and attaching the resolutions adopted by the Borrower and each Guarantor approving or consenting to such increase, and (y) certifying that, before and after giving effect to such increase, (1) the representations and warranties contained in Section 6 and the other Loan Documents are true and correct in all material respects (or, in all respects, if already qualified by materiality) on and as of the date of such increase, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct in all material respects (or, in all respects, if already qualified by materiality) as of such earlier date, and (2) no Default or Event of Default exists.

(G) the Applicable Margin of any additional Term Loan shall be as set forth in the commitment or joinder agreement executed by the Borrower in connection therewith; provided that the all-in yield (including interest rate margins, any interest rate floors, original issue discount and upfront fees (based on the lesser of a four-year average life to maturity or the remaining life to maturity), but excluding arrangement, structuring and underwriting fees paid or payable to the arranger providing such additional Term Loan) applicable to such additional Term Loan shall not be more than 0.50% higher than the corresponding all-in yield (determined on the same basis) applicable to the Term Loan A or any other then existing Term Loan (it being understood that interest on the Term Loan A and any other then existing Term Loan may be increased to the extent necessary to satisfy this requirement);

(H) the maturity date for any additional Term Loan shall be as set forth in the commitment or joinder agreement executed by the Borrower in connection therewith; provided that such date shall be no earlier than the Term Loan A Maturity Date or the maturity date of any other then existing Term Loan; and

(I) the scheduled principal amortization payments under any additional Term Loan shall be as set forth in the commitment or joinder agreement executed by the Borrower in connection therewith; provided that the Weighted Average Life to Maturity of any such additional Term Loan shall not be less than the Weighted Average Life to Maturity of the Term Loan A and any other then existing Term Loan.

Section 2.2 Swing Line Loans.

(a) Swing Line Loans Commitments. During the Revolving Commitment Period, subject to the terms and conditions hereof, the Swing Line Lender may, in its sole discretion, make Swing Line Loans to the Borrower in the aggregate amount up to but not exceeding the Swing Line Sublimit; provided, that after giving effect to the making of any Swing Line Loan, in no event shall (i) the Total Revolving Outstandings exceed the Aggregate Revolving Commitments and (ii) the Revolving Credit Exposure of any Lender exceed such Lender's Revolving Commitment. Amounts borrowed pursuant to this Section 2.2 may be repaid and reborrowed during the Revolving Commitment Period. The Swing Line Lender's Revolving Commitment shall expire on the Revolving Commitment Termination Date and all Swing Line Loans and all other amounts owed hereunder with respect to the Swing Line Loans and the Revolving Commitments shall be paid in full no later than such date.

(b) Borrowing Mechanics for Swing Line Loans.

(i) Subject to clause (vi) below, whenever the Borrower desires that the Swing Line Lender make a Swing Line Loan, the Borrower shall deliver to the Administrative Agent a Funding Notice no later than 11:00 a.m. on the proposed Credit Date.

(ii) The Swing Line Lender shall make the amount of its Swing Line Loan available to the Administrative Agent not later than 3:00 p.m. on the applicable Credit Date by wire transfer of same day funds in Dollars, at the Administrative Agent's Principal Office. Except as provided herein, upon satisfaction or waiver of the conditions precedent specified herein, the Administrative Agent shall make the proceeds of such Swing Line Loans available to the Borrower on the applicable Credit Date by causing an amount of same day funds in Dollars equal to the proceeds of all such Swing Line Loans received by the Administrative Agent from the Swing Line Lender to be credited to the account of the Borrower at the Administrative Agent's Principal Office, or to such other account as may be designated in writing to the Administrative Agent by the Borrower.

(iii) With respect to any Swing Line Loans which have not been voluntarily prepaid by the Borrower pursuant to Section 2.11, the Swing Line Lender may at any time in its sole and absolute discretion, deliver to the Administrative Agent (with a copy to the Borrower), no later than 11:00 a.m. on the day of the proposed Credit Date, a notice (which shall be deemed to be a Funding Notice given by the Borrower) requesting that each Lender holding a Revolving Commitment make Revolving Loans that are Base Rate Loans to the Borrower on such Credit Date in an amount equal to the amount of such Swing Line Loans (the "Refunded Swing Line Loans") outstanding on the date such notice is given which the Swing Line Lender requests Lenders to prepay. Anything contained in this Agreement to the contrary notwithstanding, (1) the proceeds of such Revolving Loans made by the Lenders other than the Swing Line Lender shall be immediately delivered by the Administrative Agent to the Swing Line Lender (and not to the Borrower) and applied to repay a corresponding portion of the Refunded Swing Line Loans and (2) on the day such Revolving Loans are made, the Swing Line Lender's Revolving Commitment Percentage of the Refunded Swing Line Loans shall be deemed to be paid with the proceeds of a Revolving Loan made by the Swing Line Lender to the Borrower, and such portion of the Swing Line Loans deemed to be so paid shall no longer be outstanding as Swing Line Loans and shall no longer be due under the Note of the Swing Line Lender but shall instead constitute part of the Swing Line Lender's outstanding Revolving Loans to the Borrower and shall be due under the Note issued by the Borrower to the Swing Line Lender. The Borrower hereby authorizes the Administrative Agent and the Swing Line Lender to charge the Borrower's accounts with the Administrative Agent and the Swing Line Lender (up to the amount available in each such account) in order to immediately pay the Swing Line Lender the amount of the Refunded Swing Line Loans to the extent the proceeds of such Revolving Loans made by the Lenders, including the Revolving Loans deemed to be made by the Swing Line Lender, are insufficient to repay in full the Refunded Swing Line Loans. If any portion of any such amount paid (or deemed to be paid) to the Swing Line Lender should be recovered by or on behalf of the Borrower from the Swing Line Lender in bankruptcy, by assignment for the benefit of creditors or otherwise, the loss of the amount so recovered shall be ratably shared among all Lenders in the manner contemplated by Section 2.14.

(iv) If for any reason Revolving Loans are not made pursuant to Section 2.2(b)(iii) in an amount sufficient to repay any amounts owed to the Swing Line Lender in respect of any outstanding Swing Line Loans on or before the third Business Day after demand for payment thereof by the Swing Line Lender, each Lender holding a Revolving Commitment shall be deemed to, and hereby agrees to, have purchased a participation in such outstanding Swing Line Loans, and in an amount equal to its Revolving Commitment Percentage of the applicable unpaid amount together with accrued interest thereon; provided that any such participation purchased by a Lender shall be limited to an amount that would not cause the Revolving Credit Exposure of such Lender (after giving effect to such participation) to exceed such Lender's Revolving Commitment. On the Business Day that notice is provided by the Swing Line Lender (or by the 11:00 a.m. on the following Business Day if such notice is provided after 2:00 p.m.), each Lender holding a Revolving Commitment shall deliver to the Swing Line Lender an amount equal to its respective participation in the applicable unpaid amount in same day funds at the Principal Office of the Swing Line Lender. In order to evidence such participation each Lender holding a Revolving Commitment agrees to enter into a participation agreement at the request of the Swing Line Lender in form and substance reasonably satisfactory to the Swing Line Lender. In the event any Lender holding a Revolving Commitment fails to make available to the Swing Line Lender the amount of such Lender's participation as provided in this paragraph, the Swing Line Lender shall be entitled to recover such amount on demand from such Lender together with interest thereon for three (3) Business Days at the rate customarily used by the Swing Line Lender for the correction of errors among banks and thereafter at the Base Rate, as applicable.

(v) Notwithstanding anything contained herein to the contrary, (1) each Lender's obligation to make Revolving Loans for the purpose of repaying any Refunded Swing Line Loans pursuant to clause (iii) above and each Lender's obligation to purchase a participation in any unpaid Swing Line Loans pursuant to the immediately preceding paragraph shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any set-off, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, any Loan Party or any other Person for any reason whatsoever; (B) the occurrence or continuation of a Default or Event of Default; (C) any adverse change in the business, operations, properties, assets, condition (financial or otherwise) or prospects of any Loan Party; (D) any breach of this Agreement or any other Loan Document by any party thereto; or (E) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing; provided that such obligations of each Lender are subject to the condition that the Swing Line Lender had not received prior notice from the Borrower or the Required Lenders that any of the conditions under Section 5.2 to the making of the applicable Refunded Swing Line Loans or other unpaid Swing Line Loans were not satisfied at the time such Refunded Swing Line Loans or other unpaid Swing Line Loans were made; and (2) the Swing Line Lender shall not be obligated to make any Swing Line Loans (A) if it has elected not to do so after the occurrence and during the continuation of a Default or Event of Default, (B) it does not in good faith believe that all conditions under Section 5.2 to the making of such Swing Line Loan have been satisfied or waived by the Required Lenders or (C) at a time when a Defaulting Lender exists, unless the Swing Line Lender has entered into arrangements satisfactory to it and the Borrower to eliminate the Swing Line Lender's risk with respect to the Defaulting Lender's participation in such Swing Line Loan, including by Cash Collateralizing such Defaulting Lender's Revolving Commitment Percentage of the outstanding Swing Line Loans in a manner reasonably satisfactory to the Swing Line Lender and the Administrative Agent.

Section 2.3 Issuances of Letters of Credit and Purchase of Participations Therein.

(a) Letters of Credit. During the Revolving Commitment Period, subject to the terms and conditions hereof, the Issuing Bank agrees to issue standby Letters of Credit for the account of the Borrower or any of its Subsidiaries in the aggregate amount up to but not exceeding the Letter of Credit Sublimit; provided (i) each Letter of Credit shall be denominated in Dollars; (ii) the stated amount of each Letter of Credit shall not be less than \$50,000 or such lesser amount as is acceptable to the applicable Issuing Bank; (iii) after giving effect to such issuance, in no event shall (x) the Total Revolving Outstandings exceed the Aggregate Revolving Commitments, (y) the Revolving Credit Exposure of any Lender exceed such Lender's Revolving Commitment and (z) the Outstanding Amount of Letter of Credit Obligations exceed the Letter of Credit Sublimit; and (iv) in no event shall any Letter of Credit have an expiration date later than the earlier of (1) seven (7) days prior to the Revolving Commitment Termination Date, and (2) the date which is one (1) year from the date of issuance of such Letter of Credit. Subject to the foregoing (other than clause (iv)) the Issuing Bank may agree that a Letter of Credit will automatically be extended for one or more successive periods not to exceed one (1) year each, unless the Issuing Bank elects not to extend for any such additional period; provided no Issuing Bank shall extend any such Letter of Credit if it has received written notice that an Event of Default has occurred and is continuing at the time the Issuing Bank must elect to allow such extension; provided, further, in the event that any Lender is at such time a Defaulting Lender, unless the applicable Issuing Bank has entered into arrangements satisfactory to the Issuing Bank (in its sole discretion) with the Borrower or such Defaulting Lender to eliminate the Issuing Bank's Fronting Exposure with respect to such Lender (after giving effect to Section 2.16(a)(iv) and any Cash Collateral provided by the Defaulting Lender), including by Cash Collateralizing such Defaulting Lender's Revolving Commitment Percentage of the Outstanding Amount of the Letter of Credit Obligations in a manner reasonably satisfactory to Agents, the Issuing Bank shall not be obligated to issue or extend any Letter of Credit hereunder. The Issuing Bank may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication ("SWIFT") message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

(b) Notice of Issuance. Whenever the Borrower desires the issuance of a Letter of Credit, the Borrower shall deliver to the Administrative Agent an Issuance Notice no later than 1:00 p.m. at least three (3) Business Days or such shorter period as may be agreed to by the Issuing Bank in any particular instance, in advance of the proposed date of issuance. Upon satisfaction or waiver of the conditions set forth in Section 5.2, the Issuing Bank shall issue the requested Letter of Credit only in accordance with the Issuing Bank's standard operating procedures (including, without limitation, the delivery by the Borrower of such executed documents and information pertaining to such requested Letter of Credit, including any Issuer Documents, as the applicable Issuing Bank or the Administrative Agent may require). Upon the issuance of any Letter of Credit or amendment or modification to a Letter of Credit, the applicable Issuing Bank shall promptly notify the Administrative Agent and each Lender of such issuance, which notice shall be accompanied by a copy of such Letter of Credit or amendment or modification to a Letter of Credit and the amount of such Lender's respective participation in such Letter of Credit pursuant to Section 2.3(e).

(c) Responsibility of Issuing Bank With Respect to Requests for Drawings and Payments. In determining whether to honor any drawing under any Letter of Credit by the beneficiary thereof, the applicable Issuing Bank shall be responsible only to examine the documents delivered under such Letter of Credit with reasonable care so as to ascertain whether they appear on their face to be in accordance with the terms and conditions of such Letter of Credit. As between the Borrower and the Issuing Bank, the Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit issued by the Issuing Bank, by the respective beneficiaries of such Letters of Credit. In furtherance and not in limitation of the foregoing, no Issuing Bank shall be responsible for: (i) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of any such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged; (ii) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (iii) failure of the beneficiary of any such Letter of Credit to comply fully with any conditions required in order to draw upon such Letter of Credit; (iv) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, whether or not they be in cipher; (v) errors in interpretation of technical terms; (vi) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof; (vii) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; or (viii) any consequences arising from causes beyond the control of the Issuing Bank, including any Governmental Acts; none of the above shall affect or impair, or prevent the vesting of, the Issuing Bank's rights or powers hereunder. Without limiting the foregoing and in furtherance thereof, any action taken or omitted by the Issuing Bank under or in connection with the Letters of Credit or any documents and certificates delivered thereunder, if taken or omitted in good faith in the absence of gross negligence, shall not give rise to any liability on the part of the Issuing Bank to any Loan Party. Notwithstanding anything to the contrary contained in this Section 2.3(c), the Borrower shall retain any and all rights it may have against the Issuing Bank for any liability arising out of the gross negligence or willful misconduct of the Issuing Bank, as determined by a court of competent jurisdiction in a final, non-appealable order.

(d) Reimbursement by the Borrower of Amounts Drawn or Paid Under Letters of Credit. In the event the Issuing Bank has determined to honor a drawing under a Letter of Credit, it shall immediately notify the Borrower and the Administrative Agent, and the Borrower shall reimburse the Issuing Bank on or before the Business Day immediately following the date on which such drawing is honored (the "Reimbursement Date") in an amount in Dollars and in same day funds equal to the amount of such honored drawing; provided anything contained herein to the contrary notwithstanding, (i) unless the Borrower shall have notified the Administrative Agent and the applicable Issuing Bank prior to 11:00 a.m. on the date such drawing is honored that the Borrower intends to reimburse the Issuing Bank for the amount of such honored drawing with funds other than the proceeds of Revolving Loans, the Borrower shall be deemed to have given a timely Funding Notice to the Administrative Agent requesting the Lenders to make Revolving Loans that are Base Rate Loans on the Reimbursement Date in an amount in Dollars equal to the amount of such honored drawing, and (ii) subject to satisfaction or waiver of the conditions specified in Section 5.2, the Lenders shall, on the Reimbursement Date, make Revolving Loans that are Base Rate Loans in the amount of such honored drawing, the proceeds of which shall be applied directly by the Administrative Agent to reimburse the applicable Issuing Bank for the amount of such honored drawing; and provided further, if for any reason proceeds of Revolving Loans are not received by the applicable Issuing Bank on the Reimbursement Date in an amount equal to the amount of such honored drawing, the Borrower shall reimburse the Issuing Bank, on demand, in an amount in same day funds equal to the excess of the amount of such honored drawing over the aggregate amount of such Revolving Loans, if any, which are so received. Nothing in this Section 2.3(d) shall be deemed to relieve any Lender from its obligation to make Revolving Loans on the terms and conditions set forth herein, and the Borrower shall retain any and all rights it may have against any Lender resulting from the failure of such Lender to make such Revolving Loans under this Section 2.3(d).

(e) Lenders' Purchase of Participations in Letters of Credit. Immediately upon the issuance of each Letter of Credit, each Lender having a Revolving Commitment shall be deemed to have purchased, and hereby agrees to irrevocably purchase, from the applicable Issuing Bank a participation in such Letter of Credit and any drawings honored thereunder in an amount equal to such Lender's Revolving Commitment Percentage (with respect to the Revolving Commitments) of the maximum amount which is or at any time may become available to be drawn thereunder; provided that any such participation purchased by a Lender shall be limited to an amount that would not cause the Revolving Credit Exposure of such Lender (after giving effect to such participation) to exceed such Lender's Revolving Commitment. In the event that the Borrower shall fail for any reason to reimburse the Issuing Bank as provided in Section 2.3(d), the applicable Issuing Bank shall promptly notify each Lender of the unreimbursed amount of such honored drawing and of such Lender's respective participation therein based on such Lender's Revolving Commitment Percentage. Each Lender shall make available to the applicable Issuing Bank an amount equal to its respective participation, in Dollars and in same day funds, at the office of the Issuing Bank specified in such notice, not later than 12:00 p.m. on the first Business Day (under the laws of the jurisdiction in which such office of the Issuing Bank is located) after the date notified by the Issuing Bank. In the event that any Lender fails to make available to the applicable Issuing Bank on such Business Day the amount of such Lender's participation in such Letter of Credit as provided in this Section 2.3(e), the Issuing Bank shall be entitled to recover such amount on demand from such Lender together with interest thereon for three (3) Business Days at the rate customarily used by the applicable Issuing Bank for the correction of errors among banks and thereafter at the Base Rate. Nothing in this Section 2.3(e) shall be deemed to prejudice the right of any Lender to recover from the Issuing Bank any amounts made available by such Lender to the Issuing Bank pursuant to this Section in the event that it is determined that the payment with respect to a Letter of Credit in respect of which payment was made by such Lender constituted gross negligence or willful misconduct on the part of the Issuing Bank, as determined by a court of competent jurisdiction in a final, non-appealable order. In the event the Issuing Bank shall have been reimbursed by other Lenders pursuant to this Section 2.3(e) for all or any portion of any drawing honored by the Issuing Bank under a Letter of Credit, the Issuing Bank shall distribute to each Lender which has paid all amounts payable by it under this Section 2.3(e) with respect to such honored drawing such Lender's Revolving Commitment Percentage of all payments subsequently received by the Issuing Bank from the Borrower in reimbursement of such honored drawing when such payments are received. Any such distribution shall be made to a Lender at its primary address set forth below its name on Appendix B or at such other address as such Lender may request.

(f) Obligations Absolute. The obligation of the Borrower to reimburse the applicable Issuing Bank for drawings honored under the Letters of Credit issued by it and to repay any Revolving Loans made by the Lenders pursuant to Section 2.3(d) and the obligations of the Lenders under Section 2.3(e) shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms hereof under all circumstances including any of the following circumstances: (i) any lack of validity or enforceability of any Letter of Credit; (ii) the existence of any claim, set-off, defense (other than that such drawing has been repaid) or other right which the Borrower or any Lender may have at any time against a beneficiary or any transferee of any Letter of Credit (or any Persons for whom any such transferee may be acting), the Issuing Bank, a Lender or any other Person or, in the case of a Lender, against the Borrower, whether in connection herewith, the transactions contemplated herein or any unrelated transaction (including any underlying transaction between the Borrower or any of its Subsidiaries and the beneficiary for which any Letter of Credit was procured); (iii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; (iv) payment by the Issuing Bank under any Letter of Credit against presentation of a draft or other document which does not substantially comply with the terms of such Letter of Credit; (v) any adverse change in the business, operations, properties, assets, or financial condition of the Borrower or any of its Subsidiaries; (vi) any breach hereof or any other Loan Document by any party thereto; (vii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing; or (viii) the fact that an Event of Default or a Default shall have occurred and be continuing; provided, in each case, that payment by the applicable Issuing Bank under the applicable Letter of Credit shall not have constituted gross negligence or willful misconduct of the Issuing Bank under the circumstances in question, as determined by a court of competent jurisdiction in a final, non-appealable order.

(g) Indemnification. Without duplication of any obligation of the Loan Parties under Section 11.2, in addition to amounts payable as provided herein, each of the Loan Parties hereby agrees, on a joint and several basis, to protect, indemnify, pay and save harmless the Issuing Bank from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including reasonable out-of-pocket fees, expenses and disbursements of counsel) which the Issuing Bank may incur or be subject to as a consequence, direct or indirect, of (i) the issuance of any Letter of Credit by the Issuing Bank, other than as a result of (1) the gross negligence or willful misconduct of the Issuing Bank, as determined by a court of competent jurisdiction in a final, non-appealable order, or (2) the wrongful dishonor by the Issuing Bank of a proper demand for payment made under any Letter of Credit issued by it, or (ii) the failure of the Issuing Bank to honor a drawing under any such Letter of Credit as a result of any Governmental Act other than as a result of the gross negligence or willful misconduct of the Issuing Bank, as determined by a court of competent jurisdiction in a final, non-appealable order.

(h) Applicability of ISP. Unless otherwise expressly agreed by the applicable Issuing Bank and the Borrower when a Letter of Credit is issued, the rules of the ISP shall apply to each Letter of Credit.

(i) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary of the Borrower, the Borrower shall be obligated to reimburse the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of the Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

(j) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

Section 2.4 Pro Rata Shares; Availability of Funds.

(a) Pro Rata Shares. All Loans shall be made, and all participations purchased, by the Lenders simultaneously and proportionately to their respective pro rata shares of the Loans, it being understood that no Lender shall be responsible for any default by any other Lender in such other Lender's obligation to make a Loan requested hereunder or purchase a participation required hereby nor shall any Revolving Commitment or any Term Loan Commitment, or the portion of the aggregate outstanding principal amount of the Revolving Loans or the Term Loans, of any Lender be increased or decreased as a result of a default by any other Lender in such other Lender's obligation to make a Loan requested hereunder or purchase a participation required hereby.

(b) Availability of Funds.

(i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.1(c) or, in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.1(c) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent promptly on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans, plus, in either case, any administrative, processing or similar fees customarily charged by the Administrative Agent in connection therewith. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by the Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or each applicable Issuing Bank, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or each applicable Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent promptly on demand the amount so distributed to such Lender or the Issuing Bank, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Notices given by the Administrative Agent under this subsection (b) shall be conclusive absent manifest error.

Section 2.5 Evidence of Debt; Register; Lenders' Books and Records; Notes.

(a) Lenders' Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Obligations of the Borrower and each other Loan Party to such Lender, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on the Borrower, absent manifest error; provided, that the failure to make any such recordation, or any error in such recordation, shall not affect any Lender's Commitment or the Borrower's obligations in respect of any applicable Loans; and provided, further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern in the absence of demonstrable error therein.

(b) Notes. The Borrower shall execute and deliver to each (i) Lender on the Closing Date, (ii) Person who is a permitted assignee of such Lender pursuant to Section 11.5 and (iii) Person who becomes a Lender in accordance with Section 2.1(d), in each case, to the extent requested by such Person, a Note to evidence such Person's portion of the Loans.

Section 2.6 Scheduled Principal Payments.

(a) Revolving Loans. The principal amount of Revolving Loans is due and payable in full on the Revolving Commitment Termination Date.

(b) Swing Line Loans. The principal amount of the Swing Line Loans is due and payable in full on the earlier to occur of (i) the date of demand by the Swing Line Lender and (ii) the Revolving Commitment Termination Date.

(c) Term Loan A. The principal amount of the Term Loan A shall be repaid in installments on the date and in the amounts set forth in the table below (as such installments may hereafter be adjusted as a result of prepayments made pursuant to Section 2.11), unless accelerated sooner pursuant to Section 9:

(d) Additional Term Loans. The principal amount of any Term Loan established after the Closing Date pursuant to Section 2.1(d)(iii) shall be repaid in installments on the date and in the amounts set forth in the documents executed and delivered by the Borrower pursuant to which such additional Term Loan is established.

Section 2.7 Interest on Loans.

(a) Except as otherwise set forth herein, each Loan shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise) thereof as follows:

(i) in the case of Revolving Loans or the Term Loan A:

(A) if a Base Rate Loan (including a Base Rate Loan referencing the LIBOR Index Rate), the Base Rate plus the Applicable Margin; or

(B) if an Adjusted LIBOR Rate Loan, the Adjusted LIBOR Rate plus the Applicable Margin; and

(ii) in the case of Swing Line Loans, at the Swing Line Rate;

(iii) in the case of any Term Loan established pursuant to Section 2.1(d)(iii), at the percentages per annum specified in the lender joinder agreement(s) and/or the commitment agreement(s) whereby such Term Loan is established.

(b) The basis for determining the rate of interest with respect to any Loan (except a Swing Line Loan, which may only be made and maintained at the Swing Line Rate (unless and until converted into a Revolving Loan pursuant to the terms and conditions hereof)), and the Interest Period with respect to any Adjusted LIBOR Rate Loan, shall be selected by the Borrower and notified to the Administrative Agent and the Lenders pursuant to the applicable Funding Notice or Conversion/Continuation Notice, as the case may be. If on any day a Loan is outstanding with respect to which a Funding Notice or Conversion/Continuation Notice has not been delivered to the Administrative Agent in accordance with the terms hereof specifying the applicable basis for determining the rate of interest, then for that day (i) if such Loan is an Adjusted LIBOR Rate Loan, such Loan shall become a Base Rate Loan and (ii) if such Loan is a Base Rate Loan, such Loan shall remain a Base Rate Loan.

(c) In connection with Adjusted LIBOR Rate Loans, there shall be no more than eight (8) Interest Periods outstanding at any time. In the event the Borrower fails to specify between a Base Rate Loan or an Adjusted LIBOR Rate Loan in the applicable Funding Notice or Conversion/Continuation Notice, such Loan (i) if outstanding as an Adjusted LIBOR Rate Loan, will be automatically converted into a Base Rate Loan on the last day of the then-current Interest Period for such Loan, and (ii) if outstanding as a Base Rate Loan will remain as, or (if not then outstanding) will be made as, a Base Rate Loan. In the event the Borrower fails to specify an Interest Period for any Adjusted LIBOR Rate Loan in the applicable Funding Notice or Conversion/Continuation Notice, the Borrower shall be deemed to have selected an Interest Period of one (1) month. As soon as practicable after 10:00 a.m. on each Interest Rate Determination Date and each Index Rate Determination Date, the Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to each of the LIBOR Loans for which an interest rate is then being determined (and for the applicable Interest Period in the case of Adjusted LIBOR Rate Loans) and shall promptly give notice thereof (in writing or by telephone confirmed in writing) to the Borrower and each Lender.

(d) Interest payable pursuant to this Section 2.7 shall be computed on the basis of (i) for interest at the Base Rate (including Base Rate Loans determined by reference to the LIBOR Index Rate), year of three hundred sixty-five (365) or three hundred sixty-six (366) days, as the case may be, and (ii) for all other computations of fees and interest, a year of three hundred sixty (360) days, in each case for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of such Loan or the first day of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted from an Adjusted LIBOR Rate Loan, the date of conversion of such Adjusted LIBOR Rate Loan to such Base Rate Loan, as the case may be, shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted to an Adjusted LIBOR Rate Loan, the date of conversion of such Base Rate Loan to such Adjusted LIBOR Rate Loan, as the case may be, shall be excluded; provided, if a Loan is repaid on the same day on which it is made, one (1) day's interest shall be paid on that Loan.

(e) If, as a result of any restatement of or other adjustment to the financial statements of the Borrower or for any other reason, the Borrower or the Lenders determine that (i) the Consolidated Total Leverage Ratio as calculated by the Borrower as of any applicable date was inaccurate and (ii) a proper calculation of the Consolidated Total Leverage Ratio would have resulted in higher pricing for such period, the Borrower shall immediately and retroactively be obligated to pay to the Administrative Agent for the account of the Lenders promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code or other Debtor Relief Law, automatically and without further action by the Administrative Agent or any Lender), an amount equal to the excess of the amount of interest and fees that should have been paid for such period over the amount of interest and fees actually paid for such period. This subsection (e) shall not limit the rights of the Administrative Agent or any Lender, as the case may be, under any other provision of this Agreement. The Borrower's obligations under this paragraph shall survive the termination of the Commitments and the repayment of all other Obligations.

(f) Except as otherwise set forth herein, interest on each Loan shall accrue on a daily basis and shall be payable in arrears on and to (i) each Interest Payment Date applicable to that Loan; (ii) upon any prepayment of that Loan (other than a voluntary prepayment of a Revolving Loan or Term Loan which interest shall be payable in accordance with clause (i) above), to the extent accrued on the amount being prepaid; and (iii) at maturity, including final maturity.

(g) The Borrower agrees to pay to the applicable Issuing Bank, with respect to drawings honored under any Letter of Credit issued by the Issuing Bank, interest on the amount paid by the Issuing Bank in respect of each such honored drawing from the date such drawing is honored to but excluding the date such amount is reimbursed by or on behalf of the Borrower at a rate equal to (i) for the period from the date such drawing is honored to but excluding the applicable Reimbursement Date, the rate of interest otherwise payable hereunder with respect to Revolving Loans that are Base Rate Loans, and (ii) thereafter, a rate which is the lesser of (y) two percent (2%) per annum in excess of the rate of interest otherwise payable hereunder with respect to Revolving Loans that are Base Rate Loans, and (z) the Highest Lawful Rate.

(h) Interest payable pursuant to Section 2.7(g) shall be computed on the basis of a year of three hundred sixty-five (365) or three hundred sixty-six (366) days, as the case may be, for the actual number of days elapsed in the period during which it accrues, and shall be payable on demand or, if no demand is made, on the date on which the related drawing under a Letter of Credit is reimbursed in full. Promptly upon receipt by the Issuing Bank of any payment of interest pursuant to Section 2.7(g), the Issuing Bank shall distribute to each Lender, out of the interest received by the Issuing Bank in respect of the period from the date such drawing is honored to but excluding the date on which the Issuing Bank is reimbursed for the amount of such drawing (including any such reimbursement out of the proceeds of any Revolving Loans), the amount that such Lender would have been entitled to receive in respect of the letter of credit fee that would have been payable in respect of such Letter of Credit for such period if no drawing had been honored under such Letter of Credit. In the event the Issuing Bank shall have been reimbursed by the Lenders for all or any portion of such honored drawing, the Issuing Bank shall distribute to each Lender which has paid all amounts payable by it under Section 2.3(e) with respect to such honored drawing such Lender's Revolving Commitment Percentage of any interest received by the Issuing Bank in respect of that portion of such honored drawing so reimbursed by the Lenders for the period from the date on which the Issuing Bank was so reimbursed by the Lenders to but excluding the date on which such portion of such honored drawing is reimbursed by the Borrower.

Section 2.8 Conversion/Continuation.

(a) So long as no Default or Event of Default shall have occurred and then be continuing or would result therefrom, the Borrower shall have the option:

(i) to convert at any time all or any part of any Loan equal to \$500,000 and integral multiples of \$100,000 in excess of that amount from one Type of Loan to another Type of Loan; provided, an Adjusted LIBOR Rate Loan may only be converted on the expiration of the Interest Period applicable to such Adjusted LIBOR Rate Loan unless the Borrower shall pay all amounts due under Section 3.1(c) in connection with any such conversion; or

(ii) upon the expiration of any Interest Period applicable to any Adjusted LIBOR Rate Loan, to continue all or any portion of such Loan as an Adjusted LIBOR Rate Loan.

(b) The Borrower shall deliver a Conversion/Continuation Notice to the Administrative Agent no later than 1:00 p.m. at least three (3) Business Days in advance of the proposed Conversion/Continuation Date. Except as otherwise provided herein, a Conversion/Continuation Notice for conversion to, or continuation of, any Adjusted LIBOR Rate Loans (or telephonic notice in lieu thereof) shall be irrevocable on and after the related Interest Rate Determination Date, and the Borrower shall be bound to effect a conversion or continuation in accordance therewith.

Section 2.9 Default Rate of Interest.

(a) If any amount of principal of any Loan is not paid when due, whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by Applicable Laws.

(b) If any amount (other than principal of any Loan) payable by the Borrower under any Loan Document is not paid when due (after the expiration of any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by Applicable Laws.

(c) During the continuance of an Event of Default under Section 9.1(f) or Section 9.1(g), the Borrower shall pay interest on the principal amount of all outstanding Obligations hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by Applicable Laws.

(d) During the continuance of an Event of Default other than an Event of Default under Section 9.1(f) or Section 9.1(g), the Borrower shall, at the request of the Required Lenders, pay interest on the principal amount of all outstanding Obligations hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by Applicable Laws.

(e) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(f) In the case of any Adjusted LIBOR Rate Loan, upon the expiration of the Interest Period in effect at the time the Default Rate of interest is effective, each such Adjusted LIBOR Rate Loan shall thereupon become a Base Rate Loan and shall thereafter bear interest at the Default Rate then in effect for Base Rate Loans. Payment or acceptance of the increased rates of interest provided for in this Section 2.9 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender.

Section 2.10 Fees.

(a) Commitment Fee. The Borrower shall pay to the Administrative Agent for the account of each Lender in accordance with its Revolving Commitment Percentage, a commitment fee (the "Commitment Fee") equal to the Applicable Margin of the actual daily amount by which the Aggregate Revolving Commitments exceeds the Total Revolving Outstandings, subject to adjustments as provided in Section 2.16. The Commitment Fee shall accrue at all times during the Revolving Commitment Period, including at any time during which one or more of the conditions in Section 5 is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the Revolving Commitment Termination Date; provided that (1) no Commitment Fee shall accrue on any of the Revolving Commitment of a Defaulting Lender so long as such Lender shall be a Defaulting Lender and (2) any Commitment Fee accrued with respect to the Revolving Commitment of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender. The Commitment Fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Margin during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Margin separately for each period during such quarter that such Applicable Margin was in effect. For purposes hereof, Swing Line Loans shall not be counted toward or be considered as usage of the Aggregate Revolving Commitments.

(b) Letter of Credit Fees.

(i) Standby Letter of Credit Fees. The Borrower shall pay to the Administrative Agent for the account of each Lender in accordance with its Revolving Commitment Percentage a Letter of Credit fee for each Letter of Credit equal to the Applicable Margin multiplied by the daily maximum amount available to be drawn under such Letter of Credit (collectively, the "Letter of Credit Fees"). For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.3(i). The Letter of Credit Fees shall be computed on a quarterly basis in arrears, and shall be due and payable on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the expiration date thereof and thereafter on demand; provided that (1) no Letter of Credit Fees shall accrue in favor of a Defaulting Lender so long as such Lender shall be a Defaulting Lender and (2) any Letter of Credit Fees accrued in favor of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender. If there is any change in the Applicable Margin during any quarter, the daily maximum amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Margin separately for each period during such quarter that such Applicable Margin was in effect. Notwithstanding anything to the contrary contained herein, during the continuance of an Event of Default under Sections 9.1(f) and (g), all Letter of Credit Fees shall accrue at the Default Rate, and during the continuance of an Event of Default other than an Event of Default under Sections 9.1 (f) or (g), then upon the request of the Required Lenders, all Letter of Credit Fees shall accrue at the Default Rate.

(ii) Fronting Fee and Documentary and Processing Charges Payable to Issuing Bank. The Borrower shall pay directly to the Issuing Bank for its own account a fronting fee with respect to each Letter of Credit, at the rate per annum specified in the Fee Letter, computed on the daily amount available to be drawn under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and payable on the last Business Day of each March, June, September and December in respect of the most recently-ended quarterly period (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on its expiration date and thereafter on demand. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.3(i). In addition, the Borrower shall pay directly to the Issuing Bank for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the Issuing Bank relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable.

(c) Other Fees. The Borrower shall pay to Regions Capital Markets, a division of Regions Bank, and the Administrative Agent for their own respective accounts fees in the amounts and at the times specified in the Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever, except to the extent set forth in the Fee Letter.

Section 2.11 Prepayments/Commitment Reductions.

(a) Voluntary Prepayments.

(i) Any time and from time to time, the Loans may be repaid in whole or in part without premium or penalty (subject to Section 3.1):

(A) with respect to Base Rate Loans (including Base Rate Loans referencing the LIBOR Index Rate), the Borrower may prepay any such Loans on any Business Day in whole or in part, in an aggregate minimum amount of \$500,000 and integral multiples of \$100,000 in excess of that amount;

(B) with respect to Adjusted LIBOR Rate Loans, the Borrower may prepay any such Loans on any Business Day in whole or in part (together with any amounts due pursuant to Section 3.1(c)) in an aggregate minimum amount of \$500,000 and integral multiples of \$100,000 in excess of that amount; and

(C) with respect to Swing Line Loans, the Borrower may prepay any such Loans on any Business Day in whole or in part in any amount;

(ii) All such prepayments shall be made:

(A) upon written or telephonic notice on the date of prepayment in the case of Base Rate Loans or Swing Line Loans; and

(B) upon not less than three (3) Business Days' prior written or telephonic notice in the case of Adjusted LIBOR Rate Loans;

in each case given to the Administrative Agent, or the Swing Line Lender, as the case may be, by 11:00 a.m. on the date required and, if given by telephone, promptly confirmed in writing to the Administrative Agent (and the Administrative Agent will promptly transmit such telephonic or original notice for a Credit Extension by telefacsimile or telephone to each Lender). Upon the giving of any such notice, the principal amount of the Loans specified in such notice shall become due and payable on the prepayment date specified therein. Any such voluntary prepayment shall be applied as specified in Section 2.12(a).

(b) Voluntary Commitment Reductions.

(i) The Borrower may, from time to time upon not less than three (3) Business Days' prior written or telephonic notice confirmed in writing to the Administrative Agent (which original written or telephonic notice the Administrative Agent will promptly transmit by telefacsimile or telephone to each applicable Lender), at any time and from time to time terminate in whole or permanently reduce in part the Revolving Commitments (ratably among the Lenders in accordance with their respective commitment percentage thereof); provided (A) any such partial reduction of the Revolving Commitments shall be in an aggregate minimum amount of \$5,000,000 and integral multiples of \$1,000,000 in excess of that amount, (B) the Borrower shall not terminate or reduce the Aggregate Revolving Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the aggregate Total Revolving Outstandings exceed the Aggregate Revolving Commitments and (C) if, after giving effect to any reduction of the Aggregate Revolving Commitments, the Letter of Credit Sublimit and/or the Swing Line Sublimit exceed the amount of the Aggregate Revolving Commitments, the Letter of Credit Sublimit and/or the Swing Line Sublimit, as applicable, shall be automatically reduced by the amount of such excess.

(ii) The Borrower's notice to the Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of the Revolving Commitments shall be effective on the date specified in the Borrower's notice and shall reduce the Revolving Commitments of each Lender proportionately to its Revolving Commitment Percentage thereof.

(c) Mandatory Prepayments.

(i) Revolving Commitments. If at any time (A) the Total Revolving Outstandings shall exceed the Aggregate Revolving Commitments, (B) the Outstanding Amount of Letter of Credit Obligations shall exceed the Letter of Credit Sublimit, or (C) the Outstanding Amount of Swing Line Loans shall exceed the Swing Line Sublimit, the Borrower shall immediately prepay Revolving Loans or Swing Line Loans or Cash Collateralize the Outstanding Amount of Letter of Credit Obligations in an amount equal to such excess; provided, however, that, except with respect to clause (B), Letter of Credit Obligations will not be Cash Collateralized hereunder until the Revolving Loans and Swing Line Loans have been paid in full.

(ii) Dispositions and Involuntary Dispositions. Prepayment will be made on the Obligations in an amount equal to one hundred percent (100%) of the Net Cash Proceeds from any Disposition or Involuntary Disposition involving any asset of any Loan Party or any of its Subsidiaries on the Business Day following receipt thereof excluding the proceeds of any Disposition less than \$2,000,000 in the aggregate in any Fiscal Year and any voluntary Disposition described in clauses (a), (b) or (c) of Section 8.5. Notwithstanding the foregoing, if at the time of the receipt of such Net Cash Proceeds the Borrower informs the Administrative Agent that it intends within 365 days after receipt thereof to use all of such Net Cash Proceeds either to purchase assets used in the ordinary course of business of the Borrower and its Subsidiaries (other than current assets, as defined in accordance with GAAP) or to make Capital Expenditures, the Borrower may use such Net Cash Proceeds in such manner; provided that any such Net Cash Proceeds not so used or committed to such use pursuant to a binding agreement on or before the earliest of the following dates shall promptly (but in any event within two (2) Business Days after such date) be applied as a prepayment in accordance with Section 2.12(b): (1) the date that is 365 days (or 540 days, if committed to such use pursuant to a binding agreement that was entered into on or before the 365th day after receipt of such proceeds and notice of such agreement has been delivered to the Administrative Agent) after receipt thereof and (2) the date that is five (5) Business Days after the date on which the Borrower shall have notified the Administrative Agent of the Borrower's determination not to purchase such replacement assets with such Net Cash Proceeds.

(iii) Debt Transactions. Prepayment will be made on the Obligations in an amount equal to one hundred percent (100%) of the Net Cash Proceeds from any Debt Transactions on the Business Day following receipt thereof.

(iv) Excess Cash Flow. Prepayment will be made on the Obligations, on the date that is five (5) Business Days after the date following delivery of each annual Compliance Certificate delivered under Section 7.2(b), commencing with the Fiscal Year ending December 31, 2021, in an amount equal to the difference of (i) fifty percent (50%) of Excess Cash Flow, if the Consolidated Total Leverage Ratio as of the last day of the Fiscal Year covered thereby is greater than 2.50:1.0, (y) twenty-five percent (25%) of Excess Cash Flow, if the Consolidated Total Leverage Ratio as of the last day of the Fiscal Year covered thereby is less than or equal to 2.50:1.0 but greater than 2.00:1.0 and (z) zero percent (0%), if the Consolidated Total Leverage Ratio as of the last day of the Fiscal Year covered thereby is less than or equal to 2.00:1.0 minus (ii) optional prepayments of Term Loans minus (iii) optional prepayments of Revolving Loans for which there has been a permanent reduction of Revolving Commitments pursuant to Section 2.11(b) in the amount of such optional prepayment of Revolving Loans, in the case of clauses (ii) and (iii), made with Internally Generated Cash.

Section 2.12 Application of Prepayments. Within each Loan, prepayments will be applied first to Base Rate Loans, then to LIBOR Loans in direct order of Interest Period maturities. In addition:

(a) Voluntary Prepayments. Voluntary prepayments will be applied as specified by the Borrower; provided that in the case of prepayments on the Term Loans, (i) the prepayment will be applied ratably to the Term Loans then outstanding and (ii) with respect to each Term Loan then outstanding, the prepayments will be applied to remaining principal installments thereunder as directed by the Borrower (or, in the absence of such direction, in direct order of maturity).

(b) Mandatory Prepayments. Mandatory prepayments will be applied as follows:

(i) Mandatory prepayments in respect of the Revolving Commitments under Section 2.11(c)(i) above shall be applied to the respective Revolving Obligations as appropriate but without a permanent reduction thereof.

(ii) Mandatory prepayments in respect of Dispositions and Involuntary Dispositions under Section 2.11(c)(ii) above, Debt Transactions under Section 2.11(c)(iii), and Excess Cash Flow under Section 2.11(c)(iv) shall be applied as follows: first, ratably to the Term Loans, until paid in full, and then to the Revolving Obligations without a permanent reduction thereof. Mandatory prepayments with respect to each of the Term Loans will be applied to remaining principal installments thereunder in direct order of maturity for the four (4) scheduled principal installments immediately following such prepayment and thereafter pro rata to the remaining principal installments thereunder, including the payment due on the Term Loan A Maturity Date and the maturity date for any additional term loan established under Section 2.1(d)(iii), as applicable.

(c) Prepayments on the Obligations will be paid by the Administrative Agent to the Lenders ratably in accordance with their respective interests therein (except for Defaulting Lenders where their share will be applied as provided in Section 2.16(a)(ii) hereof).

Section 2.13 General Provisions Regarding Payments.

(a) All payments by the Borrower of principal, interest, fees and other Obligations hereunder or under any other Loan Document shall be made in Dollars in immediately available funds, without defense, recoupment, setoff or counterclaim, free of any restriction or condition. The Administrative Agent shall, and the Borrower hereby authorizes the Administrative Agent to, debit a deposit account of the Borrower or any of its Subsidiaries held with the Administrative Agent or any of its Affiliates and designated for such purpose by the Borrower or such Subsidiary in order to cause timely payment to be made to the Administrative Agent of all principal, interest and fees due hereunder or under any other Loan Document (subject to sufficient funds being available in its accounts for that purpose).

(b) In the event that the Administrative Agent is unable to debit a deposit account of the Borrower or any of its Subsidiaries held with the Administrative Agent or any of its Affiliates in order to cause timely payment to be made to the Administrative Agent of all principal, interest and fees due hereunder or any other Loan Document (including because insufficient funds are available in its accounts for that purpose), payments hereunder and under any other Loan Document shall be delivered to the Administrative Agent, for the account of the Lenders, not later than 2:00 p.m. on the date due at the Principal Office of the Administrative Agent or via wire transfer of immediately available funds to an account designated by the Administrative Agent (or at such other location as may be designated in writing by the Administrative Agent from time to time); for purposes of computing interest and fees, funds received by the Administrative Agent after that time on such due date shall be deemed to have been paid by the Borrower on the next Business Day.

(c) All payments in respect of the principal amount of any Loan (other than voluntary repayments of Revolving Loans) shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan) shall be applied to the payment of interest then due and payable before application to principal.

(d) The Administrative Agent shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's applicable pro rata share of all payments and prepayments of principal and interest due to such Lender hereunder, together with all other amounts due with respect thereto, including all fees payable with respect thereto, to the extent received by the Administrative Agent.

(e) Notwithstanding the foregoing provisions hereof, if any Conversion/Continuation Notice is withdrawn as to any Affected Lender or if any Affected Lender makes Base Rate Loans in lieu of its pro rata share of any Adjusted LIBOR Rate Loans, the Administrative Agent shall give effect thereto in apportioning payments received thereafter.

(f) Subject to the provisos set forth in the definition of "Interest Period," whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of the payment of interest hereunder or of the Commitment Fee hereunder, but such payment shall be deemed to have been made on the date therefor for all other purposes hereunder.

(g) The Administrative Agent may, but shall not be obligated to, deem any payment by or on behalf of the Borrower hereunder that is not made in same day funds prior to 2:00 p.m. to be a non-conforming payment. Any such payment shall not be deemed to have been received by the Administrative Agent until the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day. The Administrative Agent shall give prompt telephonic notice to the Borrower and each applicable Lender (confirmed in writing) if any payment is non-conforming. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 9.1(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the Default Rate (unless otherwise provided by the Required Lenders) from the date such amount was due and payable until the date such amount is paid in full.

Section 2.14 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of such Loans and accrued interest thereon or other such obligations greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender or Disqualified Institution), (B) any amounts applied by the Swing Line Lender to outstanding Swing Line Loans, (C) any amounts applied to Letter of Credit Obligations by the Issuing Bank or Swing Line Loans by the Swing Line Lender, as appropriate, from Cash Collateral provided under Section 2.15 or Section 2.16, or (D) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in Letter of Credit Obligations, Swing Line Loans or other obligations hereunder to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this Section shall apply (other than payments permitted by Section 2.18 or Section 11.5(g)).

Each of the Loan Parties consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

Section 2.15 Cash Collateral. At any time that there shall exist a Defaulting Lender, within one (1) Business Day following the written request of the Administrative Agent or the Issuing Bank (with a copy to the Administrative Agent) the Borrower shall Cash Collateralize the Issuing Bank's Fronting Exposure with respect to such Defaulting Lender in an amount sufficient to cover the applicable Fronting Exposure (after giving effect to Section 2.16(a)(iv)) and any Cash Collateral provided by the Defaulting Lender).

(a) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the Issuing Bank, and agrees to maintain, a perfected first priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of Letter of Credit Obligations, to be applied pursuant to clause (b) below. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent and the Issuing Bank as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure, the Borrower will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(b) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.15 or Section 2.16 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letter of Credit Obligations (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(c) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce the Issuing Bank's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.15 following (i) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the determination by the Administrative Agent and the Issuing Bank that there exists excess Cash Collateral; provided, however, (x) that Cash Collateral furnished by or on behalf of a Loan Party shall not be released during the continuance of a Default or Event of Default (and following application as provided in this Section 2.15 may be otherwise applied in accordance with Section 9.3) but shall be released upon the cure, termination or waiver of such Default or Event of Default in accordance with the terms of this Agreement, and (y) the Person providing Cash Collateral and the Issuing Bank or Swing Line Lender, as applicable, may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

Section 2.16 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by Applicable Law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 11.4(a)(iii).

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amount (other than fees which any Defaulting Lender is not entitled to receive pursuant to Section 2.16(a)(iii)) received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 9 or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 11.3), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the Issuing Bank or the Swing Line Lender hereunder; third, to Cash Collateralize the Issuing Bank's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.15; fourth, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Bank's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.15; sixth, to the payment of any amounts owing to the Lenders, the Issuing Bank or the Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Bank or the Swing Line Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and eighth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, that, if (x) such payment is a payment of the principal amount of any Loans or Letter of Credit Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or Letter of Credit Borrowings were made at a time when the conditions set forth in Section 5.2 were satisfied or waived, such payment shall be applied solely to the pay the Loans of, and Letter of Credit Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or Letter of Credit Borrowings owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letter of Credit Obligations and Swing Line Loans are held by the Lenders pro rata in accordance with their Revolving Commitments without giving effect to Section 2.16(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.16(a)(ii) shall be deemed paid to (and the underlying obligations satisfied to the extent of such payment) and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) Such Defaulting Lender shall not be entitled to receive any Commitment Fee, any fees with respect to Letters of Credit (except as provided in clause (B) below) or any other fees hereunder for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive Letter of Credit Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Revolving Commitment Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.15.

(C) With respect to any fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letter of Credit Obligations or Swing Line Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to the Issuing Bank and Swing Line Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to the Issuing Bank's or Swing Line Lender's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letter of Credit Obligations and Swing Line Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Revolving Commitment Percentages (calculated without regard to such Defaulting Lender's Revolving Commitment) but only to the extent that (x) the conditions set forth in Section 5.2 are satisfied at the time of such reallocation (and, unless the Borrower shall have otherwise notified the Administrative Agent at such time, the Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (y) such reallocation does not cause the aggregate Revolving Credit Exposure at such time to exceed such Non-Defaulting Lender's Revolving Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral, Repayment of Swing Line Loans. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, (x) first, prepay Swing Line Loans in an amount equal to the Swing Line Lender's Fronting Exposure and (y) second, Cash Collateralize the Issuing Bank's Fronting Exposure in accordance with the procedures set forth in Section 2.15.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent and the Swing Line Lender and the Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held pro rata by the Lenders in accordance with the Revolving Commitments (without giving effect to Section 2.16(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) New Swing Line Loans/Letters of Credit. So long as any Lender is a Defaulting Lender, (i) the Swing Line Lender shall not be required to fund Swing Line Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swing Line Loan, and (ii) no Issuing Bank shall be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

Section 2.17 Removal or Replacement of Lenders. If (a) any Lender requests compensation under Section 3.2, (b) any Loan Party is requested to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.3, (c) any Lender gives notice of an inability to fund LIBOR Loans under Section 3.1(b), (d) any Lender is a Defaulting Lender, or (e) any Lender (a "Non-Consenting Lender") does not consent (including by way of a failure to respond in writing to a proposed amendment, consent or waiver by the date and time specified by the Administrative Agent) to a proposed amendment, consent, change, waiver, discharge or termination hereunder or with respect to any Loan Document that has been approved by the Required Lenders, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.5), all of its interests, rights (other than its rights under Section 3.2, Section 3.3 and Section 11.2) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 11.5(b)(iv);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in Letter of Credit Borrowings, as applicable, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.1(c)) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 3.2 or payments requested to be made pursuant to Section 3.3, such assignment is reasonably expected to result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with Applicable Law; and

(v) in the case of any such assignment resulting from a Non-Consenting Lender's failure to consent to a proposed amendment, consent, change, waiver, discharge or termination, the successor replacement Lender shall have consented to the proposed amendment, consent, change, waiver, discharge or termination.

Each Lender agrees that in the event it, or its interests in the Loans and obligations hereunder, shall become subject to the replacement and removal provisions of this Section, it will cooperate with the Borrower and the Administrative Agent to give effect to the provisions hereof, including execution and delivery of an Assignment Agreement in connection therewith, but the replacement and removal provisions of this Section shall be effective regardless of whether an Assignment Agreement shall have been given.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 2.18 Refinancing Facilities. After the Closing Date, the Borrower may obtain from any Lender (but with the consent of the Administrative Agent (not to be unreasonably withheld or delayed)) to refinance all or any portion of the applicable Loans or Commitments then outstanding under this Agreement (which for purposes of this Section 2.18 will be deemed to include any then outstanding Refinancing Facilities), one or more new senior secured first lien term facilities (each, a "Refinancing Term Facility" and the term loans made pursuant to a Refinancing Term Facility, "Refinancing Term Loans") or, in the case of a refinancing and/or replacement of the Revolving Commitments or Revolving Loans, new revolving credit facilities (each, a "Refinancing Revolving Facility" and, together with any Refinancing Term Facility, a "Refinancing Facility" or the "Refinancing Facilities", and the revolving loans made pursuant to a Refinancing Revolving Facility, "Refinancing Revolving Loans"); provided that:

(a) the Refinancing Term Loans or Refinancing Revolving Loans, as applicable, will be *pari passu* in right of payment and be secured by the Collateral on a *pari passu* basis with the remaining portion of the Term Loans, Revolving Loans and Revolving Commitments;

(b) with respect to any Refinancing Term Facility, such Refinancing Term Facility shall not (i) have a maturity date that is earlier than ninety-one (91) days after the maturity date of the Term Loans being refinanced by such Refinancing Term Facility or (ii) have a shorter Weighted Average Life to Maturity than the Term Loans being refinanced by such Refinancing Term Facility, and in no event shall the Refinancing Term Facility be permitted to be voluntarily or mandatorily prepaid prior to repayment of all existing Term Loans that survive the initial funding of such Refinancing Term Facility, unless accompanied by ratable prepayment of all Term Loans;

(c) with respect to any Refinancing Revolving Facility, (i) such Refinancing Revolving Facility shall not have a maturity date that is earlier than the maturity date of the Revolving Loans or Revolving Commitments being refinanced by such Refinancing Revolving Facility, (ii) such Refinancing Revolving Facility shall require no scheduled amortization or mandatory commitment reduction prior to the maturity date of any existing Revolving Commitments that survive the initial funding of the Refinancing Revolving Facility and (iii) any Refinancing Revolving Facility will be subject to the same pro rata (or in the case of prepayment, pro rata or less than pro rata, but not greater than pro rata) borrowing, Letter of Credit participations, Swing Line Loan participations and prepayment and Commitment reduction provisions as the existing Revolving Commitments that survive the initial funding of the Refinancing Revolving Facility (except to the extent applicable only to periods after the latest final maturity date of the relevant Loans or Commitments existing at the time of such refinancing or replacement);

(d) such Refinancing Facility shall have pricing (including interest, fees and premiums), optional prepayment and redemption terms as may be agreed to by the Borrower and the Lenders party thereto, except as provided herein;

(e) such Refinancing Facility shall not be secured by any assets other than the Collateral;

(f) if any such Refinancing Facility is guaranteed, it shall not be guaranteed by any Person other than the Guarantors;

(g) if any such Refinancing Facility will provide for the issuance or extension of Letters of Credit or the making of Swing Line Loans, then the Issuing Bank and the Swing Line Lender, respectively, shall have consented to such Refinancing Facility;

(h) the other terms (excluding those referenced in clauses (a) through (g) above and excluding pricing, fee and prepayment or redemption provisions) of such Refinancing Facility shall be substantially identical to, or (taken as a whole) no more favorable to the Lenders providing such Refinancing Facility than those applicable to the Loans or Commitments being refinanced or replaced (except for covenants or other provisions applicable only to periods after the latest final maturity date of the relevant Loans or Commitments existing at the time of such refinancing or replacement); and

(i) the aggregate principal amount of any Refinancing Facility shall not exceed the aggregate principal amount of the Loans and Commitments being refinanced or replaced therewith, plus reasonable and customary interest, premiums, fees and expenses.

Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any Refinancing Facility permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent and such Lender.

Section 2.19 Amend and Extend Transactions.

(a) The Borrower may, by written notice to the Administrative Agent from time to time, request an extension (each, an “Extension”) of the Revolving Commitment Termination Date and/or the Term Loan A Maturity Date to the extended maturity date specified in such request. Such notice shall set forth (i) the amount of the Revolving Commitments and/or Term Loans to be extended (which shall be in minimum increments of \$5,00,000 and a minimum amount of \$10,000,000), and (ii) the date on which such Extension is requested to become effective (which shall be not less than ten (10) Business Days nor more than sixty (60) days after the date of such requested Extension (or such longer or shorter periods as the Administrative Agent shall agree)). Each Appropriate Lender shall be offered (an “Extension Offer”) an opportunity to participate in such Extension on a *pro rata* basis and on the same terms and conditions as each other Appropriate Lender pursuant to procedures established by, or reasonably acceptable to, the Administrative Agent. Any Lender approached to participate in such Extension may elect or decline, in its sole discretion, to participate in such Extension. If the aggregate principal amount of Revolving Commitments or Term Loans (calculated on the face amount thereof) in respect of which Appropriate Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Revolving Commitments or Term Loans, as applicable, requested to be extended by the Borrower pursuant to such Extension Offer, then the Revolving Commitments or Term Loans, as applicable, of Appropriate Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Appropriate Lenders have accepted such Extension Offer.

(b) It shall be a condition precedent to the effectiveness of any Extension that (i) no Default or Event of Default shall have occurred and be continuing immediately prior to and immediately after giving effect to such Extension, (ii) the representations and warranties contained in Section 6 and the other Loan Documents shall be true and correct in all material respects (or, in all respects, if already qualified by materiality) on and as of the date of such Extension, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects (or, in all respects, if already qualified by materiality) as of such earlier date, (iii) the Issuing Bank and the Swing Line Lender shall have consented to any Extension of the Revolving Commitments to the extent that such Extension provides for the issuance of Letters of Credit or making of Swing Line Loans at any time during the extended period and (iv) the terms of such Extended Revolving Commitments and Extended Term Loans shall comply with Section 2.19(c).

(c) The terms of each Extension shall be determined by the Borrower and the applicable extending Lenders and be set forth in an Additional Credit Extension Amendment; provided that (i) the final maturity date of any Extended Revolving Commitment or Extended Term Loan shall be no earlier than the Revolving Commitment Termination Date or the Term Loan A Maturity Date, respectively, (ii)(A) there shall be no scheduled amortization of the Extended Revolving Commitments and (B) the Weighted Average Life to Maturity of the Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans, (iii) the Extended Revolving Loans and the Extended Term Loans will rank *pari passu* in right of payment and with respect to security with the Revolving Loans and the Term Loans being extended and the borrower and guarantors of the Extended Revolving Commitments or Extended Term Loans, as applicable, shall be the same as the borrower and guarantors with respect to the Revolving Loans or applicable Term Loans being extended, (iv) the interest rate margin, rate floors, fees, original issue discounts and premiums applicable to any Extended Revolving Commitments (and the Extended Revolving Loans thereunder) and Extended Term Loans shall be determined by the Borrower and the applicable extending Lenders and (v) to the extent the terms of the Extended Revolving Commitments or Extended Term Loans are inconsistent with the terms set forth herein (except as set forth in clause (i) through (iv) above), such terms shall be reasonably satisfactory to the Administrative Agent.

(d) In connection with any Extension, the Borrower, the Administrative Agent and each applicable extending Lender shall execute and deliver to the Administrative Agent an Additional Credit Extension Amendment and such other documentation as the Administrative Agent shall reasonably specify to evidence such Extension. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Extension. Notwithstanding anything herein to the contrary, any Additional Credit Extension Amendment may, without the consent of any other Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate (but only to such extent), in the reasonable opinion of the Administrative Agent and the Borrower, to implement the terms of any such Extension Offer, including any amendments necessary to establish Extended Revolving Commitments or Extended Term Loans as a new tranche of revolving commitments or term loans, as applicable, and such other technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranche (including to preserve the *pro rata* treatment of the extended and non-extended tranches and to provide for the reallocation of any obligations under Swing Line Loans or Letters of Credit (including Letter of Credit Obligations) upon the expiration or termination of the commitments under any tranche), in each case on terms consistent with this Section 2.19.

Section 3. YIELD PROTECTION

Section 3.1 Making or Maintaining LIBOR Loans.

(a) Inability to Determine Applicable Interest Rate. In the event that the Administrative Agent shall have determined (which determination shall be final and conclusive and binding upon all parties hereto), on any Interest Rate Determination Date or any Index Rate Determination Date with respect to any LIBOR Loans, that reasonable and adequate means do not exist for ascertaining the interest rate applicable to such LIBOR Loans on the basis provided for in the definition of Adjusted LIBOR Rate or LIBOR Index Rate, as applicable, the Administrative Agent shall give notice (by telefacsimile or by telephone confirmed in writing) to the Borrower and each Lender of such determination, whereupon (i) no Loans may be made as, or converted to, LIBOR Loans until such time as the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, and (ii) any Funding Notice or Conversion/Continuation Notice given by the Borrower with respect to the Loans in respect of which such determination was made shall be deemed to be rescinded by the Borrower and such Loans shall be automatically made or continued as, or converted to, as applicable, Base Rate Loans without reference to the LIBOR Index Rate component of the Base Rate.

(b) Illegality or Impracticability of LIBOR Loans. In the event that on any date any Lender shall have determined (which determination shall be final and conclusive and binding upon all parties hereto but shall be made only after consultation with the Borrower and the Administrative Agent) that the making, maintaining or continuation of its LIBOR Loans (i) has become unlawful as a result of compliance by such Lender in good faith with any law, treaty, governmental rule, regulation, guideline or order (or would conflict with any such treaty, governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or (ii) has become impracticable, as a result of contingencies occurring after the date hereof which materially and adversely affect the London interbank market or the position of such Lender in that market, then, and in any such event, such Lender shall be an "Affected Lender" and it shall on that day give notice (by telefacsimile or by telephone confirmed in writing) to the Borrower and the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each other Lender). Thereafter (1) the obligation of the Affected Lender to make Loans as, or to convert Loans to, LIBOR Loans shall be suspended until such notice shall be withdrawn by the Affected Lender, (2) to the extent such determination by the Affected Lender relates to a LIBOR Loan then being requested by the Borrower pursuant to a Funding Notice or a Conversion/Continuation Notice, the Affected Lender shall make such Loan as (or continue such Loan as or convert such Loan to, as the case may be) a Base Rate Loan without reference to the LIBOR Index Rate component of the Base Rate, (3) the Affected Lender's obligation to maintain its outstanding LIBOR Loans (the "Affected Loans") shall be terminated at the earlier to occur of the expiration of the Interest Period then in effect with respect to the Affected Loans or when required by law, and (4) the Affected Loans shall automatically convert into Base Rate Loans without reference to the LIBOR Index Rate component of the Base Rate on the date of such termination. Notwithstanding the foregoing, to the extent a determination by an Affected Lender as described above relates to a LIBOR Loan then being requested by the Borrower pursuant to a Funding Notice or a Conversion/Continuation Notice, the Borrower shall have the option, subject to the provisions of Section 3.1(a), to rescind such Funding Notice or Conversion/Continuation Notice as to all Lenders by giving notice (by telefacsimile or by telephone confirmed in writing) to the Administrative Agent of such rescission on the date on which the Affected Lender gives notice of its determination as described above (which notice of rescission the Administrative Agent shall promptly transmit to each other Lender). Except as provided in the immediately preceding sentence, nothing in this Section 3.1(b) shall affect the obligation of any Lender other than an Affected Lender to make or maintain Loans as, or to convert Loans to, LIBOR Loans in accordance with the terms hereof.

(c) Compensation for Breakage or Non-Commencement of Interest Periods. The Borrower shall compensate each Lender, upon written request by such Lender (which request shall set forth the basis for requesting such amounts), for all reasonable out-of-pocket losses, expenses and liabilities (including any interest paid or calculated to be due and payable by such Lender to lenders of funds borrowed by it to make or carry its Adjusted LIBOR Rate Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits) which such Lender sustains: (i) if for any reason (other than a default by such Lender) a borrowing of any Adjusted LIBOR Rate Loans does not occur on a date specified therefor in a Funding Notice or a telephonic request for borrowing, or a conversion to or continuation of any Adjusted LIBOR Rate Loans does not occur on a date specified therefor in a Conversion/Continuation Notice or a telephonic request for conversion or continuation; (ii) if any prepayment or other principal payment of, or any conversion of, any of its Adjusted LIBOR Rate Loans occurs on any day other than the last day of an Interest Period applicable to that Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise), including as a result of an assignment in connection with the replacement of a Lender pursuant to Section 2.17; or (iii) if any prepayment of any of its Adjusted LIBOR Rate Loans is not made on any date specified in a notice of prepayment given by the Borrower.

(d) Booking of LIBOR Loans. Any Lender may make, carry or transfer LIBOR Loans at, to, or for the account of any of its branch offices or the office of an Affiliate of such Lender.

(e) Assumptions Concerning Funding of Adjusted LIBOR Rate Loans. Calculation of all amounts payable to a Lender under this Section 3.1 and under Section 3.2 shall be made as though such Lender had actually funded each of its relevant Adjusted LIBOR Rate Loans through the purchase of a LIBOR deposit bearing interest at the rate obtained pursuant to clause (i) of the definition of Adjusted LIBOR Rate in an amount equal to the amount of such Adjusted LIBOR Rate Loans and having a maturity comparable to the relevant Interest Period and through the transfer of such LIBOR deposit from an offshore office of such Lender to a domestic office of such Lender in the United States; provided, however, each Lender may fund each of its Adjusted LIBOR Rate Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 3.1 and under Section 3.2.

(f) Certificates for Reimbursement. A certificate of a Lender setting forth in reasonable detail the amount or amounts necessary to compensate such Lender, as specified in paragraph (c) of this Section and the circumstances giving rise thereto shall be delivered to the Borrower and shall be conclusive absent manifest error. In the absence of any such manifest error, the Borrower shall pay such Lender or the Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(g) Delay in Requests. The Borrower shall not be required to compensate a Lender pursuant to this Section for any such amounts incurred more than six (6) months prior to the date that such Lender delivers to the Borrower the certificate referenced in Section 3.1(f).

(h)

(i) Benchmark Replacement. Notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace LIBOR with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York time) on the fifth Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of LIBOR with a Benchmark Replacement pursuant to this Section 3.1(h)(i) will occur prior to the applicable Benchmark Transition Start Date.

(ii) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(iii) Notices: Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (A) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (B) the implementation of any Benchmark Replacement, (C) the effectiveness of any Benchmark Replacement Conforming Changes and (D) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 3.1(h), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.1(h).

(iv) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Borrowing of, conversion to or continuation of Adjusted LIBOR Rate Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During any Benchmark Unavailability Period, the component of Base Rate based upon the LIBOR Index Rate will not be used in any determination of the Base Rate.

Section 3.2 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted LIBOR Rate or the LIBOR Index Rate) or the Issuing Bank;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the Issuing Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, the Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender, Issuing Bank or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, Issuing Bank or other Recipient, the Borrower will pay to such Lender, Issuing Bank or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, Issuing Bank or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital and Liquidity Requirements. If any Lender, the Issuing Bank or the Swing Line Lender (for purposes hereof, may be referred to collectively as “the Lenders” or a “Lender”) determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender’s holding company, if any, regarding capital or liquidity ratios or requirements has or would have the effect of reducing the rate of return on such Lender’s capital or on the capital of such Lender’s holding company, if any, as a consequence of this Agreement, the commitments of such Lender hereunder or the Loans made by, or participations in Letters of Credit and Swing Line Loans held by, such Lender, or the Letters of Credit issued by the Issuing Bank, to a level below that which such Lender or such Lender’s holding company could have achieved but for such Change in Law (taking into consideration such Lender’s policies and the policies of such Lender’s holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Lender’s holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or the Issuing Bank setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or the Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section and the circumstances giving rise thereto shall be delivered to the Borrower and shall be conclusive absent manifest error. In the absence of any such manifest error, the Borrower shall pay such Lender or the Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender’s or the Issuing Bank’s right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or the Issuing Bank pursuant to this Section for any increased costs incurred or reductions suffered more than six (6) months prior to the date that such Lender or the Issuing Bank, as the case may be, delivers to the Borrower the certificate referenced in Section 3.2(c) and notifies the Borrower of such Lender’s or the Issuing Bank’s intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof).

Section 3.3 Taxes.

(a) Issuing Bank. For purposes of this Section 3.3, the term “Lender” shall include the Issuing Bank and the term “Applicable Law” shall include FATCA.

(b) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes. Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Tax Indemnification.

(i) The Loan Parties shall jointly and severally indemnify each Recipient and shall make payment in respect thereof within ten (10) Business Days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of any such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(ii) Each Lender shall severally indemnify the Administrative Agent within ten (10) Business Days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 11.5(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this clause (ii).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of a return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders: Tax Documentation.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in clauses (ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN-E (or W-8BEN as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E (or W-8BEN as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate substantially in the form of Exhibit 3.3-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Internal Revenue Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN-E (or W-8BEN as applicable); or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E (or W-8BEN as applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit 3.3-2 or Exhibit 3.3-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit 3.3-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. Unless required by Applicable Law, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, or have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of such Lender. If any indemnified party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of the indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 3.3 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 3.4 Mitigation Obligations; Designation of a Different Lending Office. If any Lender requests compensation under Section 3.2, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.3, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.2 or Section 3.3, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

Section 4. GUARANTY

Section 4.1 The Guaranty.

Each of the Guarantors hereby jointly and severally guarantees to the Administrative Agent, the Lenders, the Qualifying Swap Providers, the Qualifying Treasury Management Banks and the other holders of the Obligations as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Obligations (the "Guaranteed Obligations") in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory Cash Collateralization or otherwise) strictly in accordance with the terms thereof. The Guarantors hereby further agree that if any of the Obligations are not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory Cash Collateralization or otherwise), the Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration, as a mandatory Cash Collateralization or otherwise) in accordance with the terms of such extension or renewal.

Notwithstanding any provision to the contrary contained herein, in any other of the Loan Documents, Swap Agreements, Treasury Management Agreements or other documents relating to the Obligations, (a) the obligations of each Guarantor under this Agreement and the other Loan Documents shall be limited to an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under the Debtor Relief Laws or any comparable provisions of any applicable state law and (b) the Guaranteed Obligations of a Guarantor shall exclude any Excluded Swap Obligations with respect to such Guarantor.

Section 4.2 Obligations Unconditional.

The obligations of the Guarantors under Section 4.1 are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Loan Documents, Swap Agreements or Treasury Management Agreements, or any other agreement or instrument referred to therein, or any substitution, release, impairment or exchange of any other guarantee of or security for any of the Obligations, and, to the fullest extent permitted by Applicable Law, irrespective of any law or regulation or other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor; it being the intent of this Section 4.2 that the obligations of the Guarantors hereunder shall be absolute and unconditional under any and all circumstances. Each Guarantor agrees that such Guarantor shall have no right of subrogation, indemnity, reimbursement or contribution against the Borrower or any other Guarantor for amounts paid under this Section 4 until such time as the Obligations have been paid in full and the Commitments have expired or terminated. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of any Guarantor hereunder, which shall remain absolute and unconditional as described above:

(a) at any time or from time to time, without notice to any Guarantor, the time for any performance of or compliance with any of the Obligations shall be extended, or such performance or compliance shall be waived;

(b) any of the acts mentioned in any of the provisions of any of the Loan Documents, any Secured Swap Agreement between any Loan Party or any Subsidiary of a Loan Party and any Qualifying Swap Provider, or any Secured Treasury Management Agreement between any Loan Party or any Subsidiary of a Loan Party and any Qualifying Treasury Management Bank, or any other agreement or instrument referred to in the Loan Documents, such Secured Swap Agreements or such Secured Treasury Management Agreements shall be done or omitted;

(c) the maturity of any of the Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Loan Documents, any Secured Swap Agreement between any Loan Party or any Subsidiary of a Loan Party and any Qualifying Swap Provider or any Secured Treasury Management Agreement between any Loan Party or any Subsidiary of a Loan Party and any Qualifying Treasury Management Bank, or any other agreement or instrument referred to in the Loan Documents, such Secured Swap Agreements or such Secured Treasury Management Agreements shall be waived or any other guarantee of any of the Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with;

(d) any Lien granted to, or in favor of, the Administrative Agent or any Lender or Lenders as security for any of the Obligations shall fail to attach or be perfected; or

(e) any of the Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of any Guarantor) or shall be subordinated to the claims of any Person (including, without limitation, any creditor of any Guarantor).

With respect to its obligations hereunder, each Guarantor hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Administrative Agent or any Lender exhaust any right, power or remedy or proceed against any Person under any of the Loan Documents, any Secured Swap Agreement between any Loan Party or any Subsidiary of a Loan Party and any Qualifying Swap Provider or any Secured Treasury Management Agreement between any Loan Party or any Subsidiary of a Loan Party and any Qualifying Treasury Management Bank, or any other agreement or instrument referred to in the Loan Documents, such Secured Swap Agreements or such Secured Treasury Management Agreements, or against any other Person under any other guarantee of, or security for, any of the Obligations.

Section 4.3 Reinstatement.

The obligations of the Guarantors under this Section 4 shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the Obligations is rescinded or must be otherwise restored by any holder of any of the Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise, and each Guarantor agrees that it will indemnify the Administrative Agent and each Lender on demand for all reasonable costs and expenses (including, without limitation, the fees, charges and disbursements of counsel) incurred by the Administrative Agent or such Lender in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law.

Section 4.4 Certain Additional Waivers.

Each Guarantor agrees that such Guarantor shall have no right of recourse to security for the Obligations, except through the exercise of rights of subrogation pursuant to Section 4.2 and through the exercise of rights of contribution pursuant to Section 4.6.

Section 4.5 Remedies.

The Guarantors agree that, to the fullest extent permitted by law, as between the Guarantors, on the one hand, and the Administrative Agent and the Lenders, on the other hand, the Obligations may be declared to be forthwith due and payable as provided in Section 9.2 (and shall be deemed to have become automatically due and payable in the circumstances provided in said Section 9.2) for purposes of Section 4.1 notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Obligations from becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the Obligations being deemed to have become automatically due and payable), the Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by the Guarantors for purposes of Section 4.1. Section 10. AGENCY

Section 10.1 Appointment and Authority.

(a) Each of the Lenders and the Issuing Bank hereby irrevocably appoints Regions Bank to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Bank, and no Loan Party nor any of its Subsidiaries shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) Each of the Lenders hereby irrevocably appoints, designates and authorizes the Collateral Agent to take such action on its behalf under the provisions of this Agreement and each Collateral Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any Collateral Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any Collateral Document, the Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein or therein, nor shall the Collateral Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any Collateral Document or otherwise exist against the Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” herein and in the Collateral Documents with reference to the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. The Collateral Agent shall act on behalf of the Lenders with respect to any Collateral and the Collateral Documents, and the Collateral Agent shall have all of the benefits and immunities (i) provided to the Administrative Agent under the Loan Documents with respect to any acts taken or omissions suffered by the Collateral Agent in connection with any Collateral or the Collateral Documents as fully as if the term “Administrative Agent” as used in such Loan Documents included the Collateral Agent with respect to such acts or omissions, and (ii) as additionally provided herein or in the Collateral Documents with respect to the Collateral Agent.

Section 10.2 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary of the Borrower or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 10.3 Exculpatory Provisions.

(a) The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or Applicable Law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(b) The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.4 and 9.2) or (ii) in the absence of its own gross negligence or willful misconduct, as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent in writing by the Borrower, a Lender or the Issuing Bank.

(c) The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Section 5 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

(d) The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (i) be obligated to ascertain, monitor or inquire as to whether any Lender or prospective Lender is a Disqualified Institution or (ii) have any liability with respect to or arising out of any assignment of Loans, or disclosure of confidential information, to any Disqualified Institution.

Section 10.4 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) reasonably believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and reasonably believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or the Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or the Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower and its Subsidiaries), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 10.5 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 10.6 Resignation of Administrative Agent.

(a) The Administrative Agent may at any time give notice of its resignation to the Lenders, the Issuing Bank and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower (unless a Default or Event of Default exists), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders and the Issuing Bank, appoint a successor Administrative Agent meeting the qualifications set forth above. Whether or not a successor has been appointed such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by Applicable Law by notice in writing to the Borrower and such Person remove such Person as the Administrative Agent and, with the consent of the Borrower (unless a Default or Event of Default exists), appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days, or such earlier day as shall be agreed by the Required Lenders (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Bank under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (2) except for any indemnity payments owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and the Issuing Bank directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring or removed Administrative Agent), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Section 10 and Section 11.2 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Section 10.7 Non-Reliance on Administrative Agent and Other Lenders. Each of the Lenders and the Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each of the Lenders and the Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 10.8 No Other Duties, etc. Anything herein to the contrary notwithstanding, none of the titles listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or the Issuing Bank hereunder.

Section 10.9 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or Letter of Credit Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Letter of Credit Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Bank and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Bank and the Administrative Agent under Section 2.10 and Section 11.2) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Bank, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 2.10 and Section 11.2).

Section 10.10 Collateral Matters.

(a) The Lenders (including the Issuing Bank and the Swing Line Lender) irrevocably authorize the Administrative Agent and the Collateral Agent, at its option and in its discretion,

(i) to release any Lien on any property granted to or held under any Loan Document securing the Obligations (x) upon termination of the commitments under this Agreement and payment in full of all Obligations (other than contingent indemnification obligations and obligations under any Secured Swap Agreement or Secured Treasury Management Agreement) and the expiration or termination of all Letters of Credit (other than Letters of Credit as to which other arrangements satisfactory to the Administrative Agent and the applicable Issuing Bank shall have been made), (y) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted under the Loan Documents or consented to in accordance with the terms of this Agreement, or (z) subject to Section 11.4, if approved, authorized or ratified in writing by the Required Lenders;

(ii) to subordinate any Lien on any property granted to or held under any Loan Document securing the Obligations to the holder of any Lien on such property that is permitted by Section 8.2(m) as in effect on the Closing Date; and

(iii) to release any Guarantor from its obligations under this Agreement and the other Loan Documents if such Person ceases to be a Guarantor as a result of a transaction permitted under the Loan Documents.

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under this Agreement pursuant to this Section 10.10.

(b) The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

(c) Anything contained in any of the Loan Documents to the contrary notwithstanding, each of the Loan Parties, the Administrative Agent, the Collateral Agent and each holder of the Obligations hereby agree that (i) no holder of the Obligations shall have any right individually to realize upon any of the Collateral or to enforce this Agreement, the Notes or any other Credit Agreement, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the holders of the Obligations in accordance with the terms hereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by the Collateral Agent, and (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the holders of the Obligations (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other disposition.

(d) No Secured Swap Agreement or Secured Treasury Management Agreement will create (or be deemed to create) in favor of any Qualifying Swap Provider or any Qualifying Treasury Management Bank, respectively that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of the Borrower or any other Loan Party under the Loan Documents except as expressly provided herein or in the other Loan Documents. By accepting the benefits of the Collateral, each such Qualifying Swap Provider and Qualifying Treasury Management Bank shall be deemed to have appointed the Collateral Agent as its agent and agreed to be bound by the Loan Documents as a holder of the Obligations, subject to the limitations set forth in this clause (d). Furthermore, it is understood and agreed that the Qualifying Swap Provider and Qualifying Treasury Management Banks, in their capacity as such, shall not have any right to notice of any action or to consent to, direct or object to any action hereunder or under any of the other Loan Documents or otherwise in respect of the Collateral (including the release or impairment of any Collateral, or to any notice of or consent to any amendment, waiver or modification of the provisions hereof or of the other Loan Documents) other than in its capacity as a Lender and, in any case, only as expressly provided herein.

Section 10.11 Intercreditor Agreements; Subordination Agreements. Each Lender (including each Person that becomes a Lender after the Closing Date) authorizes the Administrative Agent to execute, deliver and perform its obligations under each Acceptable Intercreditor Agreement and each Subordination Agreement and agrees to be bound by the terms of each Acceptable Intercreditor Agreement, each Subordination Agreement or each other subordination agreement contemplated or requested hereunder and entered into by the Administrative Agent.

Section 11. MISCELLANEOUS

Section 11.1 Notices; Effectiveness; Electronic Communications.

Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier or electronic mail as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Administrative Agent, the Borrower or any other Loan Party, to the address, telecopier number, electronic mail address or telephone number specified in Appendix B:

(ii) if to any Lender, the Issuing Bank or Swing Line Lender, to the address, telecopier number, electronic mail address or telephone number in its Administrative Questionnaire on file with the Administrative Agent.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Bank hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender or the Issuing Bank pursuant to Section 2 if such Lender or the Issuing Bank, as applicable, has notified the Administrative Agent and the Borrower that it is incapable of receiving notices under such Section by electronic communication. The Administrative Agent or any Loan Party may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor, provided that, with respect to clauses (i) and (ii) above, if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient

(c) Change of Address, Etc. Any party hereto may change its address, telecopier number or electronic mail address for notices and other communications hereunder by notice to the other parties hereto.

(d) Platform

(i) Each Loan Party agrees that the Administrative Agent may, but shall not be obligated to, make the Communications (as defined below) available to the Issuing Bank and the other Lenders by posting the Communications on DebtDomain, Intralinks, Syndtrak or a substantially similar electronic transmission system (the “Platform”).

(ii) The Platform is provided “as is” and “as available.” The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to the Borrower or the other Loan Parties, any Lender or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower’s, any other Loan Party’s or the Administrative Agent’s transmission of communications through the Platform. “Communications” means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed to the Administrative Agent, any Lender or the Issuing Bank by means of electronic communications pursuant to this Section, including through the Platform.

Section 11.2 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Loan Parties shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and its Affiliates (including the reasonable out-of-pocket fees, charges and disbursements of one primary outside counsel for the Administrative Agent and its Affiliates taken as a whole (and, if necessary, of one special or one local counsel in any relevant jurisdiction for such Persons, taken as a whole)) in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable out-of-pocket expenses incurred by the Administrative Agent, any Lender or the Issuing Bank (including the reasonable out-of-pocket fees, charges and disbursements of any counsel for the Administrative Agent, any Lender or the Issuing Bank) in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (B) in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) Indemnification by the Loan Parties. The Loan Parties shall indemnify the Administrative Agent (and any sub-agent thereof), the Collateral Agent (and any sub-agent thereof), each Lender and the Issuing Bank, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the reasonable out-of-pocket fees, charges and disbursements of one counsel for such Indemnitee (and one special counsel or one local counsel in any relevant jurisdiction and, in the case of an actual or potential conflict of interest, one additional counsel of each such affected Person subject to such conflict)), incurred by any Indemnitee or asserted against any Indemnitee by any Person (including the Borrower or any other Loan Party) other than such Indemnitee or its Related Parties arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any other Loan Party, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any of its Subsidiaries, and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Borrower or any Loan Party against an Indemnitee for material breach of such Indemnitee’s obligations hereunder or under any other Loan Document, if the Borrower or such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. This Section 11.2(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that the Loan Parties for any reason fail to indefeasibly pay any amount required under subsection (a) or (b) of this Section to be paid by it to the Administrative Agent (or any sub-agent thereof), the Collateral Agent (or any sub-agent thereof), the Issuing Bank or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the Collateral Agent (or any such sub-agent), the applicable Issuing Bank or such Related Party, as the case may be, such Lender’s pro rata share (in each case, determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) or the Issuing Bank in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or the Issuing Bank in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of this Agreement that provide that their obligations are several in nature, and not joint and several.

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by Applicable Law, none of the Loan Parties shall assert, and each hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) Payments. All amounts due under this Section shall be payable promptly, but in any event within ten (10) Business Days after written demand therefor (including delivery of copies of applicable invoices, if any).

(f) Survival. The provisions of this Section shall survive resignation or replacement of the Administrative Agent, Collateral Agent, the Issuing Bank, the Swing Line Lender or any Lender, termination of the commitments hereunder and repayment, satisfaction and discharge of the loans and obligations hereunder.

Section 11.3 Set-Off. If an Event of Default shall have occurred and be continuing, each Lender, the Issuing Bank, and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by Applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, the Issuing Bank or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, the Issuing Bank or their respective Affiliates, irrespective of whether or not such Lender, the Issuing Bank or such Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender or the Issuing Bank different from the branch or office holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.16 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Bank, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, the Issuing Bank and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, the Issuing Bank or their respective Affiliates may have. Each of the Lenders and the Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application. Notwithstanding the provisions of this Section 11.3, if at any time any Lender, the Issuing Bank or any of their respective Affiliates maintains one or more deposit accounts for the Borrower or any other Loan Party into which Medicare and/or Medicaid receivables are deposited, such Person shall waive the right of setoff set forth herein.

Section 11.4 Amendments and Waivers.

(a) Required Lenders' Consent. Subject to Section 11.4(b) and Section 11.4(c), no amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall in any event be effective without the written concurrence of the Administrative Agent and the Required Lenders; provided that (i) the Administrative Agent may, with the consent of the Borrower only, amend, modify or supplement this Agreement to cure any ambiguity, omission, defect or inconsistency, so long as such amendment, modification or supplement does not adversely affect the rights of any Lender or the Issuing Bank, (ii) the Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto, (iii) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitments, Loans and/or Letter of Credit Obligations of such Lender may not be increased or extended without the consent of such Lender, (iv) each Lender is entitled to vote as such Lender sees fit on any bankruptcy reorganization plan that affects the Loans, and each Lender acknowledges that the provisions of Section 1126(c) of the Bankruptcy Code of the United States supersedes the unanimous consent provisions set forth herein, and (v) the Required Lenders shall determine whether or not to allow any Loan Party to use cash collateral in the context of a bankruptcy or insolvency proceeding and such determination shall be binding on all of the Lenders.

(b) Affected Lenders' Consent. Without the written consent of each Lender (other than a Defaulting Lender except as provided in clause (a)(iii) above) that would be affected thereby, but subject to Section 3.1(h), no amendment, modification, termination, or consent shall be effective if the effect thereof would:

(i) increase or extend the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 9.2);

(ii) waive, reduce or postpone any scheduled repayment (but not prepayment), alter the required application of any prepayment pursuant to Section 2.12 or the application of funds pursuant to Section 9.3, as applicable, or amend, modify or waive any provision of Section 2.14, Section 11.5(g) or any other provision of this Agreement to allow the Loan Parties to repay or purchase Loans or terminate Commitments, in each case, on a non-pro rata basis other than as expressly set forth herein on the Closing Date;

(iii) extend the stated expiration date of any Letter of Credit, beyond the Revolving Commitment Termination Date;

(iv) reduce the principal of or the rate of interest on any Loan (other than any waiver of the imposition of the Default Rate pursuant to Section 2.9) or any fee or premium payable hereunder; provided, however, that only the consent of the Required Lenders shall be necessary (A) to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate or (B) to amend any financial covenant hereunder (or any defined term used therein) even if the effect of such amendment would be to reduce the rate of interest on any Loan or to reduce any fee payable hereunder;

(v) extend the time for payment of any such interest or fees;

(vi) reduce the principal amount of any Loan or any reimbursement obligation in respect of any Letter of Credit;

(vii) amend, modify, terminate or waive any provision of this Section 11.4(b) or Section 11.4(c) or any other provision of this Agreement that expressly provides that the consent of all Lenders is required;

(viii) change the percentage of the Commitments or the aggregate outstanding principal amount of Loans that is required for the Lenders or any of them to take any action hereunder or amend the definition of "Required Lenders";

(ix) release all or substantially all of the Collateral or all or substantially all of the Guarantors from their obligations hereunder, in each case, except as expressly provided in the Loan Documents; or

(x) consent to the assignment or transfer by the Borrower of any of its rights and obligations under any Loan Document (except pursuant to a transaction permitted hereunder).

(c) Other Consents. No amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by the Borrower or any other Loan Party therefrom, shall:

(i) increase any Revolving Commitment of any Lender over the amount thereof then in effect without the consent of such Lender; provided, no amendment, modification or waiver of any condition precedent, covenant, Default or Event of Default shall constitute an increase in any Revolving Commitment of any Lender;

(ii) amend, modify, terminate or waive any provision hereof relating to the Swing Line Sublimit or the Swing Line Loans without the consent of the Swing Line Lender;

(iii) amend, modify, terminate or waive any obligation of Lenders relating to the purchase of participations in Letters of Credit as provided in Section 2.3(e) without the written consent of the Administrative Agent and of the Issuing Bank; or

(iv) amend, modify, terminate or waive any provision of this Section 11 as the same applies to any Agent, or any other provision hereof as the same applies to the rights or obligations of any Agent, in each case without the consent of such Agent.

Notwithstanding any of the foregoing to the contrary, (v) the consent of the Borrower and the other Loan Parties shall not be required for any amendment, modification or waiver of the provisions of Section 10 (other than the provisions of Sections 10.6 or 10.10) so long as such amendment is not adverse to the interests of the Borrower and the other Loan Parties; (w) the Loan Parties, the Administrative Agent and/or the Collateral Agent, without the consent of any Lender, may enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the holders of the Obligations, or as required by local law to give effect to, or protect any security interest for the benefit of the holders of the Obligations, in any property or so that the security interests therein comply with applicable law; (x) the Administrative Agent, the Collateral Agent and the Borrower may amend, modify or supplement this Agreement or any other Loan Document to cure or correct administrative or technical errors or omissions or any ambiguity, mistake, defect, inconsistency, obvious error or to make any necessary or desirable administrative or technical change, and such amendment shall become effective without any further consent of any other party to such Loan Document so long as such amendment, modification or supplement does not adversely affect the rights of any Lender or any other holder of the Obligations in any material respect; (y) this Agreement may be amended and restated without the consent of any Lender (but with the consent of the Borrower and the Administrative Agent) if, upon giving effect to such amendment and restatement, such Lender shall no longer be a party to this Agreement (as so amended and restated), the Commitments of such Lender shall have terminated, such Lender shall have no other commitment or other obligation hereunder and shall have been paid in full all principal, interest and other amounts owing to it or accrued for its account under this Agreement; and (z) the Administrative Agent and the Borrower may enter into amendments contemplated by Section 3.1(h).

(d) Execution of Amendments, etc. The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 11.4 shall be binding upon the Administrative Agent, each Lender at the time outstanding, each future Lender and, if signed by the Borrower, on the Borrower.

Section 11.5 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection (d) of this Section or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (e) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments, Loans and obligations hereunder at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's commitments and the loans at the time owing to it (in each case with respect to any credit facility) or contemporaneous assignments to Approved Funds that aggregate to at least the amounts specified in subsection (b)(i)(B) of this Section in the aggregate, or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the commitment (which for this purpose includes loans and obligations in respect thereof outstanding thereunder) or, if the commitment is not then in effect, the principal outstanding balance of the loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment Agreement with respect to such assignment is delivered to the Administrative Agent or, if “Trade Date” is specified in the Assignment Agreement, as of the Trade Date) shall not be less than \$5,000,000, in the case of any assignment in respect of any Revolving Commitments and/or Revolving Loans, or \$1,000,000, in the case of any assignment in respect of any Term Loan Commitments and/or Term Loans, unless each of the Administrative Agent and, so long as no Event of Default shall have occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement with respect to the Commitments and Loans assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations on a non-pro rata basis as between its Revolving Commitment and/or Revolving Loans, on the one hand, and any Term Loan Commitment and/or Term Loans, on the other the hand.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed) shall be required unless (x) an Event of Default shall have occurred and is continuing at the time of such assignment or (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for assignments in respect of (i) commitments under revolving credit facilities and unfunded commitments under term loan facilities if such assignment is to a Person that is not a Lender with a commitment in respect of such facility, an Affiliate of such Lender or an Approved Fund with respect to such Lender or (ii) a funded Term Loan to a Person who is not a Lender, an Affiliate of a Lender or an Approved Fund;

(C) the consent of the Issuing Bank (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any assignment in respect of any Revolving Commitment; and

(D) the consent of the Swing Line Lender (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any assignment in respect of any Revolving Commitment.

(iv) Assignment Agreement. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment Agreement, together with a processing and recordation fee in the amount of \$3,500, unless waived, in whole or in part by the Administrative Agent in its discretion. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Certain Persons. No such assignment shall be made to (A) the Borrower or any of the Borrower's Affiliates or Subsidiaries or (B) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B).

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural person (or holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural person).

(vii) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, the Issuing Bank, the Swing Line Lender and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Revolving Commitment Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under Applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment Agreement, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment Agreement, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment Agreement, be released from its obligations under this Agreement (and, in the case of an Assignment Agreement covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.16, 2.17 and 11.2 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. The Borrower will execute and deliver on request, at its own expense, Notes to the assignee evidencing the interests taken by way of assignment hereunder. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section.

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States, a copy of each Assignment Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans and Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural Person (or holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural person) or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrower, the Administrative Agent, the Issuing Bank and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 11.2(c) with respect to any payments made by such Lender to its Participant(s).

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clauses (b) or (c) of Section 11.4 that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.2, 3.1 and 3.3 (subject to the requirements and limitations therein, including the requirements under Section 3.3(f) (it being understood that the documentation required under Section 3.3(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.17 and 3.4 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 3.2 or 3.3, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.17 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.3 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.14 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement, or any promissory notes evidencing its interests hereunder, to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 11.5 shall not apply to any such pledge or assignment of a security agreement; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Disqualified Institutions.

(i) No assignment shall be made to any Person that was a Disqualified Institution as of the date (the "Trade Date") on which the applicable Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment as otherwise contemplated by this Section 11.5, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment). For the avoidance of doubt, with respect to any assignee that becomes a Disqualified Institution after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of "Disqualified Institution"), such assignee shall not retroactively be considered a Disqualified Institution. Any assignment in violation of this clause (f)(i) shall not be void, but the other provisions of this clause (f) shall apply.

(ii) If any assignment is made to any Disqualified Institution without the Borrower's prior consent in violation of clause (i) above, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) terminate any Revolving Commitment of such Disqualified Institution and repay all obligations of the Borrower owing to such Disqualified Institution in connection with such Revolving Commitment, (B) in the case of outstanding Term Loans held by Disqualified Institutions, prepay such Term Loan by paying the lesser of (1) the principal amount thereof and (2) the amount that such Disqualified Institution paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and under the other Loan Documents and/or (C) require such Disqualified Institution to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 11.5), all of its interest, rights and obligations under this Agreement and related Loan Documents to an Eligible Assignee that shall assume such obligations at the lesser of (1) the principal amount thereof and (2) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and under the other Loan Documents; provided that (x) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 11.5(b), (y) such assignment does not conflict with Applicable Laws and (z) in the case of clause (B), the Borrower shall not use the proceeds from any Loans to prepay Term Loans held by Disqualified Institutions.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Institutions (A) will not (1) have the right to receive information, reports or other materials provided to Lenders by the Borrower, the Administrative Agent or any other Lender, (2) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (3) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (1) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (2) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws ("Plan of Reorganization"), each Disqualified Institution party hereto hereby agrees (I) not to vote on such Plan of Reorganization, (II) if such Disqualified Institution does vote on such Plan of Reorganization notwithstanding the restriction in the foregoing clause (I), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (III) not to contest any request by any party for a determination by the bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (II).

(iv) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Institutions provided by the Borrower and any updates thereto from time to time (collectively, the "DQ List") on the Platform, including that portion of the Platform that is designated for "public side" Lenders or (B) provide the DQ List to each Lender requesting the same.

(g) Borrower Buybacks. Notwithstanding anything in this Agreement to the contrary, any Lender may, at any time, assign all or a portion of its Term Loans on a non-pro rata basis to the Borrower in accordance with the procedures set forth on Exhibit 11.5(g), pursuant to an offer made available to all Lenders on a pro rata basis (a "Dutch Auction"), subject to the following limitations:

(i) the Borrower shall represent and warrant, as of the date of the launch of the Dutch Auction and on the date of any such assignment, that neither the Borrower, its Affiliates nor any of their respective directors or officers has any material non-public information that has not been disclosed to the Lenders generally (other than to the extent any such Lender does not wish to receive material non-public information with respect to the Borrower or its Subsidiaries or any of their respective securities) prior to such date or that the Borrower cannot make such representation and warranty;

(ii) immediately and automatically, without any further action on the part of the Borrower, any Lender, the Administrative Agent or any other Person, upon the effectiveness of such assignment of Term Loans from a Lender to the Borrower (or any of them), such Term Loans and any related Commitments and all rights and obligations as a Lender related thereto shall, for all purposes under this Agreement, the other Loan Documents and otherwise, be deemed to be irrevocably prepaid, terminated, extinguished, cancelled and of no further force and effect, and the Borrower shall neither obtain nor have any rights as a Lender hereunder or under the other Loan Documents by virtue of such assignment

(iii) the Borrower shall not use the proceeds of any Credit Extension for any such assignment; and

(iv) no Default or Event of Default shall have occurred and be continuing before or immediately after giving effect to such assignment.

Section 11.6 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

Section 11.7 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Loan Party set forth in Section 3.1(c), Section 3.2, Section 3.3, Section 11.2, Section 11.3, and Section 11.10 and the agreements of the Lenders and the Agents set forth in Section 2.14, Section 10.3 and Section 11.2(c) shall survive the payment of the Loans, the cancellation, expiration or cash collateralization of the Letters of Credit, and the termination hereof.

Section 11.8 No Waiver; Remedies Cumulative. No failure or delay on the part of any Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Loan Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Loan Documents, any Swap Agreements or any Treasury Management Agreements. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

Section 11.9 Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to the Administrative Agent, the Issuing Bank, the Swing Line Lender or the Lenders (or to the Administrative Agent, on behalf of Lenders), or the Administrative Agent, the Collateral Agent, the Issuing Bank or the Lenders enforce any security interests or exercise their rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any Debtor Relief Law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

Section 11.10 Severability. In case any provision in or obligation hereunder or any Note or other Loan Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

Section 11.11 Obligations Several; Independent Nature of Lenders' Rights. The obligations of the Lenders hereunder are several and no Lender shall be responsible for the obligations or Revolving Commitment of any other Lender hereunder. Nothing contained herein or in any other Loan Document, and no action taken by the Lenders pursuant hereto or thereto, shall be deemed to constitute the Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and, subject to Section 10.10(c), each Lender shall be entitled to protect and enforce its rights arising under this Agreement and the other Loan Documents and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

Section 11.12 Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

Section 11.13 Applicable Laws.

(a) Governing Law. This Agreement and the other Loan Documents (except, as to any other Loan Document, as expressly set forth therein) shall be governed by, and construed in accordance with, the law of the State of New York.

(b) Submission to Jurisdiction. Each party hereto irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the courts of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by Applicable Law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) Waiver of Venue. Each party hereto irrevocably and unconditionally waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in subsection (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by Applicable Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Service of Process. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 11.1. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by Applicable Law.

Section 11.14 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 11.15 Confidentiality. Each of the Administrative Agent, the Collateral Agent, the Issuing Bank and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by Applicable Laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in (including, for purposes hereof, any new lenders invited to join hereunder on an increase in the Loans and Commitments hereunder, whether by exercise of an accordion, by way of amendment or otherwise), any of its rights or obligations under this Agreement or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to the Borrower or its obligations, this Agreement or payments hereunder (it being understood that the DQ List may be disclosed to any assignee or prospective assignee in reliance on this clause (f)), (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided for herein, or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers or other market identifiers with respect to the credit facilities provided for herein, (h) with the consent of the Borrower, (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender, the Issuing Bank or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower or (j) for purposes of establishing a “due diligence” defense.

For purposes of this Section, “Information” means all information received from the Borrower or any of its Subsidiaries relating to the Borrower or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or the Issuing Bank on a nonconfidential basis prior to disclosure by the Borrower or any of its Subsidiaries. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent, the Collateral Agent, the Issuing Bank and the Lenders acknowledges that (i) the Information may include material non-public information concerning the Borrower or any Subsidiary, as the case may be, (ii) it has developed compliance procedures regarding the use of material non-public information and (iii) it will handle such material non-public information in accordance with Applicable Law, including United States federal and state securities laws.

The Loan Parties consent to the use of information related to the arrangement of the Loans by each of the Lenders and their Affiliates in connection with marketing, press releases or other transactional announcements or updates provided to investor or trade publications, including, without limitation, the placement of “tombstone” advertisements in publications of its choice at its own expense; provided, however, that to the extent that such marketing, press releases or other transactional announcements include material information about the Loan Parties, their Subsidiaries and/or their businesses other than the names and logos of the Loan Parties and their Subsidiaries and the amount, type and closing date of the Loans established hereby, each such Lender or Affiliate of a Lender shall obtain prior written consent of the Borrower (which approval shall not be unreasonably withheld).

Section 11.16 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged or agreed to be paid with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under Applicable Laws shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the aggregate outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrower shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of the Lenders and each of the Loan Parties to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the aggregate outstanding amount of the Loans made hereunder or be refunded to each of the applicable Loan Parties. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Highest Lawful Rate, such Person may, to the extent permitted by Applicable Laws, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest, throughout the contemplated term of the Obligations hereunder.

Section 11.17 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, and any separate letter agreements with respect to fees payable to the Administrative Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 5, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means (e.g. "pdf" or "tif" format) shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 11.18 No Advisory or Fiduciary Relationship. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Loan Parties acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (a)(i) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arrangers and the Lenders and their respective Affiliates, are arm's-length commercial transactions between the Loan Parties and their Affiliates, on the one hand, and the Administrative Agent, the Arrangers and the Lenders and their respective Affiliates, on the other hand, (ii) the Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) each of the Loan Parties is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (b)(i) the Administrative Agent, each Arranger and each Lender and each of their respective Affiliates is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not and will not be acting as an advisor, agent or fiduciary, for any Loan Party or any of their respective Affiliates or any other Person and (ii) neither the Administrative Agent, nor any Arranger or Lender nor any of their respective Affiliates has any obligation to any Loan Party or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (c) the Administrative Agent, the Arrangers and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and neither the Administrative Agent, nor any Arranger or Lender nor any of their respective Affiliates has any obligation to disclose any of such interests to any Loan Party or any of their respective Affiliates. To the fullest extent permitted by law, each of the Loan Parties hereby waives and releases, any claims that it may have against the Administrative Agent, the Arrangers, the Lenders and their respective Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 11.19 Electronic Execution of Assignments and Other Documents. The words “execution,” “signed,” “signature,” and words of like import in this Agreement and the other Loan Documents including any Assignment Agreement or in any amendment, waiver, modification or consent relating hereto shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Laws, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 11.20 USA PATRIOT Act. Each Lender subject to the Patriot Act hereby notifies each of the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each of the Loan Parties, which information includes the name and address of each of the Loan Parties and other information that will allow such Lender to identify each of the Loan Parties in accordance with the Patriot Act.

Section 11.21 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and (b) the effects of any Bail-In Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 11.22 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement;

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement;

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement; or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 11.23 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support", and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 11.23, the following terms have the following meanings:

“BHC Act Affiliate” means, with respect to any Person, an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. § 1841(k)) of such Person.

“Covered Entity” means any of (i) a “covered entity” (as such term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b)); (ii) a “covered bank” (as such term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b)); or (iii) a “covered FSP” (as such term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b)).

“Default Right” means as defined in, and interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” means a “qualified financial contract” (as defined in, and interpreted in accordance with, 12 U.S.C. § 5390(c)(8)(D)).
